CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Quarterly Report on Form 10-Q contains forward-looking statements. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in Section 27A of the Securities Act of 1933, as amended, ("the Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended, ("the Exchange Act"). All statements other than statements of historical facts contained in this Quarterly Report on Form 10-Q may be forward-looking statements. Statements regarding our future results of operations and financial position, business strategy and plans and objectives of management for future operations, including, among others, statements regarding our expected growth, future capital expenditures and debt service obligations, are forward-looking statements.

In some cases, you can identify forward-looking statements by terms, such as "may," "will," "should," "expects," "plans," "anticipates," "could," "intends," "targets," "projects," "contemplates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of these terms or other similar expressions. The forward-looking statements in this Quarterly Report on Form 10-Q are only predictions. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions and uncertainties that are difficult to predict. Although we believe that the expectations reflected in these forward-looking statements are reasonable as of the date made, actual results may prove to be materially different from the results expressed or implied by the forward-looking statements.

These forward-looking statements speak only as of the date of this Quarterly Report on Form 10-Q and are subject to a number of important factors that could cause actual results to differ materially from those in the forward-looking statements, including but not limited to the following: the marketing and sale of Medicare plans are subject to numerous, complex and frequently changing laws, regulations and guidelines; our business may be harmed if we lose our relationships with carriers or if our relationships with carriers change; our failure to grow our customer base or retain our existing customers; carriers may reduce the commissions paid to us and change their underwriting practices in ways that reduce the number of, or impact the renewal or approval rates of, insurance policies sold through our platform; significant consolidation in the health insurance industry could adversely alter our relationships with carriers; information technology system failures could interrupt our operations; factors that impact our estimate of LTV (as defined below); our ability to sell Medicare-related health insurance plans is largely dependent on our licensed health insurance agents; changes and developments in the health insurance system and laws and regulations governing the health insurance markets; our ability to effectively advertise our products on a cost-effective basis or market the availability of our products through specific channels; the Founders and Centerbridge have significant influence over us, including control over decisions that require the approval of stockholders, and other important factors described in the section titled "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2020 (the "2020 Form 10-K"), the section titled "Management's Discussion and Analysis of Financial Condition and Results of Operations" in this Quarterly Report on Form 10-Q, and in our other filings with the Securities and Exchange Commission.

You should read this Quarterly Report on Form 10-Q and the documents that we reference in this Quarterly Report on Form 10-Q completely and with the understanding that our actual future results may be materially different from what we expect. We qualify all of our forward-looking statements by these cautionary statements. Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained herein, whether as a result of any new information, future events, changed circumstances or otherwise.

KEY TERMS AND PERFORMANCE INDICATORS; NON-GAAP FINANCIAL MEASURES

Throughout this Quarterly Report on Form 10-Q, we use a number of key terms and provide a number of key performance indicators used by management. We define these terms and key performance indicators as follows:

- “*Approved Submissions*” refer to Submitted Policies approved by carriers for the identified product during the indicated period.
- “*Adjusted EBITDA*” represents, as applicable for the period, EBITDA as further adjusted for share-based compensation expense, non-recurring legal fees, change in fair value of contingent consideration liability, and severance costs.
- “*Adjusted EBITDA margin*” refers to Adjusted EBITDA divided by net revenues.

- "CAC" refers to the cost to convert a prospect into a customer less other non-commission carrier revenue for such period. CAC is comprised of cost of revenue, marketing and advertising expenses and customer care and enrollment expenses less enterprise revenue and is presented on a per commissionable Approved Submission basis.
- "EBITDA" represents net income (loss) before interest expense, income tax expense (benefit) and depreciation and amortization expense.
- "LTV" refers to the Lifetime Value of Commissions per Approved Submission, which we define as (i) aggregate commissions estimated to be collected over the estimated life of all commissionable Approved Submissions for the relevant period based on multiple factors, including but not limited to, contracted commission rates, carrier mix and expected policy persistency with applied constraints.
- "LTV Per Approved Submission" refers to the Lifetime Value of Commissions per Approved Submission, which we define as (i) aggregate commissions estimated to be collected over the estimated life of all commissionable Approved Submissions for the relevant period based on multiple factors, including but not limited to, contracted commission rates, carrier mix and expected policy persistency with applied constraints, excluding revenue adjustments recorded in the period, but relating to performance obligations satisfied in prior periods, divided by (ii) the number of commissionable Approved Submissions for such period.
- "LTV/CAC" refers to the Lifetime Value of Commissions per Consumer Acquisition Cost, which we define as (i) aggregate commissions estimated to be collected over the estimated life of all commissionable Approved Submissions for the relevant period based on multiple factors, including but not limited to, contracted commission rates, carrier mix and expected policy persistency with applied constraints, or LTV, divided by (ii) the cost to convert a prospect into a customer less other non-commission carrier revenue for such period, or CAC. CAC is comprised of cost of revenue, marketing and advertising expenses and customer care and enrollment expenses less enterprise revenue and is presented on a per commissionable Approved Submission basis.
- "Submitted Policies" refer to completed applications that, with respect to each such application, the consumer has authorized us to submit to the carrier.

We use supplemental measures of our performance that are derived from our consolidated financial information, but which are not presented in our Condensed Consolidated Financial Statements prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). These non-GAAP financial measures include EBITDA; Adjusted EBITDA and Adjusted EBITDA margin. Adjusted EBITDA is the primary financial performance measure used by management to evaluate its business and monitor its results of operations.

We use non-GAAP financial measures to supplement financial information presented on a GAAP basis. We believe that excluding certain items from our GAAP results allows management to better understand our consolidated financial performance from period to period and better project our future consolidated financial performance as forecasts are developed at a level of detail different from that used to prepare GAAP-based financial measures. Moreover, we believe these non-GAAP financial measures provide our stakeholders with useful information to help them evaluate our operating results by facilitating an enhanced understanding of our operating performance and enabling them to make more meaningful period to period comparisons. There are limitations to the use of the non-GAAP financial measures presented in this Quarterly Report on Form 10-Q. For example, our non-GAAP financial measures may not be comparable to similarly titled measures of other companies. Other companies, including companies in our industry, may calculate non-GAAP financial measures differently than we do, limiting the usefulness of those measures for comparative purposes.

The non-GAAP financial measures are not meant to be considered as indicators of performance in isolation from or as a substitute for net income (loss) prepared in accordance with GAAP, and should be read only in conjunction with financial information presented on a GAAP basis. Reconciliations of each of EBITDA and Adjusted EBITDA to its most directly comparable GAAP financial measure, net income (loss), are presented in the tables below in this Quarterly Report on Form 10-Q. We encourage you to review the reconciliations in conjunction with the presentation of the non-GAAP financial measures for each of the periods presented. In future periods, we may exclude similar items, may incur income and expenses similar to these excluded items and include other expenses, costs and non-recurring items.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(In thousands, except per share amounts, unaudited)

1. DESCRIPTION OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Description of Business

GoHealth, Inc. (the "Company") is a leading health insurance marketplace and Medicare-focused digital health company whose mission is to improve access to healthcare in America. The Company works with insurance carriers to provide solutions to efficiently enroll individuals in health insurance plans. The Company's proprietary technology platform leverages modern machine-learning algorithms powered by nearly two decades of insurance purchasing behavior to reimagine the optimal process for helping individuals find the best health insurance plan for their specific needs. The Company's insurance agents leverage the power of its vertically integrated customer acquisition platform to enroll members in Medicare and individual and family plans. Certain of the Company's operations do business as GoHealth, LLC ("GoHealth"), a wholly owned subsidiary of the Company that was founded in 2001.

The Company was incorporated in Delaware on March 27, 2020 for the purpose of facilitating an initial public offering and other related transactions in order to carry on the business of GoHealth Holdings, LLC (formerly known as Blizzard Parent, LLC), a Delaware limited liability company, and its wholly owned subsidiaries (collectively, "GHH, LLC"). On July 17, 2020, the Company completed an initial public offering of 43,500 shares of its Class A common stock at a public offering price of \$21.00 per share ("the IPO"), receiving approximately \$852.4 million in net proceeds, after deducting the underwriting discount and offering expenses.

Pursuant to a reorganization into a holding company structure, the Company is a holding company and its principal asset is a controlling equity interest in GHH, LLC. As the sole managing member of GHH, LLC, the Company operates and controls all of the business and affairs of GHH, LLC, and through GHH, LLC and its subsidiaries, conducts its business.

Basis of Presentation and Significant Accounting Policies

In connection with the Company's IPO, the Company completed a series of organizational transactions (the "Transactions"). The Transactions included:

- The amendment and restatement of the existing limited liability company agreement of GHH, LLC to, among other things, (1) recapitalize all existing ownership interests in GHH, LLC (including profits units awarded under the existing limited liability company agreement of GHH, LLC) and (2) appoint the Company as the sole managing member of GHH, LLC upon its acquisition of LLC Interests in connection with the IPO;
- the amendment and restatement of the Company's certificate of incorporation to, among other things, provide for (1) Class A common stock, with each share of the Company's Class A common stock entitling its holder to economic rights and one vote per share on all matters presented to stockholders generally and (2) Class B common stock, with each share of the Company's Class B common stock being a non-economic share but entitling its holder to one vote per share on all matters presented to stockholders generally (provided that shares of Class B common stock may only be held by the Continuing Equity Owners and their respective permitted transferees);
- the issuance of 307,980 shares of the Company's Class B common stock, including the issuance of 229,399 such shares to the Continuing Equity Owners, which is equal to the number of LLC Interests held directly or indirectly by such Continuing Equity Owners immediately following the Transactions, for nominal consideration;
- the issuance of 43,500 shares of the Company's Class A common stock to the purchasers in the IPO in exchange for net proceeds, after taking into account the underwriting discount and offering expenses payable by the Company, of approximately \$852.4 million;
- the acquisition by the Company of the Blocker Company in a merger transaction (the "Blocker Merger"), which Blocker Company held 45,503 LLC interests and a corresponding amount of the Company's Class B common stock (which shares were cancelled after the Blocker Merger), in exchange for 40,683 shares of the Company's Class A common stock and payment of \$96.2 million in cash to Blocker Shareholders;
- the use of the remaining net proceeds from the IPO to (i) pay \$508.3 million in cash to redeem 25,480 LLC Interests held directly or indirectly by the Continuing Equity Owners, (ii) satisfy in full \$100.0 million in aggregate face amount of senior preferred earnout units in connection with the Transactions, and (iii) use for general corporate purposes; and

- the Company entered into (1) a stockholders' agreement with Centerbridge and NVX Holdings, Inc., (2) a registration rights agreement with certain of the Continuing Equity Owners and (3) a tax receivable agreement with GHH, LLC, the Continuing Equity Owners and the Blocker Shareholders.

In connection with the IPO, the Company became the sole managing member of GHH, LLC and controls the management of GHH, LLC. As a result, the Company consolidates GHH, LLC's financial results in its Condensed Consolidated Financial Statements and reports a non-controlling interest for the economic interest in GHH, LLC held by the Continuing Equity Owners. Substantially concurrently with the consummation of the IPO, the existing limited liability company agreement of GHH, LLC was amended and restated to, among other things, recapitalize its capital structure by creating a single new class of units (the "common units") and provide for a right of redemption of common units (subject in certain circumstances to time-based vesting requirements and certain other restrictions) in exchange for, at the Company's election, cash or newly-issued shares of Class A common stock on a one-for-one basis. In connection with any redemption, the Company will receive a corresponding number of common units, increasing the Company's total ownership interest in GHH, LLC.

Immediately following the completion of the Transactions and the IPO, the Company owned 26.8% of the economic interests in GHH, LLC, while the Continuing Equity Owners owned the remaining 73.2% of the economic interests in GHH, LLC. Net income and loss is allocated to the Continuing Equity Owners on a pro rata basis, assuming that any Class B common units that are subject to time-based vesting requirements are fully vested.

The Transactions were considered transactions between entities under common control. As a result, the financial statements for periods prior to the IPO and the Transactions have been adjusted to combine the previously separate entities for presentation purposes.

GHH, LLC is a holding company with no operating assets or operations and was formed to acquire a 100% equity interest in Norvax, LLC ("Norvax"). On May 6, 2020, Blizzard Parent, LLC changed its name to GoHealth Holdings, LLC. GHH, LLC owns 100% of Blizzard Midco, LLC, which owns 100% of Norvax. For all of the periods reported in these Condensed Consolidated Financial Statements, GHH, LLC has not and does not have any material operations on a standalone basis, and all of the operations of GHH, LLC are carried out by Norvax. On August 15, 2019, GHH, LLC entered into a series of arrangements to acquire 100% of the equity interest in Norvax. On September 13, 2019, Blizzard Merger Sub LLC, a transitory merger company of Blizzard Midco, LLC, merged into Norvax, with Norvax continuing as the surviving limited liability company and GHH, LLC's operating entity (the "Acquisition").

The accompanying Condensed Consolidated Financial Statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") for interim financial information, but do not include all information and footnote disclosures required under U.S. GAAP for annual financial statements. In the opinion of management, the interim Condensed Consolidated Financial Statements include all adjustments, consisting only of normal recurring adjustments, necessary for the fair presentation of the Company's financial position, results of operations and cash flows as of the dates and for the periods presented. All intercompany transactions and balances are eliminated in consolidation. Certain prior period amounts have been reclassified to conform with the current period presentation, including a reclassification of unbilled receivables that was previously reported within accounts receivables, net to prepaid expenses and other current assets within the Condensed Consolidated Balance Sheets and Condensed Consolidated Statements of Cash Flows. Refer to Note 9, "Revenue," for information on unbilled receivables. These reclassifications had no impact on the Company's financial position, results of operations, or cash flows.

Use of Estimates

The preparation of the Condensed Consolidated Financial Statements in conformity with GAAP requires management to make estimates, judgments, and assumptions that affect the reported amounts of assets and liabilities at the date of the Condensed Consolidated Financial Statements, and the reported amounts of revenues and expenses during the reporting periods. The Company bases its estimates on historical experience and on various other assumptions that management believes are reasonable under the circumstances, the results of which form the basis for making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results could differ from those estimates. There have been no material changes to the Company's significant accounting policies as discussed in the notes to the Company's audited consolidated financial statements as of and for the year ended December 31, 2020.

Seasonality

A greater number of the Company's Medicare-related health insurance plans are sold in its fourth quarter during the Medicare annual enrollment period when Medicare-eligible individuals are permitted to change their Medicare Advantage and Medicare Part D prescription drug coverage for the following year. As a result, the Company's Medicare plan-related commission revenue is typically highest in the Company's fourth quarter.

The majority of the Company's individual and family health insurance plans are sold in its fourth quarter during the annual open enrollment period as defined under the federal Patient Protection and ACA and related amendments in the Health Care and

Education Reconciliation Act. Individuals and families generally are not able to purchase individual and family health insurance outside of the open enrollment period, unless they qualify for a special enrollment period as a result of certain qualifying events, such as losing employer-sponsored health insurance or moving to another state. As a result, the Company's individual and family plan-related commission revenue is typically highest in the Company's fourth quarter.

Recent Accounting Pronouncements

Recent Accounting Pronouncements Not Yet Adopted

The Company qualifies as an "emerging growth company" pursuant to the provisions of the Jumpstart Our Business Startups Act ("JOBS Act"). The JOBS Act allows an emerging growth company to delay adoption of new or revised accounting standards applicable to public companies until such standards are applicable to private companies. The Company has elected to use the adoption dates applicable to private companies. In the event that the Company no longer meets the requirements of being an emerging growth company, the effective adoption dates of such standards would be that of non-emerging growth companies.

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, *Leases* (Topic 842). The guidance specifies that lessees will need to recognize a right-of-use asset and a lease liability for virtually all their leases except those which meet the definition of a short-term lease. For income statement purposes, the FASB retained a dual model, requiring leases to be classified as either operating or financing. Classification will be based on criteria that are similar to those applied in current lease accounting, but without explicit bright lines. Per ASU 2020-05, *Revenue from Contracts with Customers* (Topic 606) and *Leases* (Topic 842): effective Dates for Certain Entities, issued June 2020, the guidance in ASU 2016-2, as amended, is effective for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. Early adoption is permitted. The Company is currently evaluating the new guidance to determine the impact it will have on its Condensed Consolidated Financial Statements and related disclosures.

In November 2019, the FASB issued ASU 2019-11, *Financial Instruments – Credit Losses* (Topic 326), which amends the guidance for accounting for assets that are potentially subject to credit risk. The amendments affect contract assets, loans, debt securities, trade receivables, net investments in leases, off-balance-sheet credit exposures, reinsurance receivables, and any other financial assets not excluded from the scope that have the contractual right to receive cash. Per ASU 2019-10, issued November 2019, the guidance is effective for annual and interim periods beginning after December 15, 2022. Early adoption is permitted. The Company is currently evaluating the new guidance to determine the impact it will have on its Condensed Consolidated Financial Statements and related disclosures.

In December 2019, the FASB issued ASU 2019-12, *Simplifying the Accounting for Income Taxes* (Topic 740). The guidance simplifies the accounting for income taxes and is effective for annual and interim periods beginning after December 15, 2021. Early adoption is permitted. The Company is currently evaluating the impact to its Condensed Consolidated Financial Statements and related disclosures.

2. FAIR VALUE MEASUREMENTS

The Company defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques the Company uses to measure fair value maximize the use of observable inputs and minimize the use of unobservable inputs. The Company classifies the inputs used to measure fair value into the following hierarchy:

Level 1 Inputs	Unadjusted quoted prices in active markets for identical assets or liabilities.
Level 2 Inputs	Unadjusted quoted prices in active markets for similar assets or liabilities; unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the asset or liability.
Level 3 Inputs	Unobservable inputs for the asset or liability.

Fair Value Measurements

In connection with the Acquisition, GHH, LLC agreed to pay additional contingent consideration if certain financial targets are achieved. The fair value of the contingent consideration liability was measured using a Monte Carlo simulation and is discounted using a rate that appropriately captures the risk associated with the obligation. In connection with the IPO, a significant shareholder assumed the outstanding contingent consideration liability and the Company recorded the settlement of the \$62.4 million liability as an increase to additional paid-in capital.

The following table sets forth the changes to the fair value of the contingent consideration for the three months ended March 31, 2020.

(in thousands)	
Balance at Dec. 31, 2019	\$ 242,700
2020 earnout fair value adjustment	4,400
Balance at Mar. 31, 2020	\$ 247,100

The carrying amount of certain financial instruments, including cash and cash equivalents, accounts receivable, commissions receivable, accounts payable, accrued expenses, and commissions payable approximate fair value due to the short maturity of these instruments. Commissions receivable are recorded at constrained lifetime values. The carrying value of debt approximates fair value due to the variable nature of interest rates.

3. GOODWILL AND INTANGIBLE ASSETS, NET

Goodwill

During 2019, the Company allocated \$380.3 million and \$6.2 million of the goodwill recognized in connection with the Acquisition to its Medicare—Internal segment and Medicare—External segment, respectively, based on an estimate of the relative fair value of each reportable segment.

The Company tests goodwill for impairment at the reporting unit level annually and whenever events or circumstances make it more likely than not that an impairment may have occurred. A reporting unit is an operating segment or one level below an operating segment to which goodwill is assigned when initially recorded. The Company has four reporting units, which are the same as its four operating segments.

There was no impairment of goodwill for the three months ended March 31, 2021 and 2020.

The gross carrying amounts, accumulated amortization and net carrying amounts of the Company's definite-lived amortizable intangible assets, as well as its indefinite-lived intangible trade names, are as follows:

There was no impairment of intangible assets for the three months ended March 31, 2021 and 2020.

As of March 31, 2021, expected amortization expense related to intangible assets for each of the five succeeding years is as follows:

The Company's long-term debt consisted of the following:

(in thousands)	Mar. 31, 2021	Dec. 31, 2020
Credit Facilities	\$ 411,330	\$ 412,373
Less: Unamortized debt discount and issuance costs	(11,178)	(11,803)
Total debt	400,152	400,570
Less: Current portion of long-term debt	(4,170)	(4,170)
Total long-term-debt	\$ 395,982	\$ 396,400

On September 13, 2019, in connection with the Acquisition, Norvax ("the Borrower") entered into a first lien credit agreement (the "Credit Agreement") which provides for a (i) \$300.0 million aggregate principal amount senior secured term loan facility (the "Term Loan Facility") and (ii) \$30.0 million aggregate principal amount senior secured revolving credit facility (the "Revolving Credit Facility").

During 2020, the Company entered into a series of amendments to the Credit Agreement to provide for (i) \$117.0 million of incremental term loans (the "Incremental Term Loan Facility") and (ii) \$28.0 million of incremental revolving credit (the "Incremental Revolving Credit Facilities").

The Company collectively refers to the Term Loan Facility, the Revolving Credit Facility, the Incremental Term Loan Facility, and the Incremental Revolving Credit Facilities as the "Credit Facilities".

As of March 31, 2021, the Company had a principal amount of \$295.5 million and \$115.8 million outstanding on the Term Loan Facility and Incremental Term Loan Facility, respectively. The effective interest rate was 7.5% at both March 31, 2021 and December 31, 2020. The Company had no amounts outstanding on the Revolving Credit Facility and the Incremental Revolving Credit Facilities, which had a remaining capacity of \$58.0 million in the aggregate as of March 31, 2021.

Borrowings under the Credit Facilities are, at the option of the Borrower, either (i) alternate base rate ("ABR") plus 5.50% per annum or (ii) LIBOR plus 6.50% per annum. In addition to paying interest on the principal amounts outstanding under the Credit Facilities, the Borrower is required to pay a commitment fee of 0.50% per annum under the Revolving Credit Facility and Incremental Revolving Credit Facilities.

The Term Loan Facility and Incremental Term Loan Facility are payable in quarterly installments in the principal amount of 0.25% of the original principal amount. The remaining unpaid balance on the Term Loan Facility and Incremental Term Loan Facility, together with all accrued and unpaid interest thereon, is due and payable on or prior to September 13, 2025. Outstanding borrowings under the Revolving Credit Facility and the Incremental Revolving Credit Facilities do not amortize and are due and payable on September 13, 2024.

The Borrower's obligations under the Credit Facilities are guaranteed by Blizzard Midco, LLC and certain of the Borrower's subsidiaries. All obligations under the Credit Agreement are secured by a first priority lien on substantially all of the assets of the Borrower, including a pledge of all of the equity interests of its subsidiaries. The Credit Agreement contains customary events of default and financial and non-financial covenants. The Company is in compliance with all covenants as of March 31, 2021.

On May 7, 2021, the Company entered into a fourth amendment to the Credit Agreement, which provided \$142.0 million of incremental revolving credit (the "Incremental No. 4 Revolving Credit Facility"). Outstanding borrowings will be due and payable on September 13, 2024. Interest, fees, prepayment terms, covenants and other matters are the same as those under the Credit Facilities.

5. STOCKHOLDERS' EQUITY AND MEMBERS' EQUITY

In connection with the Company's IPO in July 2020, the Company's Board of Directors approved an amended and restated certificate of incorporation and amended and restated bylaws. The amended and restated certificate of incorporation authorizes the issuance of up to 1,100,000 shares of Class A common stock, 690,000 shares of Class B common stock and 20,000 shares of preferred stock, each having a par value of \$0.0001 per share. The number of shares of Class B common stock authorized is reduced for redemptions and forfeitures as they occur.

The Company's amended and restated certificate of incorporation and the GoHealth Holdings, LLC Agreement require that the Company and GoHealth Holdings, LLC at all times maintain a one-to-one ratio between the number of shares of Class A common stock issued by the Company and the number of LLC Interests owned by the Company, except as otherwise determined by the Company. Additionally, the Company's amended and restated certificate of incorporation and the GoHealth Holdings, LLC Agreement require that the Company and GoHealth Holdings, LLC at all times maintain a one-to-one ratio between the number of shares of Class B common stock owned by the Continuing Equity Owners and their respective permitted transferees and the number of LLC Interests owned by the Continuing Equity Owners and their respective permitted transferees, except as otherwise determined by the Company. Only the Continuing Equity Owners and the permitted transferees of Class B common stock are permitted to hold shares of Class B common stock. Shares of Class B common stock are transferable for shares of Class A common stock only together with an equal number of LLC Interests.

Holders of shares of the Company's Class A common stock are entitled to one vote for each share held of record on all matters submitted to a vote of stockholders. Each share of Class B common stock entitles its holders to one vote per share on all matters presented to the Company's stockholders generally. Holders of shares of Class B common stock will vote together with holders of the Company's Class A common stock as a single class on all matters presented to the Company's stockholders for their vote or approval, except for certain amendments to the Company's amended and restated certificate of incorporation or as otherwise required by applicable law or the amended and restated certificate of incorporation. Holders of our Class B common stock are not entitled to participate in any dividends declared by our board of directors. Under the terms of the Company's amended and restated certificate of incorporation, the Company's board of directors is authorized to direct the Company to issue shares of preferred stock in one or more series without stockholder approval. The Company's board of directors has the discretion to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock.

The Continuing Equity Owners may, subject to certain exceptions, from time to time at each of their options require GoHealth Holdings, LLC to redeem all or a portion of their LLC Interests in exchange for, at the Company's election (determined by at least two of the Company's independent directors who are disinterested), newly-issued shares of Class A common stock on a one-for-one basis, or to the extent there is cash available from a secondary offering, a cash payment equal to a volume weighted average market price of one share of the Company's Class A common stock for each LLC Interest so redeemed, in each case, in accordance with the terms of the GoHealth Holdings, LLC Agreement.

The weighted average ownership percentages for the applicable reporting periods are used to attribute net income (loss) and other comprehensive income (loss) to the Company and the non-controlling interest holders. The non-controlling interest holders' weighted average ownership percentage for the three months ended March 31, 2021 and as of December 31, 2020 was 71.2% and 73.8%, respectively.

Upon the Company's dissolution or liquidation, after payment in full of all amounts required to be paid to creditors and to the holders of preferred stock having liquidation preferences, if any, holders of Class A common stock and Class B common stock will be entitled to receive ratable portions of the Company's remaining assets available for distribution; provided, that the holders of Class B common stock shall not be entitled to receive more than \$0.0001 per share of Class B common stock and upon receiving such amount, shall not be entitled to receive any of the Company's other assets or funds with respect to such shares of Class B common stock.

6. SHARE-BASED COMPENSATION PLANS

The following table summarizes share-based compensation expense by operating function for the periods presented:

(in thousands)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Marketing and advertising	\$ 337	\$ 57
Customer care and enrollment	796	24
Technology	747	73
General and administrative	3,232	325
Total share-based compensation expense	\$ 5,112	\$ 479

Performance Stock Units ("PSUs")

During the three months ended March 31, 2021, the Company granted to certain of its employees 489 shares of Class A common stock issuable pursuant to PSUs. The criteria for the market-based PSUs is based on the Company's total shareholder return ("TSR") relative to the TSR of the common stock of a pre-defined industry peer group. TSR is measured at the end of the performance period, which is generally the period commencing on the grant date and ending on the three-year anniversary of the grant date. Depending on the relative TSR achieved, the number of PSUs earned can vary from 0% of the target award to a maximum of 200% of the target award. The Company estimated the grant-date fair value of the awards subject to a market condition using a Monte Carlo simulation model, using the following weighted-average assumptions: risk-free interest rate of 0.2% and annualized volatility of 72.0%. The grant date fair value of the PSUs was \$22.17. The Company recognizes the grant date fair value of PSUs as compensation expense on a straight-line basis over the three-year performance period. For the three months ended March 31, 2021, the Company recorded share-based compensation expense related to PSUs of \$0.5 million.

2020 Employee Stock Purchase Plan ("2020 ESPP")

On July 7, 2020, the Company adopted the 2020 ESPP. The first offering period of the 2020 ESPP commenced on January 1, 2021, and will expire on June 30, 2021. The purpose of the 2020 ESPP is to provide the Company's eligible employees with an opportunity to purchase designated shares of the Company's Class A common stock at a price equal to 85% of the lower of the closing price at the beginning or end of each offering period. As of March 31, 2021, the Company had not issued any shares through the ESPP and recorded share-based compensation expense related to the 2020 ESPP of \$0.1 million.

7. NET LOSS PER SHARE

Basic loss per share is computed by dividing net loss attributable to GoHealth, Inc. by the weighted-average number of shares of Class A common stock outstanding during the period. Diluted loss per share is computed giving effect to all potentially dilutive shares. Diluted loss per share for all periods presented is the same as basic loss per share as the inclusion of potentially issuable shares would be antidilutive.

Prior to the IPO, the GHH, LLC membership structure included Preferred units, Senior Preferred Earnout Units, Class A common units, Class B common units and Profit Units. The Company analyzed the calculation of earnings per unit for periods prior to the IPO using the two-class method and determined that it resulted in values that would not be meaningful to the users of these Condensed Consolidated Financial Statements. Therefore, earnings per share information has not been presented for periods prior to the IPO on July 17, 2020.

A reconciliation of the numerator and denominator used in the calculation of basic and diluted net loss per share of Class A common stock is as follows:

(in thousands, except per share amounts)	Three months ended Mar. 31, 2021
Numerator:	
Net loss	\$ (7,268)
Less: Net loss attributable to non-controlling interests	(5,178)
Net loss attributable to GoHealth, Inc.	(2,090)
Denominator:	
Weighted-average shares of Class A common stock outstanding—basic	92,343
Effect of dilutive securities	—
Weighted-average shares of Class A common stock outstanding—diluted	92,343
Net loss per share of Class A common stock—basic and diluted	\$ (0.02)

The following number of shares were excluded from the calculation of diluted loss per share because the effect of including such potentially dilutive shares would have been antidilutive:

(in thousands)	Three months ended Mar. 31, 2021
Class A common stock issuable pursuant to equity awards	6,539
Class B common stock	222,606

Shares of Class B common stock do not share in earnings and are not participating securities. Accordingly, separate presentation of loss per share of Class B common stock under the two-class method has not been presented.

For periods prior to the Transactions and the IPO, the reported income taxes represent those of GHH, LLC. As a result of the Transactions and the IPO, the Company became subject to U.S. federal and certain state and local income taxes with respect to its allocable share of any taxable income or loss generated by GHH, LLC. There was no pro forma impact on loss per share to reflect income tax expense at an effective tax rate as the Company determined it is not more likely than not that the tax benefits associated with the deferred tax assets arising from the Transactions and the IPO will be realized.

8. INCOME TAXES

The Company is taxed as a corporation for income tax purposes and is subject to federal, state, and local taxes on the income allocated to it from GHH, LLC based upon the Company's economic interest in GHH, LLC. The Company is the sole managing member of GHH, LLC and, as a result, consolidates the financial results of GHH, LLC. GHH, LLC is a limited liability company taxed as a partnership for income tax purposes, and the subsidiaries of GHH, LLC are limited liability companies for income tax purposes except for a subsidiary and its foreign subsidiary, which are taxed as a corporation and foreign disregarded entity, respectively. As such, GHH, LLC does not pay any federal income taxes, as income or loss is included in the tax returns of the individual members. Additionally, certain wholly-owned entities taxed as corporations are subject to federal, state, and foreign income taxes in the jurisdictions in which they operate, and accruals for such taxes are included in the Condensed Consolidated Financial Statements. For periods prior to the IPO, the Company's taxes represent those of GHH, LLC.

The Company's effective tax rate for the three months ended March 31, 2021 and 2020 was 0.42% and 0.21%, respectively. The effective tax rate for each period is lower than the statutory tax rate primarily due to the effect of loss entities for which the Company excludes from its effective tax rate calculation and loss attributable to non-controlling interests.

Tax Receivable Agreement ("TRA")

In connection with the IPO, the Company entered into a TRA with GHH, LLC, the Continuing Equity Owners and the Blocker Shareholders that will provide for the payment by the Company to the Continuing Equity Owners and the Blocker Shareholders of 85% of the amount of tax benefits, if any, that the Company actually realizes (or in some circumstances is deemed to realize). The amounts payable under the TRA will vary depending upon a number of factors, including the amount, character, and timing of the taxable income of the Company in the future. As of March 31, 2021, the Company has determined there is no resulting liability related to the TRA arising from the Transactions and IPO. Should the Company determine that the TRA liability be considered probable at a future date based on new information, any changes will be recorded within income tax expense (benefit) at that time.

9. REVENUE

Revenue Recognition for Variable Consideration

The Company's variable consideration includes the total estimated lifetime value ("LTV") it expects to receive for selling an insurance product after the carrier approves an application. The consideration is variable based on the amount of time it estimates a policy will remain in force, which is based on historical experience or carrier experience to the extent available, industry data, and expectations as to future retention rates. Additionally, the Company considers the application of a constraint and only recognizes the amount of variable consideration that it believes is probable that it will be entitled to receive and will not be subject to a significant revenue reversal in the future.

On a quarterly basis, the Company re-estimates LTV at a vintage level for outstanding vintages, reviews and monitors changes in the data used to estimate LTV, as well as the cash received for each vintage as compared to the original estimates. The difference between cash received for each vintage and the respective estimated LTV can be significant and may or may not be indicative of the need to adjust revenue for prior period vintages. Changes in LTV may result in an increase or a decrease to revenue and a corresponding change to commissions receivable. The Company analyzes these differences and to the extent the Company believes differences in the estimates are indicative of a change to prior period LTVs, the Company will adjust revenue for the affected vintages at the time such determination is made and when it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur. As a result of this analysis, for the three months ended March 31, 2021, the Company recorded a negative revenue adjustment of \$2.2 million relating to performance obligations satisfied in prior periods. For the three months ended March 31, 2020, there was no revenue adjustment relating to performance obligations satisfied in prior periods.

Disaggregation of Revenue

The table below depicts the disaggregation of revenue by product, and is consistent with how the Company evaluates its financial performance:

(in thousands)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Commission revenue:		
<i>Medicare:</i>		
Medicare Advantage	\$ 168,148	\$ 99,291
Medicare Supplement	784	2,189

10. COMMITMENTS AND CONTINGENCIES

Leases

The Company is party to various non-cancelable operating lease agreements for certain of the Company's offices and data centers with lease periods expiring in 2032. Certain of these arrangements have free rent periods or escalating rent payment provisions, and the Company recognizes rent expense under such arrangements on a straight-line basis.

Legal Proceedings

In September 2020, three purported securities class action complaints were filed in the United States District Court for the Northern District of Illinois against the Company, certain of its officers and directors, and certain underwriters, private equity firms, and investment vehicles alleging violations of the Securities Act of 1933. On December 10, 2020 the court in the earliest filed action consolidated the three complaints, appointed lead plaintiffs and lead counsel for the consolidated action, and captioned the consolidated action In re GoHealth, Inc. Securities Litigation. Lead plaintiffs filed a consolidated complaint on February 25, 2021. Defendants filed responsive pleadings on April 26, 2021 to dismiss the complaint. The Company disputes each and every of plaintiffs' claims and intends to defend the matter vigorously.

11. RELATED PARTY TRANSACTIONS

The Company is party to various lease agreements with 214 W Huron LLC, 220 W Huron Street Holdings LLC, and 215 W Superior LLC, each of which are controlled by significant shareholders, to lease its corporate offices in Chicago, Illinois. This lease agreement expires ten years after the commencement date. The Company did not make any lease payments during the three months ended March 31, 2021 under this lease. The initial base annual rent will be approximately \$4.6 million beginning in mid-2022.

12. OPERATING SEGMENTS AND SIGNIFICANT CUSTOMERS

Operating Segments

The Company reports segment information based on how the Company's chief operating decision maker ("CODM") regularly reviews operating results, allocates resources and makes decisions regarding business operations. The performance measures of the segments include total revenue and profit (loss). For segment reporting purposes in accordance with ASC 280-10, *Segment Reporting*, the Company's business structure is comprised of four operating and reportable segments:

Medicare Internal and External: The Medicare internal and external segments consist primarily of revenues earned from sales of Medicare Advantage, Medicare Supplement, Prescription Drug Plans, and Medicare Special Needs Plans (or "SNPs"), for multiple carriers.

Individual and Family Plan and Other ("IFP and Other") Internal and External: The IFP and Other internal and external segments consist primarily of revenues earned from sales of individual and family plans, dental plans, vision plans and other ancillary plans to individuals that are not Medicare-eligible.

The Internal and External segments relative to both Medicare and IFP are defined as follows:

Internal: The two internal segments primarily consist of sales of products and plans by Company-employed agents offering qualified prospects plans from multiple carriers, Company-employed agents offering qualified prospects plans on a carrier-specific basis, or sales of products and plans through our online platform without the assistance of our agents (do-it-yourself or "DIY"). The Company earns revenue in this channel through commissions paid by carriers based on sales the Company generates, as well as enrollment fees, hourly fees and other fees for services performed for specific carriers and other partners.

External: The two external segments represent sales of products and plans under the Company's carrier contracts using an independent, national network of agents who are not employed by the Company. These agents utilize the Company's technology and platform to enroll consumers in health insurance plans and provide a means to earn a return on leads that otherwise may have not been addressed. The Company also sells insurance prospects (or "leads") to agencies within this channel. The Company earns revenue in this channel through commissions paid by carriers as a result of policy sales, as well as sales of leads to external agencies.

The following table presents summary results of the Company's operating segments for the periods indicated:

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATIONS.

This section presents management's perspective on our financial condition and results of operations. The following discussion and analysis is intended to highlight and supplement data and information presented elsewhere in this Quarterly Report on Form 10-Q, including the Condensed Consolidated Financial Statements and related Notes, and should be read in conjunction with the accompanying tables. To the extent that this discussion describes prior performance, the descriptions relate only to the periods listed, which may not be indicative of our future financial outcomes. In addition to historical information, this discussion contains forward-looking statements that involve risks, uncertainties and assumptions that could cause results to differ materially from management's expectations. Factors that could cause such differences are discussed under the heading "Cautionary Note Regarding Forward-Looking Statements" in this Quarterly Report on Form 10-Q and under the heading "Item 1A. Risk Factors." in the 2020 Form 10-K. We assume no obligation to update any of these forward-looking statements.

In certain cases, numbers and percentages in the tables below may not foot due to rounding.

Overview

We are a leading health insurance marketplace and Medicare-focused digital health company whose mission is to improve access to healthcare in America. Our proprietary technology platform leverages modern machine-learning algorithms powered by nearly two decades of insurance behavioral data to reimagine the optimal process for helping individuals find the best health insurance plan for their specific needs. Our differentiated combination of a vertically-integrated consumer acquisition platform and highly skilled and trained agents has enabled us to enroll millions of people in Medicare and individual and family plans since our inception. With a current commissionable market of nearly \$30 billion, and nearly 11,000 Americans turning 65 years old every day and our track record of significant growth in net revenues in the Medicare space in the past five years, we believe we will continue to be one of the top choices for unbiased insurance advice to help navigate one of the most important purchasing decisions individuals make.

Business Segments

We have four reportable segments: (i) Medicare—Internal, (ii) Medicare—External, (iii) Individual and Family Plans, or IFP and Other—Internal and (iv) IFP and Other—External. We organize the segments by product type, Medicare and IFP and Other, as well as by distribution channel, internal and external, as further described below. In addition, we separately report other expenses (classified as "Corporate expenses" in our financial statements), the primary components of which are corporate overhead expenses and shared service expenses that have not been allocated to the operating segments. The segment results provided herein may not be comparable to other companies. We refer to the Medicare—Internal and Medicare—External segments collectively as the "Medicare segments" and the IFP and Other—Internal and IFP and Other—External segments as the "IFP and Other segments."

- **Medicare—Internal:** The Medicare—Internal segment relates to sales of products and plans by GoHealth-employed agents offering qualified prospects plans from multiple carriers, GoHealth-employed agents offering qualified prospects plans on a carrier-specific basis, or sales of products and plans through our online platform without the assistance of our agents, which we refer to as DIY. In this segment, we sell Medicare Advantage, Medicare Supplement, Medicare prescription drug plans, and Medicare Special Needs Plans, or SNPs. We earn revenue in this segment through commissions paid by carriers based on sales we generated, as well as enrollment fees, hourly fees and other fees for services performed for specific carriers and other partners. The Medicare—Internal segment is our largest and fastest growing segment.
- **Medicare—External:** The Medicare—External segment relates to sales of products and plans under GoHealth's carrier contracts using an independent, national network of agents or external agencies, which are not employed by GoHealth. These agents utilize our technology and platform to enroll consumers in health insurance plans and provide us with a means to earn a return on leads that otherwise may have not been addressed. In this segment, we sell Medicare Advantage, Medicare Supplement, Medicare prescription drug plans, and SNPs. We earn revenue in this segment through commissions paid by carriers as a result of policy sales, as well as sales of consumer leads to external agencies.
- **IFP and Other—Internal:** The IFP and Other—Internal segment relates to sales of products and plans by GoHealth-employed agents offering qualified prospects plans from multiple carriers, GoHealth-employed agents offering qualified prospects plans on a carrier-specific basis, or DIY. In this segment, we sell individual and family plans, dental plans, vision plans and other ancillary plans to individuals who are not Medicare-eligible. We earn revenue in this segment through commissions paid by carriers based on sales we generate, as well as enrollment fees, and hourly fees and other fees for services performed for specific carriers and other partners.
- **IFP and Other—External:** The IFP and Other—External segment relates to sales of products and plans under GoHealth's carrier contracts using external agencies, who use agents that are not employed by GoHealth. These agents utilize our technology and platform to enroll consumers in health insurance plans. We also sell consumer leads

generated by us to external agencies. In this segment, we sell individual and family plans, dental plans, vision plans and other ancillary plans to individuals who are not Medicare-eligible. We earn revenue in this segment through commissions paid by carriers as a result of policy sales, as well as sales of consumer leads to external agencies.

Although we have a minority economic interest in GoHealth Holdings, LLC, we have the sole voting interest in, and control of the business and affairs of, GoHealth Holdings, LLC and its direct and indirect subsidiaries. As a result, GoHealth, Inc. consolidates GoHealth Holdings, LLC and records significant non-controlling interest in a consolidated entity in GoHealth, Inc.'s Condensed Consolidated Financial Statements for the economic interest in GoHealth Holdings, LLC held directly or indirectly by the Continuing Equity Owners. As of March 31, 2021, public investors collectively own 58.7% of our outstanding Class A common stock, consisting of 57,835 shares of Class A common stock. The percentage ownership of total shares of Class A and Class B common stock issued and outstanding as of March 31, 2021, is as follows:

GoHealth, Inc. is subject to U.S. federal, state and local income taxes with respect to our allocable share of any taxable income of GoHealth Holdings, LLC and is taxed at the prevailing corporate tax rates. In addition to tax expenses, we also incur expenses related to our status as a public company, plus payment obligations under the Tax Receivable Agreement, which could be significant. We intend to cause GoHealth Holdings, LLC to make distributions to us in an amount sufficient to allow us to pay these expenses and fund any payments due under the Tax Receivable Agreement.

Response to COVID-19

With social distancing measures having been implemented to curtail the spread of COVID-19, we successfully transitioned our agents and other employees to a work from home working environment. We believe the investments we have made in our technology infrastructure have allowed for a seamless transition to a remote working environment without any material impacts to our business, highlighting its resilience. We believe that our business is well-suited to navigate the current environment in which consumers are particularly focused on healthcare issues and mortality. While social distancing requirements have pushed consumers to conduct business remotely, the underlying demand dynamics for our core products remain unchanged. Additionally, because of our remote agent platform, we believe agents will continue to be attracted to our bonus-based agent compensation model and the stable and attractive source of income it can provide, thereby allowing us to continue to recruit and retain agents. Further, as consumers become more comfortable with conducting business remotely, we believe consumer adoption of distribution models such as ours may continue to accelerate long after the COVID-19 pandemic ends.

As a result of the COVID-19 pandemic, we have fully transitioned our existing agents in Chicago, Salt Lake City and Charlotte to work from home. Additionally, we have hired agents in 22 states who are working remotely. These locations were selected because of the depth of available licensed sales talent and our ability to work closely with state regulators and their vendors to expedite the licensing process for new agents and resolve delays related to the COVID-19 pandemic.

There are no comparable recent events which may provide guidance as to the effect of the spread of COVID-19 and a global pandemic, and, as a result, the ultimate impact of the COVID-19 outbreak or a similar health epidemic is highly uncertain and subject to change. We do not yet know the full extent of the impacts on our business, our operations or the global economy as a whole. However, the effects could have a material impact on our results of operations.

EBITDA, Adjusted EBITDA and Adjusted EBITDA Margin

We use supplemental measures of our performance that are derived from our consolidated financial information, but which are not presented in our Condensed Consolidated Financial Statements prepared in accordance with GAAP. These non-GAAP financial measures include net income (loss) before interest expense, income tax expense (benefit) and depreciation and amortization expense, or EBITDA; Adjusted EBITDA and Adjusted EBITDA margin. Adjusted EBITDA is the primary financial performance measure used by management to evaluate its business and monitor its results of operations.

Adjusted EBITDA represents EBITDA as further adjusted for share-based compensation, legal fees, change in fair value of contingent consideration liability and severance costs. Adjusted EBITDA margin represents Adjusted EBITDA divided by net revenues.

We use non-GAAP financial measures to supplement financial information presented on a GAAP basis. We believe that excluding certain items from our GAAP results allows management to better understand our consolidated financial performance from period to period and better project our future consolidated financial performance as forecasts are developed at a level of detail different from that used to prepare GAAP-based financial measures. Moreover, we believe these non-GAAP financial measures provide our stakeholders with useful information to help them evaluate our operating results by facilitating an enhanced understanding of our operating performance and enabling them to make more meaningful period to period comparisons. There are limitations to the use of the non-GAAP financial measures presented in this Quarterly Report on Form 10-Q. For example, our non-GAAP financial measures may not be comparable to similarly titled measures of other companies. Other companies, including companies in our industry, may calculate non-GAAP financial measures differently than we do, limiting the usefulness of those measures for comparative purposes.

The non-GAAP financial measures are not meant to be considered as indicators of performance in isolation from or as a substitute for net income (loss) prepared in accordance with GAAP, and should be read only in conjunction with financial information presented on a GAAP basis. Reconciliations of each of EBITDA and Adjusted EBITDA to its most directly comparable GAAP financial measure, net income (loss), are presented in the tables below in this Quarterly Report on Form 10-Q. We

encourage you to review the reconciliations in conjunction with the presentation of the non-GAAP financial measures for each of the periods presented. In future periods, we may exclude similar items, may incur income and expenses similar to these excluded items and include other expenses, costs and non-recurring items.

The following table sets forth the reconciliations of GAAP net income (loss) to EBITDA and Adjusted EBITDA for the periods presented:

(in thousands)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020

Net Revenues

Commission Revenues

Commission revenues were \$174.0 million for the three months ended March 31, 2021 compared to \$112.5 million for the three months ended March 31, 2020. The \$61.5 million, or 55%, increase was primarily attributable to increases in commission revenue from the Medicare—Internal segment driven by a 52% increase in Medicare commissionable Approved Submissions and increased LTV Per Approved Submission for the three months ended March 31, 2021 compared to the comparable prior year period.

Enterprise Revenues

Enterprise revenues were \$30.2 million for the three months ended March 31, 2021 compared to \$28.5 million for the three months ended March 31, 2020. The \$1.7 million, or 6%, increase was primarily attributable to an increase of \$4.5 million related to partner marketing and enrollment services, partially offset by a \$3.3 million decrease in consumer lead sales to external third parties in our external segments, as we strategically shifted to generating consumer leads in the internal channels.

Operating Expense

Cost of Revenue

Cost of revenue was \$48.4 million for the three months ended March 31, 2021 compared to \$42.1 million for the three months ended March 31, 2020. The \$6.2 million, or 15%, increase was primarily attributable to a 26% increase in commissionable Approved Submissions in the Medicare—External segment, which increased the amount of expense we recognized pursuant to our revenue-sharing agreements with external agents and other partners.

Marketing and Advertising

Marketing and advertising expense was \$54.5 million for the three months ended March 31, 2021 compared to \$26.1 million for the three months ended March 31, 2020. The \$28.4 million, or 109%, increase was primarily attributable to an increase in our advertising costs for the Medicare—Internal segment to generate more qualified prospects, which contributed to a 52% increase in Medicare—Internal commissionable Approved Submissions and 45% increase in net revenue.

Customer Care and Enrollment

Customer care and enrollment expense was \$47.1 million for the three months ended March 31, 2021 compared to \$24.0 million for the three months ended March 31, 2020. The \$23.1 million, or 96%, increase was primarily attributable to the hiring of additional agents in the Medicare—Internal segment to be well-positioned for target annual enrollment period (“AEP”) capacity. Additionally, the increase represents onboarding and new training initiatives, which position us to have the agent efficiency gains necessary to capitalize on opportunities.

Technology

Technology expense was \$9.6 million for the three months ended March 31, 2021 compared to \$4.6 million for the three months ended March 31, 2020. The \$5.0 million, or 109%, increase was primarily attributable to the hiring of additional employees in our technology and data science teams, and the expansion of our business intelligence and analytics staffing in order to support the growth of the Medicare—Internal segment.

General and Administrative

General and administrative expense was \$19.7 million for the three months ended March 31, 2021 compared to \$10.5 million for the three months ended March 31, 2020. The \$9.2 million, or 88%, increase was primarily attributable to investments in corporate infrastructure, such as legal, human resources, and finance, to support general growth and implement the corporate resources needed to support a post-IPO business.

Change in Fair Value of Contingent Consideration Liability

Change in fair value of contingent consideration liability was \$4.4 million for the three months ended March 31, 2020 and relates to the earnout liability incurred in connection with the Centerbridge Acquisition, in which we agreed to pay additional consideration if certain financial targets are achieved. The earnout liability was settled in connection with our IPO.

Amortization of Intangible Assets

Amortization of intangible assets expense was \$23.5 million for both the three months ended March 31, 2021 and three months ended March 31, 2020, and relates to the amortization of developed technology and customer relationships.

Interest Expense

Interest expense was \$8.7 million for the three months ended March 31, 2021 compared to \$6.8 million for the three months ended March 31, 2020. The \$1.9 million increase was due to additional debt outstanding on our Credit Facilities.

Adjusted EBITDA

Adjusted EBITDA was \$32.0 million for the three months ended March 31, 2021 compared to \$34.9 million for the three months ended March 31, 2020. The \$2.9 million, or 8.2%, decrease was due to our strategic investments in agent capacity and capabilities to be well-positioned for target AEP capacity.

Segment Information

Our operating segments have been determined in accordance with Accounting Standards Codification ("ASC") 280, *Segment Reporting*. We have four operating segments: Medicare—Internal, Medicare—External, IFP and Other—Internal, and IFP and Other—External. In addition, we separately report other expenses (classified as "corporate expense" in the following table), the primary components of which are corporate overhead expenses and shared service expenses that have not been allocated to the operating segments, as they are not the responsibility of segment operating management. The segment measurements provided to and evaluated by the chief operating decision maker are described in Note 12, "Operating Segments And Significant Customers," to the Condensed Consolidated Financial Statements in this Quarterly Report on Form 10-Q.

Net revenues for the Medicare—Internal segment were \$157.4 million for the three months ended March 31, 2021 compared to \$95.3 million for the three months ended March 31, 2020. The \$62.1 million, or 65%, increase was primarily attributable to the hiring of additional agents, the increased utilization and efficiency of our agents and the implementation of new marketing strategies to generate a greater number of qualified prospects, which contributed to a 52% increase in commissionable Approved Submissions.

Net revenues for the Medicare—External segment were \$39.5 million for the three months ended March 31, 2021 compared to \$28.9 million for the three months ended March 31, 2020. The \$10.6 million, or 36%, increase was primarily attributable to a 26% increase in commissionable Approved Submissions in the Medicare—External segment due to our ability to recruit and onboard additional external agents to enroll consumers in Medicare plans using our technology and platform.

Net revenues for the IFP and Other—Internal segment were \$4.0 million for the three months ended March 31, 2021 compared to \$8.6 million for the three months ended March 31, 2020. Net revenues for the IFP and Other—External segment were \$3.4 million for the three months ended March 31, 2021 compared to \$8.1 million for the three months ended March 31, 2020. For each of the IFP and Other segments, the decreases were primarily driven by a change in product mix sold, as well as a strategic shift towards higher margin Medicare products.

Segment Profit (Loss)

Segment profit for the Medicare—Internal segment was \$46.4 million for the three months ended March 31, 2021 compared to \$41.7 million for the three months ended March 31, 2020. The \$4.7 million, or 11%, increase was primarily attributable to the 52% increase of Medicare commissionable Approved Submissions, which was primarily attributable to (i) improvements in our LeadScore and call-routing technologies allowing our agents to successfully convert more qualified prospects into Submitted Policies and (ii) improved marketing efficiencies driven by our rapid test-and-learn approach across our marketing channels, as well as an expansion of the diversity and breadth of our omnichannel marketing efforts, which together enabled the acquisition of higher quality prospects.

Segment loss for the Medicare—External segment was \$0.6 million for the three months ended March 31, 2021 compared to a loss of \$0.3 million for the three months ended March 31, 2020. The increase in loss was primarily attributable to an increase in marketing and advertising costs.

Segment loss for the IFP and Other—Internal segment was \$0.7 million for the three months ended March 31, 2021 compared to a profit of \$0.5 million for the three months ended March 31, 2020. The change was primarily attributable to a change in product mix sold by agents for IFP and Other plans, as well as an overall strategic shift towards higher margin Medicare products.

Segment profit for the IFP and Other—External segment was \$0.2 million for the three months ended March 31, 2021 compared to \$0.5 million for the three months ended March 31, 2020. The change was primarily attributable to a change in product mix sold by external agencies, as well as an overall strategic shift towards higher margin Medicare products.

Key Business and Operating Metrics by Segment

In addition to traditional financial metrics, we rely upon certain business and operating metrics to evaluate our business performance and facilitate our operations. Below are the most relevant business and operating metrics for each segment, except for EBITDA and Adjusted EBITDA, which are not presented on a segment basis.

Medicare Segments

Lifetime Value of Commissions per Consumer Acquisition Cost

Lifetime value of commissions per consumer acquisition cost ("LTV/CAC"), represents (i) aggregate commissions estimated to be collected over the estimated life of all commissionable Approved Submissions for the relevant period based on multiple factors, including but not limited to, contracted commission rates, carrier mix and expected policy persistency with applied constraints, or LTV, divided by (ii) the cost to convert a qualified prospect into a Submitted Policy (comprised of cost of revenue, marketing and advertising expenses and customer care and enrollment expenses) less other non-commission carrier revenue for such period, or "CAC." CAC is comprised of cost of revenue, marketing and advertising expenses and customer care and enrollment expenses less enterprise revenue and is presented on a per commissionable Approved Submission basis. The estimate of the future renewal commissions is determined by using the contracted renewal commission rates constrained by a persistency-adjusted renewal period. The persistency-adjusted renewal period is determined based on our historical experience and available industry and insurance carrier historical data. Persistency-adjustments allow us to estimate renewal revenue only to the extent probable that a material reversal in revenue would not be expected to occur. These factors may result in varying values from period to period.

The LTV/CAC for the Medicare—Internal segment was 1.7x (with a CAC of \$75.2 million) for the three months ended March 31, 2021 compared to 2.7x (with a CAC of \$26.7 million) for the three months ended March 31, 2020. The decrease in LTV/CAC was primarily attributable to the hiring and training of additional agents in the Medicare—Internal segment to be well-positioned for target AEP capacity, as well as an increase in our advertising costs for the Medicare—Internal segment to generate more qualified prospects, which contributed to a 52% increase in Medicare—Internal commissionable Approved Submissions and 65% increase in Medicare—Internal revenue.

Submitted Policies

Submitted Policies represent completed applications that, with respect to each such application, the consumer has authorized us to submit to the carrier. The applicant may need to take additional actions, including providing subsequent information before the application is reviewed by the carrier.

The following table presents the number of Submitted Policies by product for the Medicare segments for the periods presented, split between those submissions that are commissionable (compensated through commissions received from carriers) and those that are non-commissionable (compensated via hourly fees and enrollment fees):

(in actuals)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Medicare Advantage	172,874	117,312
Medicare Supplement	1,104	2,671
Prescription Drug Plans	2,593	2,494
Total Medicare—Commissionable	176,571	122,477
Medicare Advantage	5,939	6,927
Medicare Supplement	1,650	1,812
Prescription Drug Plans	885	798
Total Medicare—Non-commissionable	8,474	9,537
Total Medicare Submitted Policies	185,045	132,014

Total Medicare Submitted Policies were 185,045 for the three months ended March 31, 2021 and 132,014 for the three months ended March 31, 2020. The increase is attributable to improved multichannel marketing strategies that allowed us to generate a greater number of high quality prospects, along with increased efficiency of our agents. Agent efficiency increased due to the implementation of more efficient marketing strategies and improvements in our LeadScore and call-routing technologies, which allowed our agents to increase the number of qualified prospects they are able to talk to and improve the rate at which a qualified prospect converts to a Submitted Policy. Additionally, the successful hiring, onboarding, and training of additional agents contributed to the increase in Submitted Policies. We were also able to drive an increase in total Submitted Policies in the Medicare—External segment due to our ability to recruit and onboard additional external agents to enroll consumers in Medicare plans using our technology and platform.

Approved Submissions

Approved Submissions represent Submitted Policies approved by carriers for the identified product during the indicated period. Not all Approved Submissions will go in force, or effectuate, as some individuals we enroll may not ultimately pay their insurance premiums or may switch out of a policy within the disenrollment period during the first 90 days of the policy. In general, the relationship between Submitted Policies and Approved Submissions has been steady over time. Therefore, factors impacting the number of Submitted Policies also impact the number of Approved Submissions.

The following tables present the number of Approved Submissions by product relating to commissionable policies for each of the Medicare segments for the periods presented. Only commissionable policies are used to calculate our LTV.

Medicare—Internal

(in actuals)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Medicare Advantage	128,886	83,608
Medicare Supplement	251	822
Prescription Drug Plans	2,284	2,174
Total Medicare—Internal Commissionable Approved Submissions	131,421	86,604

Medicare—Internal commissionable Approved Submissions were 131,421 for the three months ended March 31, 2021 and 86,604 for the three months ended March 31, 2020. The increase was attributable to the hiring of additional agents, the increased efficiency of our agents due to technology improvements and improved multichannel marketing strategies that allowed us to generate a greater number of high quality prospects.

Medicare—External

(in actuals)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Medicare Advantage	42,241	32,287
Medicare Supplement	731	1,558
Prescription Drug Plans	289	481
Total Medicare—External Commissionable Approved Submissions	43,261	34,326

Medicare—External commissionable Approved Submissions were 43,261 for the three months ended March 31, 2021 and 34,326 for the three months ended March 31, 2020. The increase in Medicare—External commissionable Approved Submissions was attributable to our ability to recruit and onboard additional external agents to enroll consumers in Medicare plans.

Lifetime Value of Commissions Per Approved Submission

Lifetime value of commissions per commissionable Approved Submission ("LTV Per Approved Submission"), represents (i) aggregate commissions estimated to be collected over the estimated life of all commissionable Approved Submissions for the relevant period based on multiple factors, including but not limited to, contracted commission rates, carrier mix and expected policy persistency with applied constraints, divided by (ii) the number of commissionable Approved Submissions for such period. LTV Per Approved Submission is equal to the sum of the commission revenue due upon the initial sale of a policy, and when applicable, an estimate of future renewal commissions per commissionable Approved Submissions. The estimate of the future renewal commissions is determined by using the contracted renewal commission rates constrained by a persistency-adjusted renewal period. The persistency-adjusted renewal period is determined based on our historical experience and available industry and carrier historical data. Persistency-adjustments allow us to estimate renewal revenue only to the extent probable that a material reversal in revenue would not be expected to occur. These factors may result in varying values from period to period. LTV Per Approved Submission represents commissions only from policies sold during the period, but excludes policies originally submitted in prior periods.

The following table presents the LTV Per Approved Submission by product for the Medicare segments for the periods presented:

(in actuals)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Medicare Advantage	\$ 995	\$ 854
Medicare Supplement	\$ 798	\$ 920
Prescription Drug Plans	\$ 215	\$ 215

LTV Per Approved Submission for Medicare Advantage was \$995 for the three months ended March 31, 2021 and \$854 for the three months ended March 31, 2020. The 17% increase was primarily due to an increase in commission rates and improved policy effectuation.

LTV Per Approved Submission for Medicare Supplement was \$798 for the three months ended March 31, 2021 and \$920 for the three months ended March 31, 2020. The decrease was primarily due to changes in carrier mix.

LTV Per Approved Submission for prescription drug plans was \$215 for the three months ended March 31, 2021, which was unchanged compared to the three months ended March 31, 2020.

IFP and Other Segments

Submitted Policies

Submitted Policies represent the number of completed applications that, with respect to each such application, the consumer has authorized us to submit to the carrier. The applicant may need to take additional actions, including providing subsequent information before the application is reviewed by the carrier.

Total Submitted Policies for the IFP and Other segments were 16,824 for the three months ended March 31, 2021 and 38,002 for the three months ended March 31, 2020. The decrease was due to a change in strategy to prioritize agents and marketing and advertising spend in the higher margin Medicare segments instead of the IFP and Other segments.

Liquidity and Capital Resources

Overview

Our liquidity needs primarily include working capital and debt service requirements. At March 31, 2021, cash and cash equivalents totaled \$174.0 million. On July 17, 2020, we completed our IPO, which resulted in the issuance and sale of 43,500 shares of common stock at the IPO price of \$21.00, and generated net proceeds of \$852.4 million after deducting underwriting discounts and other offering costs. We believe that our current sources of liquidity, which include cash and cash equivalents and funds available under the Credit Facilities, as described further below, will be sufficient to meet our projected operating and debt service requirements for at least the next 12 months. Short-term liquidity needs will primarily be funded through the Revolving Credit Facilities, as described further below, if necessary. As of March 31, 2021, we had no amounts outstanding under the Revolving Credit Facilities and had a remaining capacity of \$58.0 million. To the extent that our current liquidity is insufficient to fund future activities, we may need to raise additional funds, which may include the sale of equity securities or through debt financing arrangements. The incurrence of additional debt financing would result in debt service obligations, and any future instruments governing such debt could provide for operating and financing covenants that could restrict our operations.

The following table presents a summary of cash flows for the three months ended March 31, 2021 and 2020 :

(in thousands)	Three months ended Mar. 31, 2021	Three months ended Mar. 31, 2020
Net cash provided by operating activities	\$ 31,202	\$ 23,587
Net cash used in investing activities	\$ (3,740)	\$ (3,522)
Net cash provided by financing activities	\$ 2,276	\$ 120,167

Operating Activities

Cash provided by operating activities primarily consists of net loss adjusted for non-cash items including share-based compensation; depreciation and amortization; amortization of intangible assets; change in the fair value of contingent consideration; and amortization of debt discount and issuance costs and the effect of changes in working capital and other activities.

Collection of commissions receivable depends upon the timing of the receipt of commission payments. If there were to be a delay in receiving a commission payment from a carrier within a quarter, the operating cash flows for that quarter could be adversely impacted.

A significant portion of marketing and advertising expense is driven by the number of qualified prospects required to generate the insurance applications submitted to carriers. Marketing and advertising costs are expensed and generally paid as incurred and since commission revenue is recognized upon approval of a submission but commission payments are paid to us over time, there are working capital requirements to fund the upfront cost of acquiring new policies.

Net cash provided by operating activities was \$31.2 million for the three months ended March 31, 2021, which consisted of a \$7.3 million net loss and positive adjustments for non-cash items of \$30.7 million and positive adjustments for operating assets and liabilities of \$7.8 million. The change in operating assets and liabilities was primarily driven by a decrease in prepaid expenses and other assets of \$9.2 million, and a decrease in commissions receivable of \$9.5 million, partially offset by a decrease in commissions payable of \$10.8 million, and an increase in accounts receivable of \$1.7 million.

Net cash provided by operating activities was \$23.6 million for the three months ended March 31, 2020, which consisted of \$0.9 million in net loss and adjustments for non-cash items of \$29.1 million, offset by the effect of changes in operating assets and liabilities representing a \$4.6 million use of cash. The change in operating assets and liabilities was primarily driven by a decrease in accounts receivable of \$9.3 million and a decrease in prepaid expenses and other current assets of \$9.0 million offset by an increase in commissions receivable of \$5.9 million and decreases in accrued liabilities and commissions payable of \$10.8 million and \$5.4 million, respectively.

Investing Activities

Net cash used in investing activities was \$3.7 million for the three months ended March 31, 2021 and consisted of capitalized internal-use software related to new technology, software, and systems and purchases of property and equipment.

Net cash used in investing activities of \$3.5 million for the three months ended March 31, 2020 was primarily attributable to both capitalized internal-use software related to new technology, software, and systems and purchases of property and equipment.

Financing Activities

Net cash provided by financing activities was \$2.3 million for the three months ended March 31, 2021 and was primarily due to the collection of the short-term advancement to NVX Holdings, partially offset by principal payments under the term loans.

Net cash provided by financing activities was \$120.2 million for the three months ended March 31, 2020 and was due to borrowings under the Incremental Term Loan Facility, which comprised \$117.0 million of net cash provided by financing activities and the issuance of common units, which comprised \$10.0 million of net cash provided by financing activities, and was partially offset by payments of existing debt and debt issuance costs associated with the Incremental Term Loan Facility.

Credit Facilities

On September 13, 2019, in connection with the Acquisition, Novrax ("the Borrower") entered into a first lien credit agreement (the "Credit Agreement") which provides for a (i) \$300.0 million aggregate principal amount senior secured term loan facility (the "Term Loan Facility") and (ii) \$30.0 million aggregate principal amount senior secured revolving credit facility (the "Revolving Credit Facility").

During 2020, the Company entered into a series of amendments to the Credit Agreement to provide for (i) \$117.0 million of incremental term loans (the "Incremental Term Loan Facility") and (ii) \$28.0 million of incremental revolving credit (the "Incremental Revolving Credit Facilities").

The Company collectively refers to the Term Loan Facility, the Revolving Credit Facility, the Incremental Term Loan Facility, and the Incremental Revolving Credit Facilities as the "Credit Facilities".

As of March 31, 2021, the Company had a principal amount of \$295.5 million and \$115.8 million outstanding on the Term Loan Facility and Incremental Term Loan Facility, respectively. The effective interest rate was 7.5% at both March 31, 2021 and December 31, 2020, respectively. The Company had no amounts outstanding on the Revolving Credit Facility and the Incremental Revolving Credit Facilities, which had a remaining capacity of \$58.0 million in the aggregate as of March 31, 2021.

On May 7, 2021, the Company entered into a fourth amendment to the Credit Agreement, which provided \$142.0 million of incremental revolving credit (the "Incremental No. 4 Revolving Credit Facility"). Outstanding borrowings will be due and payable on September 13, 2024. Interest, fees, prepayment terms, covenants and other matters are the same as those under the Credit Facilities.

Recent Accounting Pronouncements

For a discussion of new accounting pronouncements recently adopted and not yet adopted, see Note 1, "Description Of Business And Significant Accounting Policies," to the Condensed Consolidated Financial Statements included elsewhere in this Quarterly Report on Form 10-Q.

Seasonality

The Medicare annual enrollment period occurs from October 15th to December 7th. As a result, we experience an increase in the number of submitted Medicare-related applications during the fourth quarter and an increase in expense related to the Medicare segments during the third and fourth quarters. Additionally, as a result of the annual Medicare Advantage open enrollment period that occurs from January 1st to March 31st, commission revenue is typically second-highest in our first quarter. The second and third quarters are known as special election periods, and are our seasonally smallest quarters. A significant portion of our marketing and advertising expenses is driven by the number of health insurance applications submitted through us. Marketing and advertising expenses are generally higher in the fourth quarter during the Medicare annual enrollment period, but because commissions from approved customers are paid to us over time, our operating cash flows could be adversely impacted by a substantial increase in marketing and advertising expenses as a result of a higher volume of applications submitted during the fourth quarter or positively impacted by a substantial decline in marketing and advertising expenses as a result of lower volume of applications submitted during the fourth quarter.

Critical Accounting Policies and Estimates

The preparation of our Condensed Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets, and liabilities and disclosure of contingent assets and liabilities in our financial statements. We regularly assess these estimates; however, actual amounts could differ from those estimates. The most significant items involving management's estimates include estimates of revenue recognition, commissions receivable, and commissions payable. The impact of changes in estimates is recorded in the period in which they become known.

An accounting policy is considered to be critical if the nature of the estimates or assumptions is material due to the levels of subjectivity and judgment necessary to account for highly uncertain matters or the susceptibility of such matters to change, and the effect of the estimates and assumptions on financial condition or operating performance. The accounting policies we believe to reflect our more significant estimates, judgments and assumptions that are most critical to understanding and evaluating our reported financial results are: (1) revenue recognition and commissions receivable, (2) share-based compensation, (3) goodwill and intangible assets, (4) income taxes and (5) liabilities pursuant to TRAs.

Our critical accounting policies are described under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations—Critical Accounting Policies" in our 2020 Form 10-K. During the three months ended March 31, 2021, there were no material changes to our critical accounting policies from those discussed in our 2020 Form 10-K.

JOBS Act

We qualify as an "emerging growth company" pursuant to the provisions of the JOBS Act, enacted on April 5, 2012. Section 102 of the JOBS Act provides that an "emerging growth company" can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act for complying with new or revised accounting standards. We are electing to delay the adoption of new or revised accounting standards, and as a result, we may not comply with new or revised accounting standards on the relevant dates on which adoption of such standards is required for non-emerging growth companies. As a result, our Condensed Consolidated Financial Statements may not be comparable to companies that comply with new or revised accounting pronouncements as of public company effective dates.

We have elected the other exemptions and reduced reporting requirements provided by the JOBS Act. Subject to certain conditions set forth in the JOBS Act, as an emerging growth company we are not required to, among other things, (1) provide an auditor's attestation report on our systems of internal controls over financial reporting pursuant to Section 404, (2) provide all of the compensation disclosure that may be required of non-emerging growth public companies under the Dodd-Frank Act, (3) comply with the requirement of the PCAOB regarding the communication of critical audit matters in the auditor's report on the financial statements and (4) disclose certain executive compensation-related items, such as the correlation between executive compensation and performance and comparisons of the Chief Executive Officer's compensation to median employee compensation. These exemptions will apply until we no longer meet the requirements of being an emerging growth company. We will remain an emerging growth company until the earlier of (a) the last day of the fiscal year (i) following the fifth anniversary of the completion of our IPO, (ii) in which we have total annual gross revenue of at least \$1.07 billion or (iii) in which we are deemed to be a large accelerated filer, which means the market value of our common stock that is held by non-affiliates exceeds \$700.0 million as of the last business day of our prior second fiscal quarter, and (b) the date on which we have issued more than \$1.0 billion in non-convertible debt over a rolling 36-month period.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.

In the normal course of business, we are subject to market risks. Market risk represents the risk of loss that may impact our financial position due to adverse changes in financial market prices and rates. There have been no material changes to our market risk policies or our market risk-sensitive instruments and positions as described in our 2020 Form 10-K.

ITEM 4. CONTROLS AND PROCEDURES

Limitations on Effectiveness of Controls and Procedures

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls and procedures relative to their costs.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our chief executive officer and chief financial officer, evaluated, as of the end of the period covered by this Quarterly Report on Form 10-Q, the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Based on that evaluation, our principal executive officer and principal financial officer concluded that our disclosure controls and procedures were effective at the reasonable assurance level as of March 31, 2021.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting identified in management's evaluation pursuant to Rules 13a-15(d) or 15d-15(d) of the Exchange Act during the quarter ended March 31, 2021 that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

ITEM 1. LEGAL PROCEEDINGS.

Refer to Note 10, "Commitments And Contingencies," of the Notes to Condensed Consolidated Financial Statements for information about legal proceedings.

ITEM 1A. RISK FACTORS.

There have been no material changes to the risk factors set forth in our 2020 Form 10-K. Before investing in our Class A common stock, we recommend that investors carefully consider the risks described in the 2020 Form 10-K filed with the SEC, including those under the heading "Item 1A. Risk Factors." Realization of any of these risks could have a material adverse effect on our financial condition or results of operations. Additional risks and uncertainties not currently known to us or that we deem to be immaterial could also materially adversely affect our business, financial condition, or results of operations.

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS.

Not applicable.

ITEM 3. DEFAULTS UPON SENIOR SECURITIES.

Not applicable.

ITEM 4. MINE SAFETY DISCLOSURES.

Not applicable.

ITEM 5. OTHER INFORMATION.

On May 7, 2021, the Company entered into a fourth amendment to the Credit Agreement, which provided \$142.0 million of incremental revolving credit (the "Incremental No. 4 Revolving Credit Facility"). Outstanding borrowings will be due and payable on September 13, 2024. Interest, fees, prepayment terms, covenants and other matters are the same as those under the Credit Facilities.

This summary of the Incremental No. 4 Revolving Credit Facility does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Incremental No. 4 Revolving Credit Facility, which is filed as Exhibit 10.2 to this Quarterly Report on Form 10-Q.

AMENDMENT NO. 1
TO THE
SECOND AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT
OF
GOHEALTH HOLDINGS, LLC

This AMENDMENT No. 1, dated as of March 9, 2021 (this “Amendment”), to the Second Amended and Restated Limited Liability Company Agreement (as amended, the “LLC Agreement”) of GoHealth Holdings, LLC, a Delaware limited liability company (the “Company”), is entered into by GoHealth, Inc., in its capacity as Manager of the Company (the “Manager”). Capitalized terms used herein but not defined shall have the meaning set forth in the LLC Agreement.

W I T N E S S E T H :

WHEREAS, pursuant to Section 3.06 of the LLC Agreement, the Manager is authorized to amend the LLC Agreement in order for the Company to opt-in to the provisions of Article 8 of the UCC without the consent or approval of any Member of any other Person;

WHEREAS, the Manager and the Company have elected to opt-in to Article 8 of the Uniform Commercial Code (“UCC”) in the State of Delaware such that all Units will be treated as a “security” for purposes of Article 8 of the UCC (the “Article 8 Election”);

WHEREAS, the Manager wishes to amend certain provisions of the LLC Agreement in order to give effect to the Article 8 Election in the manner set forth herein; and

WHEREAS, the Manager has elected not to certificate all outstanding Units in connection with its Election;

NOW, THEREFORE, in consideration of the agreements contained herein, and for other good and valuable consideration acknowledged hereby, the undersigned agree as follows:

1. Amendment.

(a) Section 3.06 of the LLC Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth below:

~~“No Units shall be treated as a “security” within the meaning of Article 8 of the Uniform Commercial Code unless all Units then outstanding are certificated; notwithstanding anything to the contrary herein, including Section 15.03, the Manager is authorized to amend this Agreement in order for the Company to opt-in to the provisions of Article 8 of the Uniform Commercial Code without the consent or approval of any Member of any other Person. Each Unit shall constitute and shall remain a “security” within the meaning of, and be governed by, Article 8 of the Uniform Commercial Code~~

(including Section 8-102(a)(15) thereof) as in effect from time to time in the State of Delaware and (ii) the corresponding provisions of the Uniform Commercial Code of any other applicable jurisdiction that now or hereafter substantially includes the 1994 revisions to Article 8 thereof as adopted by the American Law Institute and the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association on February 14, 1995 (and each Unit shall be treated as a “security” for all purposes, including, without limitation, perfection of the security interest therein under Article 8 of each applicable Uniform Commercial Code). Notwithstanding any provision of this Agreement to the contrary, to the extent that any provision of this Agreement is inconsistent with any non-waivable provision of Article 8 of the Uniform Commercial Code as in effect in the State of Delaware (6 Del C. § 8-101, et. seq.) (the “UCC”), such provision of Article 8 of the UCC shall be controlling.”

2. Certificated Securities. Pursuant to Section 3.06 of the LLC Agreement, the Manager hereby affirms that no Unit constituting a “security” within the meaning of Article 8 of the Uniform Commercial Code shall be required to be certificated.

3. This Amendment shall be governed by, and construed in accordance with, the laws of the State of Delaware.

4. By their respective signatures below, the parties hereby consent to this Amendment. This Amendment shall be effective as of the date hereof and shall be considered an integrated part of the LLC Agreement. Except as so modified pursuant to this Amendment, the LLC Agreement is ratified and confirmed in all respects.

5. This Amendment may be executed in any number of counterparts and each of such counterparts shall together constitute one and the same instrument.

[Signature page follows]

IN WITNESS WHEREOF, the undersigned does hereby execute this Amendment as of the date first above written.

Section 2. Amendment.

Each of the parties hereto (constituting the Required Lenders under the Credit Agreement immediately prior to giving effect to the Revolving Credit Commitment Increase contemplated in Section 3 below), as of the Incremental Facility Agreement No. 4 Effective Date prior to giving effect to the transactions described in Section 3 of the Agreement, agrees that, effective on the Incremental Facility Agreement No. 4 Effective Date:

(i) the Credit Agreement shall be amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: added double-underlined text) as set forth in the pages of the Credit Agreement attached as Exhibit A hereto; and

(ii) the Lenders constituting the Required Lenders immediately prior to giving effect to the transactions described in Section 3 of the Agreement hereby direct and authorize the Administrative Agent and the Collateral Agent to enter into this Agreement.

Section 3. Incremental No. 4 Revolving Credit Commitment Increase.

(a) With effect from and including the Incremental Facility Agreement No. 4 Effective Date immediately after giving effect to the transactions described in Section 2 of this Agreement, each Person identified on the signature pages hereof as an Incremental No. 4 Revolving Lender shall become a party to the Amended Credit Agreement as a “Lender”, a “Revolving Lender” and a “Incremental No. 4 Revolving Lender” under the Amended Credit Agreement and the other Loan Documents and shall have the Incremental No. 4 Revolving Commitments in the amount set forth opposite its name on Schedule 1 hereto, which shall constitute Revolving Commitments under the Amended Credit Agreement and shall have the same terms and conditions as (including with respect to the maturity date thereof), and shall be part of, the Revolving Commitments in effect immediately prior to the Incremental Facility Agreement No. 4 Effective Date being hereby increased.

(b) On the Incremental Facility Agreement No. 4 Effective Date, immediately after giving effect to the Amendment and the Incremental No. 4 Revolving Commitments, the outstanding Revolving Exposure shall be reallocated on a pro rata basis among the Revolving Lenders (which shall include the Incremental No. 4 Revolving Lenders) and each Revolving Lender’s participations under the Credit Agreement in outstanding Letters of Credit and Swingline Loans will be automatically deemed to be assigned pursuant to Section 2.20 of the Credit Agreement.

The Administrative Agent and the Incremental No. 4 Revolving Lenders hereby agree that the notice requirements set forth in Section 2.20 of the Credit Agreement have been satisfied with respect to the Incremental No. 4 Revolving Commitments.

(d) The Administrative Agent is hereby authorized to mark the Register accordingly to reflect the amendments and adjustments set forth herein.

Section 4. *Effect of Agreement; Reaffirmation; Etc.* (a) Except as expressly set forth herein or in the Amended Credit Agreement, this Agreement shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or under any other Loan Document and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Without limiting the foregoing, after giving effect to the Agreement, (i) each Loan Party acknowledges and agrees that (A) each Loan Document to which it is a party is hereby confirmed and ratified and shall remain in full force and effect according to its respective terms (in the case of the Credit Agreement, as amended hereby) and (B) the Security Documents to which it is a party to, and all of the Collateral does, and in each case shall continue to, secure the payment of all Loan Document Obligations (including, for the avoidance of doubt, the Incremental No. 4 Revolving Commitments provided on the Incremental Facility Agreement No. 4 Effective Date) on the terms and conditions set forth in such Security Documents, and hereby ratifies the security interests granted by it pursuant to such Security Documents and (ii) each Guarantor hereby confirms and ratifies its continuing unconditional obligations as Guarantor under each Guarantee to which it is a party. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Agreement and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Incremental Facility Agreement No. 4 Effective Date.

(b) This Agreement also constitutes an "Incremental Facility Amendment" for purposes of Section 2.20(f) of the Credit Agreement.

Section 5. *Representations of Loan Parties.* Each of the Loan Parties hereby represents and warrants that:

(a) the representations and warranties set forth in Article III of the Amended Credit Agreement and in each other Loan Document shall be true and correct in all material respects on and as of the Incremental Facility Agreement No. 4 Effective Date with the same effect as though made on and as of such date (and deeming this Agreement to be a "Loan Document" for purposes of each such representation and warranty), except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date; *provided*, that any such representation and warranty that is qualified by "materiality", "material adverse effect" or similar language shall be true and correct in all respects (after giving effect to such qualification therein) on and as of the Incremental Facility Agreement No. 4 Effective Date with the same effect as though made on and as of such date or such earlier date, as applicable;

Section 7. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts) (including by facsimile or other electronic transmission (i.e., a “.pdf” or “.tif”)), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other Borrowing Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. For the avoidance of doubt, delivery of an executed counterpart of a signature page by facsimile or other electronic imaging means (e.g. “.pdf” or “.tif”) shall be effective as delivery of a manually executed counterpart, and shall not be considered an electronic signature.

Section 8. Conditions to Effectiveness of this Agreement. The effectiveness of the agreements set forth in this Agreement and of the obligation of each Incremental No. 4 Revolving Lender to provide its Incremental No. 4 Revolving Commitment to be provided by it pursuant to Section 2(a) of this Agreement, shall become effective on the date (the “**Incremental Facility Agreement No. 4 Effective Date**”) when each of the following conditions shall have been satisfied (or waived, as applicable) and, in connection with the foregoing, the execution (which may include telecopy or electronic transmission of a signed signature page of this Agreement) by the Administrative Agent of this Agreement:

(b) the representations and warranties set forth in Section 5 hereof shall be true and correct;

(c) the Administrative Agent shall have received all documentation and other information about Holdings, the Borrower and the other Loan Parties that shall have been reasonably requested by the Administrative Agent and the Incremental No. 4 Revolving Lenders that are required by regulatory authorities under applicable “know your customer,” anti-money laundering rules and regulations, including without limitation the PATRIOT ACT, including, if the Borrower qualifies as a “legal entity customer” under the requirements of the Beneficial Ownership Regulation, a Beneficial Ownership Certification in relation to the Borrower;

(d) at the time of and immediately after giving effect to the provision of the Incremental No. 4 Revolving Commitments, no Default or Event of Default shall have occurred and be continuing;

(e) the Administrative Agent and the Lenders shall have received payment for all reasonable and documented and invoiced out-of-pocket costs and expenses required to be paid or reimbursed under Section 9.03 of the Credit Agreement on the Incremental Facility Agreement No. 4 Effective Date, for which invoices have been presented at least three Business Days prior to the Incremental Facility Agreement No. 4 Effective Date; and

(g) the Administrative Agent shall have received:

(i) a certificate of each Loan Party, dated the Incremental Facility Agreement No. 4 Effective Date, executed by an Authorized Officer of such Loan Party, substantially in the form of Exhibit J to the Credit Agreement (or in such other form as the Administrative Agent may agree in its reasonable discretion), certifying that (a) there have been no amendments, restatements or other modifications to each Organizational Document of each Loan Party previously delivered to the Administrative Agent on the Effective Date, and each such Organizational Document is in full force and effect on the Incremental Facility Agreement No. 4 Effective Date and (b) the signature and incumbency certificates of the Responsible Officers of each Loan Party delivered to the Administrative Agent on the Effective Date remain true and correct, and attaching the documents referred to in clause (iii) below;

(ii) a certificate of good standing (to the extent such concept exists) from the applicable secretary of state or other relevant Governmental Authority of the jurisdiction of organization of each Loan Party;

(iii) a copy of the resolutions of the Board of Directors or other governing body, as applicable, of each Loan Party (or a duly authorized committee thereof) authorizing (a) the execution, delivery and performance of this Agreement (and any agreements relating thereto) to which it is a party and (b) in the case of the Borrower, the obtaining of the Incremental No. 4 Revolving Commitments contemplated hereunder;

(iv) the legal opinion of Simpson Thacher & Bartlett LLP, counsel to Holdings, the Borrower and its Subsidiaries; and

(v) a certificate of the Borrower, dated the Incremental Facility Agreement No. 4 Effective Date and substantially in the form of the closing certificate delivered in connection with Amendment No. 3, confirming compliance with the conditions set forth in Sections 8(b) and (d).

Section 9. No Novation. Nothing herein contained shall be construed as a substitution or novation of the obligations outstanding under the Credit Agreement or instruments securing the same, which shall remain in full force and effect, except to any extent modified hereby or by instruments executed concurrently herewith. Nothing implied in this Agreement or in any other document contemplated hereby shall discharge or release the Lien or priority of any Security Document or any other security therefor or otherwise be construed as a release or other discharge of any of the Loan Parties under any Loan Document from any of its obligations and liabilities as a borrower, guarantor or pledgor under any of the Loan Documents, except, in each case, to any extent modified hereby.

Section 10. Miscellaneous. Sections 9.03, 9.09 and 9.10 of the Credit Agreement are incorporated herein by reference and apply *mutatis mutandis*. On and after the effectiveness of this Agreement, this Agreement shall for all purposes constitute a Loan Document.

(b) Where reference is made to “the Borrower and the Restricted Subsidiaries on a consolidated basis” or similar language, such consolidation shall not include any Subsidiaries of Holdings other than the Borrower and the Restricted Subsidiaries.

(c) In the event that the Borrower elects to prepare its financial statements in accordance with IFRS and such election results in a change in the method of calculation of financial covenants, standards or terms (collectively, the “Accounting Changes”) in this Agreement, the Borrower and the Administrative Agent agree to enter into good faith negotiations in order to amend such provisions of this Agreement (including the levels applicable herein to any computation of the Total Net Leverage Ratio, the Total Net Cash Leverage Ratio, the LTV Ratio and the Contract Asset Balance Coverage Ratio) so as to reflect equitably the Accounting Changes with the desired result that the criteria for evaluating the Borrower’s financial condition shall be substantially the same after such change as if such change had not been made. Until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders, all financial covenants, standards and terms in this Agreement shall continue to be calculated or construed in accordance with GAAP (as determined in good faith by a Responsible Officer of the Borrower) (it being agreed that the reconciliation between GAAP and IFRS used in such determination shall be made available to Lenders) as if such change had not occurred.

(d) If the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent

notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith (but only to the extent that, without undue burden and expense, the Borrower, its auditors and/or its financial systems are capable of interpreting such provisions as if such change had not occurred); provided, further, that if such an amendment is requested by the Borrower or the Required Lenders, then the Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders) to preserve the original intent thereof in light of such change in GAAP or the application thereof. SECTION 1.05 Currency Translation; Rates.

(a) For purposes of any determination under Article V, Article VI or Article VII or any determination under any other provision of this Agreement expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into Dollars at the Exchange Rate (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for (x) purposes of determining compliance with Article VI with respect to the amount of any Indebtedness, Lien, Investment, Disposition, Restricted Payment or Restricted Debt Payment in a currency other than Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness, Lien or Investment is incurred or Disposition, Restricted Payment or Restricted Debt Payment made and (y) for purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, if such Indebtedness is incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency Exchange Rate in effect on the date of such Refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of the Indebtedness that is incurred to Refinance such Indebtedness does not exceed the principal amount (or accreted amount) of such Indebtedness being Refinanced, except by an amount equal to the accrued interest, dividends and premium (including tender premiums), if any, thereon plus defeasance costs, underwriting discounts and other amounts paid and fees and expenses (including original issue discount, closing payments, upfront fees and similar fees) incurred in connection with such Refinancing plus an amount equal to any existing commitment unutilized and letters of credit undrawn thereunder and; provided further that, for the avoidance of doubt, the foregoing provisions of this Section 1.05 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness, Lien or Investment may be incurred or Disposition, Restricted Payment or Restricted Debt Payment made at any time under such Sections. For purposes of any determination of Consolidated Total Debt or Consolidated Total Net Debt, amounts in currencies other than Dollars shall be translated into

Dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 5.01(a) or Section 5.01(b). Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

(b) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "LIBO Rate" or with respect to any comparable or successor rate thereto, except as expressly provided herein.

SECTION 1.06 Timing of Payment of Performance. When payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

SECTION 1.07 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Term Loans, Loans in connection with any Replacement Revolving Commitments, Extended Revolving Commitments, Extended Revolving Loans, or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

SECTION 1.08 Certain Calculations and Tests.

Notwithstanding anything in this Agreement or any Loan Document to the contrary, for purposes of (i) determining compliance with any provision in this Agreement or any Loan Document that requires the calculation of any financial ratio or test (including, without limitation, any Total Net Leverage Ratio, any Total Net Cash Leverage Ratio, any Contract Asset Balance Coverage Ratio or any LTV Ratio test (including as required in the definition of "Permitted Acquisition")), (ii) determining compliance with representations and warranties or the requirement regarding the absence of a Default or Event of Default (or any type of Default or Event of Default) (other than in connection with any borrowing of Revolving Loans or issuance of any Letter of Credit under the Revolving Credit Facility (or Other Revolving Commitments)) or (iii) testing any cap expressed as a percentage of Consolidated EBITDA, Consolidated Cash EBITDA, Liquidity or Consolidated Total Assets and any other availability of a "basket" or exception set forth in Article VI, in each case in connection with a Specified Transaction or other transaction permitted hereunder, undertaken in connection with the consummation of a Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder (but not, for the avoidance of doubt, in connection with any calculation of the Financial Maintenance Covenant for the purposes of Section 6.13 only), at the election of the Borrower (such election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), will be deemed to be (x) the date the definitive agreements for such Limited Condition Transaction are entered into or (y) in respect of sales in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies (or similar law or practice in other jurisdictions), the date on which a "Rule 2.7 announcement" of a firm intends to make an offer or similar announcement or determination in another jurisdiction subject to laws similar to the United

Kingdom City Code on Takeovers and Mergers in respect of a target of a Limited Condition Transaction (the “LCT Test Date”), and if, after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recently completed Tests Period ending on or prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratios, representation, warranty, absence of Default or Event of Default or “basket”, such ratio, representation, warranty, absence of Default or Event of Default shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and (x) any of the ratios or “baskets” for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or “basket” (including due to fluctuations of the target of any Limited Condition Transaction) at or prior to the consummation of the relevant Limited Condition Transaction, such “baskets” or ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted hereunder and (y) in connection with any subsequent calculation of any ratio or “basket” availability on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or “basket” availability shall be calculated (x) on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof (but without netting the cash proceeds thereof)) had been consummated or (y) solely in respect of any Restricted Payment or any Restricted Debt Payment, on a standalone basis without assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof (but without netting the cash proceeds thereof)) had been consummated. For the further avoidance of doubt, in the absence of an LCT Election, unless specifically stated in this Agreement to be otherwise, all determinations of (x) compliance with any financial ratio or test (including, without limitation, any Total Net Leverage Ratio, any Total Net Cash Leverage Ratio, any Contract Asset Balance Coverage Ratio or any LTV Ratio test (but not, for the avoidance of doubt, in connection with any calculation of the Financial Maintenance Covenant for the purposes of Section 6.13 only)) and/or any cap expressed as a percentage of Consolidated EBITDA, Consolidated Cash EBITDA, Liquidity or Consolidated Total Assets, (y) any representation and warranties, or any requirement regarding the absence of a Default or Event of Default (or any type of Default or Event of Default) or (z) any availability test under any “baskets” shall be made as of the applicable date of the consummation of the Specified Transaction or other transaction hereunder.

SECTION 1.09 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up for five).

SECTION 1.10 [Reserved].

SECTION 1.11 Pro Forma and Other Calculations.

(a) Notwithstanding anything to the contrary herein, financial ratios and tests (including measurements of Consolidated Total Assets, Consolidated Cash EBITDA, Liquidity or Consolidated EBITDA and the Total Net Leverage Ratio, the Total Net Cash Leverage Ratio, the Contract Asset Balance Coverage Ratio or the LTV Ratio), shall be calculated in the manner prescribed by this Section 1.11; provided that, notwithstanding anything to the contrary in clauses (b), (c) or (d) of this Section 1.11, (I) when calculating the Total Net Leverage Ratio for purposes of, as applicable, (i) [reserved], (ii) [reserved]

and (iii) Section 6.13 and (II) when calculating the Total Net Cash Leverage Ratio for purposes of Section 2.11(d), in each case, the events described in this Section 1.11 that occurred subsequent to the end of the applicable Test Period shall not be given pro forma effect; provided, however, that for purposes of calculating the ECF Percentage, Consolidated Total Net Debt shall be determined after giving pro forma effect to the Permitted ECF Recalculation Considerations assuming such prepayments had been made on the last day of such fiscal year. In addition, whenever a financial ratio or test is to be calculated on a pro forma basis or requires pro forma compliance, the reference to “Test Period” for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the Test Period most recently ended for which financial statements have been (or were required to have been) delivered pursuant to Section 5.01(a) or (b).

(b) For purposes of calculating any financial ratio or test (including Consolidated Total Assets, Consolidated Cash EBITDA or Consolidated EBITDA), Specified Transactions (with any incurrence or Refinancing of any Indebtedness in connection therewith to be subject to clause (d) of this Section 1.11) that have been made (i) during the applicable Test Period or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA, Consolidated Cash EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Consolidated Total Assets or “unrestricted” cash and Cash Equivalents, on the last day of the applicable Test Period). If, since the beginning of any applicable Test Period, any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into Holdings, the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.11, then such financial ratio or test (including Consolidated Total Assets and Consolidated EBITDA) shall be calculated to give pro forma effect thereto in accordance with this Section 1.11.

(c) Whenever pro forma effect or a determination of pro forma compliance is to be given to a Specified Transaction or a Specified Restructuring, the pro forma calculations shall be made in good faith by a Responsible Officer of Holdings and may include, for the avoidance of doubt, the amount of “run rate” cost savings, operating expense reductions and cost synergies and other synergies projected by Holdings in good faith to result from or relating to any Specified Transaction (including the Transactions) or Specified Restructuring that is being given pro forma effect or for which a determination of pro forma compliance is being made that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions, cost synergies or other synergies have been taken or initiated, have been committed to be taken or initiated, with respect to which substantial steps have been taken or initiated or which are expected to be taken or initiated (in the good faith determination of the Borrower) (calculated on a pro forma basis as though such cost savings, operating expense reductions, cost synergies and other synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions, cost synergies and other synergies were realized during the entirety of such period and “run rate” means the full recurring benefit for a period that is associated with any action taken, any action committed to be taken, any action with respect to which substantial steps have been taken or initiated or any action that is expected to be taken (including any savings expected to result from the elimination of Public Company Costs) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial pro forma calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction or Specified Restructuring, and any such adjustments included in the initial pro forma calculations shall continue to apply to subsequent calculations of such financial ratios or tests, including during any subsequent Test Periods in which the effects thereof are expected to be realizable; provided that (A) such amounts are reasonably identifiable and factually

supportable in the good faith judgment of Holdings, (B) such actions are taken, such actions are committed to be taken, substantial steps with respect to such action have been taken or initiated or such actions are expected to be taken no later than six fiscal quarters after the date of consummation of such Specified Transaction or the date of initiation of such Specified Restructuring, (C) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA or Consolidated Cash EBITDA (or any other components thereof), whether through a pro forma adjustment or otherwise, with respect to such period and (D) the aggregate amount of any such pro forma increase added to Consolidated EBITDA pursuant to this clause (D), when combined, without duplication, with amounts added to Consolidated EBITDA pursuant to clauses (a)(xv), (a)(xvi) and (b)(1) of the definition of "Consolidated EBITDA" and amounts excluded pursuant to clause (a) of the definition of "Consolidated Net Income" shall not exceed (x) for purpose of any calculation of Consolidated EBITDA under this Agreement, an amount equal to 20.0% of Consolidated EBITDA for such Test Period (calculated prior to giving effect to such add-backs) and (y) for purposes of any calculation of Consolidated Cash EBITDA under this Agreement, an amount equal to 25.0% of Consolidated Cash EBITDA for such Test Period (calculated prior to giving effect to such add-backs).

(d) In the event that Holdings, the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantee) or Refinances (including by redemption, repurchase, repayment, retirement or extinguishment) any Indebtedness, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving pro forma effect to such incurrence or Refinancing of Indebtedness (including pro forma effect to the application of the net proceeds therefrom), in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period; provided that, with respect to any Incurrence of Indebtedness pursuant to Section 6.01(a) in reliance on the pro forma calculation of the Total Net Cash Leverage Ratio (a "Ratio Incurrence") such calculation shall not give pro forma effect to any Indebtedness being incurred (or expected to be incurred) substantially simultaneously or contemporaneously with such Ratio Incurrence in reliance on any "basket" set forth in Section 6.01(a) (including clause (a) of the definition of "Incremental Cap" and any "baskets" measured as a percentage of Consolidated Total Assets, Consolidated Cash EBITDA or Consolidated EBITDA and including any Borrowing of up to \$15,000,000 under the Revolving Credit Facility or issuance of any Letter of Credit, except to the extent expressly required to be calculated otherwise in Section 2.20, Section 6.01(a)(xxiii) or any Replacement Revolving Facility).

(e) Any such pro forma shall include, without limitation, all adjustments calculated in accordance with Regulation S-X under the Securities Act.

(a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the applicable Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for any other Lender's failure to make Loans as required hereby.

(b) Subject to Section 2.14, each Revolving Loan Borrowing and Term Loan Borrowing denominated in Dollars shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement, (ii) such Loan shall be deemed to have been made and held by such Lender, and the obligation of the Borrower to repay such Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch or Affiliate of such Lender and (iii) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the Borrower resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.15 shall apply); provided, further, that no such domestic or foreign branch or Affiliate of such Lender shall be entitled to any greater indemnification under Section 2.17 with respect to such Loan than that to which the applicable Lender was entitled on the date on which such Loan was made (except in connection with any indemnification entitlement arising as a result of any Change in Law after the date on which such Loan was made).

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurocurrency Borrowing that results from a continuation of an outstanding Eurocurrency Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Each Swingline Loan shall be in an amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of 15 Eurocurrency Borrowings outstanding (which number of Eurocurrency Borrowings may be increased or adjusted by agreement

between Holdings, the Borrower and the Administrative Agent in connection with any Incremental Facility or Extended Loans/Commitments or Loan Modification Offer).

SECTION 2.03 Requests for Borrowings. To request a Revolving Loan Borrowing or Term Loan Borrowing, the Borrower shall notify the Administrative Agent of such request by delivery (by hand delivery, facsimile or other electronic transmission) of a written Borrowing Request signed by the Borrower to the Administrative Agent (a) not later than 2:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing (or one Business Day in the case of any Eurocurrency Borrowing to be made on the Effective Date) (or such later time as the Administrative Agent may agree in its sole discretion) or (b) in the case of an ABR Borrowing, not later than 2:00 p.m., New York City time, one Business Day prior to the date of the proposed Borrowing. Each such Borrowing Request shall (x) in the case of any Revolving Loan Borrowing, be irrevocable upon delivery and (y) specify the following information (other than, in the case of clause (vii) below, the Borrowing Request pertaining to Borrowings on the Effective Date):

- (i) whether the requested Borrowing is to be a Revolving Loan Borrowing, an Initial Term Loan Borrowing or a Borrowing of any other Class (specifying the Class thereof);
- (ii) the aggregate amount of such Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; and
- (vi) the location and number of the Borrower’s account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06, or, in the case of any ABR Revolving Loan Borrowing or Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement;
- (vii) that, in the case of any Borrowing after the Effective Date, as of the date of such Borrowing, the conditions set forth in Section 4.02(a) and Section 4.02(b) are satisfied.

If no election as to the Type of Borrowing is specified as to any Borrowing, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

SECTION 2.04 Swingline Loans.

(a) Subject to the terms and conditions set forth herein (including Section 2.22), in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time during the Revolving Availability Period denominated in Dollars in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate Revolving Exposures exceeding the aggregate Revolving Commitments, (ii) the aggregate amount of Swingline Loans outstanding exceeding the Swingline Sublimit or (iii) the Revolving Exposure

of any Lender exceeding such Lender's Revolving Commitments; provided that (A) the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan and (B) the Swingline Lender shall not be under any obligation to make any Swingline Loan if, after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure would remain outstanding. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request by written notice, not later than 10:00 a.m., New York City time, on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and, in the case of any Swingline Loan requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(a)(vi), the identity of the Issuing Bank that made such LC Disbursement. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the deposit account of the Borrower specified in such written notice (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(a)(vi), by remittance to the applicable Revolving Issuing Bank) promptly on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice the Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) In the event there is no Swingline Lender, the Borrower may designate as replacement Swingline Lender one Revolving Lender that agrees to serve in such capacity as provided below; provided that such Swingline Lender is reasonably acceptable to the Administrative Agent. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Lender in its capacity as a lender of Swingline Loans hereunder. At no time shall there be more than one Swingline Lender.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof, provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

SECTION 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank agrees, in reliance upon agreement of the Revolving Lenders set forth in this Section 2.05, to issue Letters of Credit denominated in Dollars for the account of the Borrower (or for the account of any Restricted Subsidiary so long as the Borrower and such Restricted Subsidiary are co-applicants in respect of such Letter of Credit), in a form reasonably acceptable to the applicable Issuing Bank, which shall reflect the standard policies and operating procedures of such Issuing Bank, at any time and from time to time during the Revolving Availability Period and prior to the fifth Business Day prior to the Latest Maturity Date applicable to Revolving Loans. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by hand delivery or facsimile (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Administrative Agent (at least three Business Days before the requested date of issuance, amendment, renewal or extension or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (a)(iv) of this Section), the amount and currency of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to

represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (A) the aggregate LC Exposure attributable to Letters of Credit issued by such Issuing Bank shall not exceed the LC Commitment of such Issuing Bank, (B) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments, (C) the aggregate LC Exposure shall not exceed the Letter of Credit Sublimit, (D) the Revolving Exposure of any Lender shall not exceed such Lender's Revolving Commitments and (E) the face amount of outstanding Letters of Credit issued by any Issuing Bank shall not exceed such Issuing Bank's Applicable LC Fronting Sublimit. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (A) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (B) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank's Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure or (C) such issuance will violate any policy or procedure of such Issuing Bank without such Issuing Bank's prior written consent. Upon the issuance of each Letter of Credit, the Issuing Bank shall send the Administrative Agent a copy of the same.

(c) Notice. Each Issuing Bank agrees that it shall not permit any issuance or amendment of a Letter of Credit to occur unless it shall have given to the Administrative Agent written notice thereof required under paragraph (m) of this Section.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (A) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any extension thereof, one year after the then-current expiration date at the time of such extension) and (B) the date that is the third Business Day prior to the Latest Maturity Date applicable to Revolving Loans; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to close of business on the next succeeding Business Day; provided, however, that any Letter of Credit may, upon the request of the Borrower and with the consent of the Issuing Bank, in its sole discretion, include a provision whereby such Letter of Credit shall be extended automatically for additional consecutive periods of one year or less (but not beyond the date that is three Business Days prior to the applicable Latest Maturity Date unless Cash Collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Issuing Bank thereof) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least 30 days prior to the then-applicable expiration date, that such Letter of Credit will not be extended; provided that such extended terms are reasonably satisfactory to the relevant Issuing Bank.

(e) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby

absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (a)(vi) of this Section in the currency of such LC Disbursement, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement in Dollars not later than 2:00 p.m., New York City time (A) on the next succeeding Business Day if the Borrower receives notice of such LC Disbursement on or before 12:00 p.m., New York City time on the day of such LC Disbursement or (B) on the second succeeding Business Day if the Borrower receive notice of such LC Disbursement after 12:00 p.m., New York City time on the day of such LC Disbursement; provided that, if such LC Disbursement is denominated in Dollars and is not less than \$100,000 (or such lesser amount as reasonably agreed to by the Administrative Agent), the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or Section 2.04 that such payment be financed with an ABR Revolving Loan Borrowing or a Swingline Loan, in each case in an equivalent amount, and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loan Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in Dollars and in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender or the Swingline Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of an ABR Revolving Loan or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (a)(vi) of this Section is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (A) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (B) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (C) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against,

the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in translation, any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as determined by a court of competent jurisdiction in a final, nonappealable judgment) or the Issuing Bank's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of documents strictly complying with the terms and conditions of a Letter of Credit (as determined by a court of competent jurisdiction in a final, non-appealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing of such demand for payment and whether such Revolver Issuing Bank has made a LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of their obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (a)(vi) of this Section.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is required to be reimbursed pursuant to Section 2.05(e), the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (a)(vi) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (a)(vi) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburse the applicable LC Disbursement in full.

(j) Cash Collateralization. If the maturity of the Loans has been accelerated, then on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Revolving Lenders demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall

deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount of cash in Dollars equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit Cash Collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent or any Issuing Bank, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any Cash Collateral provided by the Defaulting Lender). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Cash Equivalents and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all the Revolving Lenders), be applied to satisfy other obligations of the Borrower under this Agreement in accordance with the terms of the Loan Documents. If the Borrower is required to provide an amount of Cash Collateral hereunder, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after the Events of Default giving rise to the acceleration of the maturity of the Loans has been cured or waived or after no Default Lender Fronting Exposure remains outstanding, as applicable. If the Borrower is required to provide an amount of Cash Collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (A) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (B) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Termination of an Issuing Bank. The Borrower may terminate the appointment of any Issuing Bank as a "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (A) such Issuing Bank's acknowledging receipt of such notice and (B) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrower shall pay all unpaid

fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (A) periodic activity (for each successive month) in respect of Letters of Credit issued by such Issuing Bank, including all issuances and amendments, all expirations and cancellations and all disbursements and reimbursements, (B) within five Business Days following the time that such Issuing Bank issues or amends any Letter of Credit, the date of such issuance or amendment and the currency and available balance of the Letters of Credit issued or amended by it and outstanding after giving effect to such issuance or amendment (and whether the amounts thereof shall have changed), (C) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, currency and amount of such LC Disbursement, (D) on any Business Day on which the Borrower fail to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(n) Applicability of ISP and UCP. Unless otherwise expressly agreed by the Issuing Bank and the Borrower when a Letter of Credit is issued, (A) the rules of the ISP shall apply to each standby Letter of Credit, and (B) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each commercial Letter of Credit.

(o) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 10:00 a.m., New York City time, to the Applicable Account of the Administrative Agent most-recently designated by it for such purpose by notice to the Lenders (or such earlier time on the Effective Date as may be agreed among the relevant Lenders, Holdings, the Borrower and the Administrative Agent for the purpose of consummating the Transactions); provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly wiring the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of a LC Disbursement as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(e) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share

on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) Obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

SECTION 2.07 Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by delivery (by hand delivery, facsimile or other electronic transmission) to the Administrative Agent of a written Interest Election Request signed by the Borrower (i) in the case of an election to convert or continue a Borrowing into a Eurocurrency Borrowing, not later than 2:00 p.m., New York City time, three Business Days before the effective date of the election made pursuant to such Interest Election Request and (ii) in the case of an election to convert or continue a Borrowing into an ABR Borrowing, not later than 2:00 p.m., New York City time, one Business Day prior to the effective date of the election made pursuant to such Interest Election Request.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be continued as a Eurocurrency Borrowing with an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing, (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Loan Commitments shall terminate upon the making of the Initial Term Loans on the Effective Date, (ii) the 2020 Incremental Term Commitments shall terminate upon the earlier to occur of (x) the making of the 2020 Incremental Term Loans and (y) 5:00 p.m. New York City time on March 25, 2020 and (iii) the Revolving Commitments shall terminate on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class; provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans or Swingline Loans in accordance with Section 2.11, the aggregate Revolving Exposures would exceed the aggregate Revolving Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section by 2:00 p.m. New York City time at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(d) Any termination or reduction pursuant to this Section 2.08 shall apply proportionately and permanently to reduce the Commitments of each of the Lenders within such Class; provided (1) the Borrower may allocate any termination or reduction of Commitments among Classes of Commitments at

its direction (including, for the avoidance of doubt, to the Commitments with respect to any Class of Extended Revolving Commitments without any termination or reduction of the Commitments with respect to any Existing Revolving Commitments of the same Specified Existing Revolving Commitment Class) and (2) in connection with the establishment on any date of any Extended Revolving Commitments pursuant to Section 2.24, the Existing Revolving Commitments of any one or more Lenders providing any such Extended Revolving Commitments on such date shall be reduced in an amount equal to the amount of Specified Existing Revolving Commitments so extended on such date (or, if agreed by the Borrower and the Lenders providing such Extended Revolving Commitments, by any greater amount so long as (a) a proportionate reduction of the Specified Existing Revolving Commitments has been offered to each Lender to whom the applicable Revolving Credit Extension Request has been made (which may be conditioned upon such Lender becoming an Extending Lender), and (b) the Borrower prepay the Existing Revolving Loans of such Class owed to such Lenders providing such Extended Revolving Commitments to the extent necessary to ensure that, after giving pro forma effect to such repayment or reduction, the Existing Revolving Loans of such Class are held by the Lenders of such Class on a pro rata basis in accordance with their Existing Revolving Commitments of such Class after giving pro forma effect to such reduction) (provided that (x) after giving pro forma effect to any such reduction and to the repayment of any Loans made on such date, the aggregate amount of the revolving credit exposure of any such Lender does not exceed the Existing Revolving Commitment thereof (such revolving credit exposure and Revolving Credit Commitment being determined in each case, for the avoidance of doubt, exclusive of such Lender's Extended Revolving Commitment and any exposure in respect thereof) and (y) for the avoidance of doubt, any such repayment of Loans contemplated by the preceding clause shall be made in compliance with the requirements of Section 2.18 with respect to the ratable allocation of payments hereunder, with such allocation being determined after giving pro forma effect to any conversion or exchange pursuant to Section 2.24 of Existing Revolving Commitments and Existing Revolving Loans into Extended Revolving Commitments and Extended Revolving Loans respectively, and prior to any reduction being made to the Commitment of any other Lender).

(e) With respect to each mandatory reduction and termination of Revolving Commitments or Replacement Revolving Credit Commitments (and any previously extended Revolving Commitments) required in connection with the incurrence of any Incremental Refinancing Facility or the incurrence of any Credit Agreement Refinancing Indebtedness incurred to Refinance any Revolving Commitments, Replacement Revolving Commitments and/or Other Revolving Commitments, the Borrower may designate (A) the Classes of Commitments to be reduced and terminated and (B) the corresponding Classes of Loans to be prepaid; provided that (x) any such reduction and termination shall apply proportionately and permanently to reduce the Commitments of each of the Lenders within any such Class and (y) after giving pro forma effect to such termination or reduction and to any prepayments of Loans or cancellation or cash collateralization of Letters of Credit made on the date of each such reduction and termination in accordance with this Agreement, the aggregate amount of such Lenders' credit exposures shall not exceed the remaining Commitments of such Lenders' in respect of the Class reduced and terminated. In connection with any such termination or reduction, to the extent necessary, the participations hereunder in outstanding Letters of Credit and Swingline Loans may be required to be reallocated and related loans outstanding prepaid and then reborrowed.

SECTION 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date, (ii) to the Administrative Agent for the account of each Term Lender the then unpaid principal amount of each Term Loan of such Term Lender as provided in Section 2.10 and (iii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan made by the Swingline

Lender on the earlier to occur of (A) the date that is 10 Business Days after such Loan is made and (B) the Revolving Maturity Date; provided that on each date that a Revolving Loan Borrowing in Dollars is made, the Borrower shall repay all Swingline Loans that were outstanding on the date such Borrowing was requested.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof and (iv) any cancellation or retirement of Term Loans contemplated by Section 9.04(g).

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section and the entries made in the Register pursuant to Section 9.04(b)(iv), the accounts maintained by the Administrative Agent and the entries made in the Register pursuant to Section 9.04(b)(iv) shall control.

(e) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns substantially in the form of Exhibit L.

(f) For the avoidance of doubt, (x) with effect from the Amendment No. 1 Effective Date, the 2020 Incremental Term Loans made in accordance with Amendment No. 1 shall constitute for all purposes of this Agreement, a "Term Loan" made pursuant to this Agreement and all provisions of this Agreement applicable to Term Loans shall be applicable to the 2020 Incremental Term Loans; provided, that, the 2020 Incremental Term Loans shall constitute a separate Class of Loans from the "Initial Term Loans" for all purposes of this Agreement and (y) with effect from the Amendment No. 1 Effective Date, the 2020 Incremental Term Loans Commitment shall constitute an "Incremental Commitment" for all purposes of this Agreement, and all provisions of this Agreement applicable to Incremental Commitments in respect of Incremental Term Loans shall be applicable to the 2020 Incremental Term Loan Commitments. Further, with effect from the Amendment No. 1 Effective Date, the 2020 Incremental Term Loans (i) shall mature and shall become due and payable on the Term Maturity Date applicable to Initial Term Loans and (ii) shall be repaid in quarterly installments in accordance with Section 2.10(a)(ii).

SECTION 2.10 Amortization of Term Loans.

(a) The Borrower shall repay Initial Term Loan Borrowings on the last Business Day of each March, June, September and December (commencing on December 31, 2019) in the principal amount of Initial Term Loans equal to one quarter of one percent (0.25%) of the original principal amount of such Initial Term Loans made on the Effective Date, as adjusted from time to time pursuant to Section 2.11(f). The Borrower shall repay 2020 Incremental Term Loan Borrowings on the last Business Day of each

March, June, September and December (commencing on June 30, 2020) in the principal amount of 2020 Incremental Term Loans equal to one quarter of one percent (0.25%) of the original principal amount of such 2020 Incremental Term Loans made pursuant to Amendment No. 1, as adjusted from time to time pursuant to Section 2.11(f). To the extent not previously paid, all Initial Term Loans and all 2020 Incremental Term Loans shall be due and payable by the Borrower on the Initial Term Loan Maturity Date.

(b) All repayment obligations under this Section 2.10 shall be reduced by the amount of any prepayments made in accordance with Section 2.11 in the manner specified therein.

SECTION 2.11 Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty; provided that (x) in the event of (i) any voluntary prepayment of Initial Term Loans, (ii) any replacement of a Non-Accepting Lender pursuant to Section 2.24, (iii) any repayment of the obligations owing to, or replacement of, a Non-Consenting Lender pursuant to Section 9.02(c), (iv) any prepayment in connection with any Repricing Transaction, the primary purpose of which is to decrease the Effective Yield on such Initial Term Loans, (v) any of the mandatory prepayments described in Section 2.11(h) from the proceeds of a Specified Debt Incurrence Prepayment Event or (vi) any amendment of this Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the Initial Term Loans (including any replacement of a Non-Accepting Lender pursuant to Section 2.24 in connection therewith), the Borrower shall pay to the Administrative Agent, for the account of each of the Lenders holding such Initial Term Loans, (I) during the period from the Effective Date to and including the day immediately preceding the first anniversary of the 2020 Incremental Closing Date, a prepayment premium of 5.00% of the principal amount of the Initial Term Loans being prepaid or the principal amount of Initial Term Loans subject to the amendment effectuating such Repricing Transaction and outstanding immediately prior to the effectiveness thereof, (II) during the period commencing on the first anniversary of the 2020 Incremental Closing Date to and including the day immediately preceding the second anniversary of the 2020 Incremental Closing Date, a prepayment premium of 2.00% of the principal amount of the Initial Term Loans being prepaid or the principal amount of the Initial Term Loans subject to the amendment effectuating such Repricing Transaction and outstanding immediately prior to the effectiveness thereof, (III) during the period commencing on the second anniversary of the 2020 Incremental Closing Date to and including the day immediately preceding the third anniversary of the 2020 Incremental Closing Date, a prepayment premium of 1.00% of the principal amount of the Initial Term Loans being prepaid or the principal amount of the Initial Term Loans subject to the amendment effectuating such Repricing Transaction and outstanding immediately prior to the effectiveness thereof and (IV) thereafter, no prepayment premium shall be due and (y) in the event of (i) any voluntary prepayment of 2020 Incremental Term Loans, (ii) any replacement of a Non-Accepting Lender pursuant to Section 2.24, (iii) any repayment of the obligations owing to, or replacement of, a Non-Consenting Lender pursuant to Section 9.02(c), (iv) any prepayment in connection with any Repricing Transaction, the primary purpose of which is to decrease the Effective Yield on such 2020 Incremental Term Loans, (v) any of the mandatory prepayments described in Section 2.11(h) from the proceeds of a Specified Debt Incurrence Prepayment Event or (vi) any amendment of this Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the 2020 Incremental Term Loans including any replacement of a Non-Accepting Lender pursuant to Section 2.24 in connection therewith), the Borrower shall pay to the Administrative Agent, for the account of each of the Lenders holding such 2020 Incremental Term Loans, (I) during the period from the 2020 Incremental Closing Date to and including the day immediately preceding the second anniversary of the 2020 Incremental Closing Date, a prepayment premium equal to the Applicable Premium multiplied by the principal amount of the 2020 Incremental Term Loans being prepaid or the principal amount of 2020 Incremental Term Loans subject to the amendment effectuating such Repricing Transaction and outstanding

immediately prior to the effectiveness thereof, (II) during the period commencing on the second anniversary of the 2020 Incremental Closing Date to and including the day immediately preceding the third anniversary of the 2020 Incremental Closing Date, a prepayment premium of 2.00% of the principal amount of the 2020 Incremental Term Loans being prepaid or the principal amount of the 2020 Incremental Term Loans subject to the amendment effectuating such Repricing Transaction and outstanding immediately prior to the effectiveness thereof, (III) during the period commencing on the third anniversary of the 2020 Incremental Closing Date to and including the day immediately preceding the fourth anniversary of the 2020 Incremental Closing Date, a prepayment premium of 1.00% of the principal amount of the 2020 Incremental Term Loans being prepaid or the principal amount of the 2020 Incremental Term Loans subject to the amendment effectuating such Repricing Transaction and outstanding immediately prior to the effectiveness thereof and (IV) thereafter, no prepayment premium shall be due. Prepayments made pursuant to this Section 2.11(a) shall be applied in accordance with the applicable provisions of Section 2.11(e) and Section 2.11(f).

(b) In the event and on each occasion that the aggregate Revolving Exposures exceeds the aggregate Revolving Commitments, the Borrower shall prepay Revolving Loans or Swingline Loans (or, if no such Loans are outstanding, deposit Cash Collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of Holdings, the Borrower or any Restricted Subsidiary in respect of any Prepayment Event, the Borrower shall, within five Business Days after such Net Proceeds are received, offer to prepay (or, in the case of a Prepayment Event described in clause (b) of the definition of the term “Prepayment Event,” within three Business Days after such Net Proceeds are received, offer to prepay) by delivering written notice to the Administrative Agent in accordance with Section 2.11(e)(ii), Term Loans in an aggregate amount equal to 100% of such Net Proceeds; provided that, in the case of any Disposition/Casualty Prepayment Event, if the Borrower or the Restricted Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within 12 months after receipt of such Net Proceeds in the Borrower and the Restricted Subsidiaries (including any Investments permitted under Section 6.04 (other than 6.04(a))), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be invested) by the end of such 12-month period (or if committed to be so invested within such 12-month period, have not been so invested within 180 days after the 12-month period that follows receipt thereof), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested); provided further that, in the case of a Disposition/Casualty Prepayment Event, the Borrower may use a portion of such Net Proceeds to prepay or repurchase any other Indebtedness that is secured by Liens on the Collateral ranking on an equal priority basis (but without regard to control of remedies) with the Liens on the Collateral securing the Secured Obligations to the extent such other Indebtedness and the Liens securing such Indebtedness are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness. Prepayments made, or required to be offered to be made, pursuant to this Section 2.11(c) shall be offered and, if applicable, applied, in accordance with the applicable provisions of Section 2.11(e) and Section 2.11(f).

(d) Following the end of each fiscal year of the Borrower, commencing with the fiscal year ending December 31, 2020 (each such applicable fiscal year, an “Excess Cash Flow Period”), the Borrower

shall offer to prepay Term Loans in an aggregate amount equal to the ECF Percentage (after giving effect to any adjustment pursuant to the Permitted ECF Recalculation Considerations (as defined below)) of Excess Cash Flow for such Excess Cash Flow Period; provided that (A) such amount shall be reduced, at the option of the Borrower, by the aggregate amount (other than any amount applied to reduce the prepayment required under this paragraph in respect of any prior year) of (i) prepayments of Term Loans (and, to the extent the Revolving Commitments are permanently reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans) made pursuant to Section 2.11(a) during such fiscal year or after such fiscal year and prior to the time such prepayment is due as provided below, (ii) voluntary prepayments of Indebtedness under Incremental Facilities, Incremental Equivalent Debt and/or Credit Agreement Refinancing Indebtedness, in each case, that are secured by Liens on the Collateral that rank on an equal priority basis (but without regard to control of remedies) with the Liens on the Collateral securing the Secured Obligations during such fiscal year or after such fiscal year and prior to the time such prepayment is due, (in each case of clause (i) and (ii), excluding all such prepayments funded with the proceeds of other long-term Indebtedness (other than revolving Indebtedness), (any payments described in the foregoing clause (i) through (ii) of this proviso made after the end of the applicable Excess Cash Flow Period but prior to the making of the applicable prepayment in respect of such Excess Cash Flow Period, an “After Year End Payment”); and (B) following the making of any After Year End Payment, (i) the Total Net Cash Leverage Ratio shall be recalculated giving pro forma effect to such After Year End Payment as if such payment were made during the applicable Excess Cash Flow Period and the ECF Percentage for purposes of making such Excess Cash Flow prepayment shall be determined by reference to such recalculated Total Net Cash Leverage Ratio and (ii) such After Year End Payment shall not reduce the required amount of any subsequent Excess Cash Flow payment in another Excess Cash Flow Period (the foregoing clauses (A) and (B)), the “Permitted ECF Recalculation Considerations”). Notwithstanding anything to the contrary in the foregoing, the Borrower may use a portion of such amount of Excess Cash Flow (as so reduced) in respect of any such fiscal year that would otherwise be required to be applied to prepay Term Loans to prepay or repurchase any other Indebtedness that is secured by Liens on the Collateral that rank on an equal priority basis (but without regard to control of remedies) with the Liens on the Collateral securing the Secured Obligations to the extent such other Indebtedness and the Liens securing such other Indebtedness are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with Excess Cash Flow, in each case in an amount not to exceed the product of (A) the amount of Excess Cash Flow (as so reduced) in respect of such fiscal year otherwise required to be applied to prepay Term Loans (without giving effect to this sentence) and (B) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness. Each prepayment pursuant to this paragraph shall be offered to be made by giving written notice to the Administrative Agent in accordance with Section 2.11(e)(ii) on or before the date that is five Business Days after the date on which financial statements are required to be delivered pursuant to Section 5.01(a) with respect to the Excess Cash Flow Period for which Excess Cash Flow is being calculated. Any Excess Cash Flow payment pursuant to this clause (d) shall only be required with respect to amounts in excess of \$2,500,000 for any Excess Cash Flow Period (and only such excess amount shall be applied to the payment thereof). Prepayments made, or required to be offered to be made, pursuant to this Section 2.11(d) shall be offered and, if applicable, applied, in accordance with the applicable provisions of Section 2.11(e) and Section 2.11(f).

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the applicable Notice of Prepayment.

(i) (A) subject to the provisions of Section 2.11(e)(ii) below, each prepayment of Term Loans required to be made under Section 2.11(c) (other than with respect to a Specified Debt

Incurrence Prepayment Event, which is subject to clause (B) below) and Section 2.11(d) shall be allocated to the Classes of Term Loans outstanding, pro rata based on the aggregate principal amount of outstanding Borrowings due in respect of each such Class of Term Loans (subject to any Class of Term Loans (including any Class of Extended Term Loans) having agreed to receive a less than pro rata share of any such mandatory prepayment and taking into account any reduction in the amount of any required Excess Cash Flow payment to any Class of Term Loans), shall be applied pro rata to Lenders within each Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and shall be applied to reduce such scheduled repayment amounts within each such Class in accordance with Section 2.11(f)(ii) and (B) each prepayment of Term Loans elected by the Borrower to be made pursuant to Section 2.11(a) or required to be made by Section 2.11(c) in connection with a Specified Debt Incurrence Prepayment Event shall be allocated to any Class of Term Loans outstanding as directed by the Borrower (subject to the requirement that the Net Cash Proceeds of any Specified Debt Incurrence Prepayment Event shall, if applicable, be applied to prepay or repay the applicable Refinanced Indebtedness), shall be applied pro rata to Lenders within each such Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and shall be applied to reduce such scheduled repayment amounts within each such Class in accordance with Section 2.11(f)(i) (for the avoidance of doubt, the Borrower may (i) prepay Term Loans of an Existing Term Loan Class pursuant to Section 2.11(a) or any Specified Debt Incurrence Prepayment Event without any requirement to prepay Extended Term Loans that were converted or exchanged from such Existing Term Loan Class and (ii) prepay Extended Term Loans pursuant to Section 2.11(a) or pursuant to any Specified Debt Incurrence Prepayment Event without any requirement to prepay Term Loans of an Existing Term Loan Class that were converted or exchanged for such Extended Term Loans and in the event that the Borrower does not specify the Classes of Term Loans to be prepaid, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the repayment amounts among Term Loan Classes on a pro rata basis).

(ii) With respect to each offer of prepayment required by Section 2.11(c) and Section 2.11(d), (A) the Borrower will give the Administrative Agent written notice substantially in the form of Exhibit H hereto of any such offer to make a mandatory prepayment of Term Loans within the time periods specified in Section 2.11(c) and Section 2.11(d), prior to such offer of prepayment and request that the Administrative Agent provide notice of such offer to make a mandatory prepayment to each Lender and the Administrative Agent will promptly notify each Lender, (B) each Lender of Term Loans will have the right to refuse any such offer of prepayment by giving written notice (each, a “Rejection Notice”) of such refusal to the Administrative Agent and the Borrower no later than 3:00 p.m. (New York City time) one Business Day after the date the Administrative Agent delivers notice of such offer of prepayment to such Lender, and to the extent any such offer of prepayment is so refused, the aggregate amount of the offered prepayment that would have been applied to prepay Term Loans of any such Class but was so declined shall be retained by the Borrower and the Restricted Subsidiaries (such amounts, “Retained Declined Proceeds”) and (C) the Borrower will make all such prepayments not so refused upon the tenth Business Day after the Administrative Agent delivers notice of such offer of prepayment to the Lenders. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total offered amount of such mandatory prepayment of Term Loans. For the avoidance of doubt, this Section 2.11(e)(ii) does not apply to any prepayment pursuant to Section 2.11(c) in respect of a Specified Debt Incurrence Prepayment Event, which prepayment shall be mandatory and may not be declined, waived or refused.

(f) Application to Term Loans.

(i) With respect to each prepayment of Term Loans elected to be made by the Borrower pursuant to Section 2.11(a) or required to be made pursuant to a Specified Debt Incurrence Prepayment Event, such prepayments shall be applied on a pro rata basis to the Lenders within any Class entitled to receive such prepayment to reduce scheduled repayment amounts in such order as the Borrower may specify (or, if not specified, in direct order of maturity) and the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided that the Borrower pays any amounts, if any, required to be paid pursuant to Section 2.16 with respect to prepayments of Eurocurrency Loans made on any date other than the last day of the applicable Interest Period. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent, shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16.

(ii) After giving effect to the provisions of Section 2.11(e)(ii), with respect to each prepayment of Term Loans by the Borrower required to be made pursuant to Section 2.11(c) (other than in respect of a Specified Debt Incurrence Prepayment Event) or Section 2.11(d), such prepayments shall be applied on a pro rata basis to the Lenders within any Class entitled to receive such prepayment to reduce scheduled repayment amounts in direct order of maturity and irrespective of whether such outstanding Term Loans are ABR Loans or Eurocurrency Loans; provided that, if no Lender exercises the right to refuse an offered mandatory prepayment of the Term Loans pursuant to Section 2.11(e)(ii), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurocurrency Loans in a manner that minimizes breakage costs owing under Section 2.16.

(g) Application to Revolving Loans. With respect to each prepayment of Revolving Loans, Other Revolving Loans and Replacement Revolving Loans elected by the Borrower pursuant to Section 2.11(a) or required by Section 2.11(b), the Borrower may designate (i) the Class and Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which such Loans were made and (ii) the Class of Revolving Loans, Other Revolving Loans or Replacement Revolving Loans to be prepaid; provided that (x) Eurocurrency Loans may be designated for prepayment pursuant to this Section 2.11 only on the last day of an Interest Period applicable thereto unless all Eurocurrency Loans with Interest Periods ending on such date of required prepayment and all ABR Loans have been paid in full; (y) each prepayment of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans of such Class (except that any prepayment made in connection with a reduction of the Commitments of such Class pursuant to Section 2.08 shall be applied pro rata based on the amount of the reduction in the Commitments of such Class of each applicable Lender); and (z) notwithstanding the provisions of the preceding clause (y), at the option of the Borrower, no prepayment made pursuant to Section 2.11(a) or Section 2.11(b) of Revolving Loans, Other Revolving Loans or Replacement Revolving Loans of any Class shall be applied to the Loans of any Defaulting Lender. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent, shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16.

(h) The Borrower shall notify the Administrative Agent (and in the case of prepayment of a Swingline Loan, the Swingline Lender) of any optional prepayment pursuant to Section 2.11(a) by delivering a notice of such prepayment substantially in the form of Exhibit H hereto (the “Notice of Prepayment”) to the Administrative Agent (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 2:00 p.m., New York City time, three Business Days prior to the date of prepayment or (ii) in the

case of prepayment of an ABR Borrowing, not later than 2:00 p.m., New York City time, on the Business Day before the date of such prepayment. Each such notice shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid. In the case of any Notice of Prepayment with respect to any optional or mandatory prepayment, promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. At the Borrower's election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender and shall be allocated ratably among the relevant non-Defaulting Lenders.

(i) Notwithstanding any other provisions of Section 2.11(c) or Section 2.11(d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary or an FSHCO giving rise to a prepayment pursuant to Section 2.11(c) (a "Foreign Subsidiary/FSHCO Prepayment Event") or Excess Cash Flow of a Foreign Subsidiary or FSHCO giving rise to a payment pursuant to Section 2.11(d) are prohibited by or would violate or conflict with any Requirement of Law from being repatriated or distributed to the Borrower or would conflict with the fiduciary duties of such Foreign Subsidiary or FSHCO's directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member or management or consultant of such Foreign Subsidiary or FSHCO, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be offered to prepay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary or FSHCO so long, but only so long, as the applicable Requirement of Law will not permit repatriation or distribution to the Borrower (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary or FSHCO to use commercially reasonable efforts to promptly take all actions required by the applicable Requirement of Law to permit such repatriation or distribution), and once such repatriation or distribution of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, such repatriation or distribution will be promptly effected and such repatriated or distributed Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation or distribution) offered to the prepayment of (net of additional taxes payable or reserved against as a result thereof) the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable, (B) to the extent that and for so long as the Borrower has determined reasonably and in good faith that repatriation or distribution of any of or all the Net Proceeds of any Foreign Subsidiary/FSHCO Prepayment Event or Excess Cash Flow would have a material adverse tax consequence for the Borrower, any of its Subsidiaries, any Parent Entity or direct or indirect equityholder of the Borrower or such Parent Entity (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation or distribution), including any withholding tax, with respect to such Net Proceeds or Excess Cash Flow if such amount were repatriated or distributed as a dividend, the Net Proceeds or Excess Cash Flow so affected will not be required to be offered to the prepayment of Term Loans (or other Loans required to be prepaid) at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary or FSHCO; provided that when the Borrower determines reasonably and in good faith that repatriation or distribution of any of or all the Net Proceeds of any Foreign Subsidiary/FSHCO Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation or distribution) with respect to such Net Proceeds or Excess Cash Flow if such amount were repatriated or distributed as a dividend, such Net Proceeds or Excess Cash Flow shall be promptly (and in any event not later than three Business Days after such repatriation or distribution) applied (net of additional taxes payable or reserved

against as a result thereof) or offered to the prepayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable and (C) in connection with any prepayment attributable to any Joint Venture, to the extent that repatriation or distribution of any or all of the Net Proceeds of any Foreign Subsidiary/FSHCO Prepayment Event or Excess Cash Flow of a Foreign Subsidiary or FSHCO giving rise to a prepayment pursuant to Section 2.11(c) or Section 2.11(d) would violate any Organizational Document of any such Joint Venture (or any relevant shareholders' or similar agreement) existing on the Effective Date or the date of Investment in such Joint Venture (so long as such restrictions in such Organizational Documents were not entered into for purposes of circumventing such Joint Venture's obligations to make any payment in respect of such Excess Cash Flow or a Foreign Subsidiary/FSHCO Prepayment Event), in each case if the amount subject to the relevant prepayment were upstreamed or transferred as a distribution or dividend the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be offered to the prepayment of the Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary or FSHCO so long, but only so long, as the applicable Organizational Documents will not permit repatriation or distribution to the Borrower, and once such repatriation or distribution of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable Organizational Documents, such repatriation or distribution will be promptly effected and such repatriated or distributed Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation or distribution) applied (net of additional taxes payable or reserved against as a result thereof) offered to the prepayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable.

SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in Dollars for the account of each Revolving Lender a commitment fee, which shall accrue at the rate of 0.50% per annum on the average daily unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments terminate. Accrued commitment fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) The Borrower agree to pay (i) to the Administrative Agent in Dollars for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurocurrency Revolving Loans on the daily balance of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, (ii) to each Issuing Bank in Dollars a fronting fee, which shall accrue at 0.125% per annum or such other rate as may be separately agreed to by the relevant Issuing Bank and the Borrower on the average daily balance of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, and (iii) such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder.

(c) Participation fees and fronting fees accrued through and including the last Business Day of March, June, September and December of each year shall be payable on the last Business Day of each such month, commencing on the first such date to occur after the Effective Date, provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable in accordance with such Issuing Bank's applicable procedures relating thereto. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to an Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Except as may otherwise be separately agreed, fees paid hereunder shall not be refundable under any circumstances.

(f) Notwithstanding the foregoing, and subject to Section 2.22, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.12, and any fees that would otherwise be payable to a Defaulting Lender under clause (i) of Section 2.12(b) shall, to the extent the LC Exposure of such Defaulting Lender shall have been reallocated pursuant to Section 2.22(a)(iv), be paid to the non-Defaulting Lenders in respect of the amounts of such LC Exposure for which they shall be liable from time to time.

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) [Reserved].

(d) Notwithstanding the foregoing, after the occurrence and continuance of an Event of Default pursuant to Section 7.01(a), (b), (h) or (i), if any principal of or interest on any Loan or any premium, fee or other amount by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of any overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount (including overdue interest), 2.00% per annum plus the rate applicable to Revolving Loans that are ABR Loans as provided in paragraph (a) of this Section; provided that no amount shall be payable pursuant to this Section 2.13(d) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided further that, no amounts shall accrue pursuant to this Section 2.13(d) on any reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender (it being understood that interest on such amounts shall accrue at the non-default rates otherwise applicable thereto).

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments,

provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All computations of interest for ABR Loans (when the Alternate Base Rate is based on the Prime Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.18, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.14 Alternate Rate of Interest.

(a) If at least two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (ii) or clause (i) above, "Impacted Loans"),

then the Administrative Agent shall give written notice thereof to the Borrower and the Lenders by hand delivery, facsimile or other electronic transmission as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (ii) such Borrowing shall be made as an ABR Borrowing and the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

(b) Notwithstanding any of the provisions in this Agreement to the contrary, if the Borrower and the Administrative Agent reasonably determine in good faith, or the Borrower and Required Lenders notify the Administrative Agent, that (1) an interest rate is not ascertainable pursuant to the provisions of the definition of "LIBO Rate" and the inability to ascertain such rate is unlikely to be temporary, (2) the London Interbank Offered Rate as described in clause (i) of the definition of "LIBO Rate" shall no longer be made available or used for determining the interest rate of loans or (3) syndicated leveraged loans of this type in the United States are currently being executed or amended (as applicable) to incorporate or adopt new benchmark interest rates to replace the London Interbank Offered Rate, the "LIBO Rate" shall be an alternate rate that is reasonably commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its reasonable discretion) that shall include appropriate mathematical or other adjustments to minimize any changes to pricing in effect at the time of selection of such alternate rate of interest (and, for the avoidance of doubt, such alternate rate of interest as so modified

shall not reduce the Applicable Rate in effect at the time of selection of such alternate rate of interest) and will be an alternate rate of interest established by the Administrative Agent and the Borrower, so long as the Lenders shall have received at least five Business Days' prior written notice thereof (the "Notice Period"), in which case, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and make such other related changes to this Agreement as may be applicable, including any Successor Rate Conforming Changes; provided that such alternate rate of interest shall not apply (and any such amendment shall not be effective) to the extent the Administrative Agent has received a written objection within the Notice Period from the Required Lenders (any such alternate rate of interest so established in accordance with the foregoing provisions of this clause (d), the "Successor Benchmark Rate"); provided that any such amendment shall become effective without any further action or consent of any other party to this Agreement, notwithstanding anything to the contrary in Section 9.02, provided, further, that, until such Successor Benchmark Rate has been determined pursuant to this paragraph, (A) any request for Borrowing, the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective; (B) in the case of any affected Eurocurrency Borrowing, such Borrowing shall be converted to an ABR Borrowing and (C) the LIBO Rate component shall no longer be utilized in determining the Alternate Base Rate. Notwithstanding anything else herein, any Successor Benchmark Rate shall provide that in no event shall such Successor Benchmark Rate be less than zero for purposes of this Agreement. For the purpose hereof, "Successor Rate Conforming Changes" shall mean such changes as may be necessary to reflect the available interest periods for the alternate rate, including conforming the definition of Alternate Base Rate, Interest Period, the timing and frequency of determining rates and making payments of interest and other administrative matters as may be reasonably agreed by the Borrower and the Administrative Agent.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender or any Issuing Bank to any Taxes on its Loans, letters of credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or Issuing Bank of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered, provided that the Borrower shall not be liable for such compensation if, in the case of requests for reimbursement under clause (ii) above resulting from a market disruption, (A) the relevant circumstances are not generally affecting the banking market or (B) the applicable request has not been

made by Lenders constituting Required Lenders; provided, further, that to the extent any such costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives enacted or promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 or under Basel III, then such Lender shall be compensated pursuant to this Section 2.15(a) only to the extent such Lender is imposing such charges on similarly situated borrowers where the terms of other syndicated credit facilities permit it to impose such charges. Notwithstanding the foregoing, this paragraph will not apply to (A) Indemnified Taxes, (B) Other Taxes or (C) Excluded Taxes.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy and liquidity), then, from time to time upon request of such Lender or Issuing Bank contemplated by clause (c) below, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) Any Lender or an Issuing Bank requesting compensation under this Section 2.15 shall be required to deliver a certificate to the Borrower, (i) setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section, (ii) setting forth, in reasonable detail, the manner in which such amount or amounts were determined and (iii) certifying that such Lender or Issuing Bank is generally charging such amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error. Unless subject to dispute, the Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto, (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice is revoked) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, Section 2.24(h) or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the actual loss, cost and expense incurred by such Lender attributable to such event (other than loss of profit).

Any Lender requesting compensation under this Section 2.16 shall be required to deliver a certificate to the Borrower setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section, the basis therefor and, in reasonable detail and the manner in which such amount or amounts were determined, which certificate shall be conclusive absent manifest error. Unless subject to dispute, the Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, provided that if the applicable Withholding Agent shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable Withholding Agent) to deduct any Taxes from such payments, then (i) the applicable Withholding Agent shall make such deductions, (ii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law and (iii) if the Tax in question is an Indemnified Tax or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional amounts payable under this Section 2.17) the Lender (or, in the case of a payment received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with Requirements of Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Loan Parties shall indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes and any Other Taxes payable or paid by, or required to be withheld or deducted from a payment to, the Administrative Agent or such Lender, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent) or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of any Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law and such other documentation reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation (other than such documentation set forth in

Section 2.17(e)(1), (2)(A)-(D), and (3) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 2.17.

Without limiting the foregoing:

(1) Each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor forms), as applicable, claiming eligibility for the benefits of an income tax treaty to which the United States is a party, establishing an exemption from, or reduction of, U.S. federal withholding Tax (i) pursuant to the "interest" article of such tax treaty with respect to payments of interest under any Loan Document and (ii) pursuant to the "business profits" or "other income" article of such tax treaty with respect to any other applicable payments under any Loan Document,

(B) two executed copies of IRS Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates substantially in the form of Exhibit I-1, I-2, I-3 and I-4, as applicable, (any such certificate, a "U.S. Tax Compliance Certificate") and (y) two executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (or any successor forms), as applicable,

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two executed copies of IRS Form W-8IMY (or any successor forms) of the Lender, accompanied by an IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, U.S. Tax Compliance Certificate, IRS Form W-9, or any other required information (or any successor forms) from each beneficial owner that would be required under this

Section 2.17(e) if such beneficial owner were a Lender, as applicable (provided that, if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) two executed copies of any other form prescribed by applicable U.S. federal income tax laws as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(3) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (3), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(4) The Administrative Agent shall deliver to the Borrower, on or prior to the Closing Date (or, in the case of a successor Administrative Agent, on or before the date on which it becomes the Administrative Agent), a properly completed and executed Internal Revenue Service Form W-8IMY (indicating "Qualified Intermediary" or U.S. branch status) or Internal Revenue Service Form W-9, as applicable.

Notwithstanding any other provisions of this paragraph (e), a Lender shall not be required to deliver any form or other documentation that such Lender is not legally eligible to deliver.

(f) If the Administrative Agent or a Lender determines in its sole discretion exercised in good faith that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower pursuant to this Section 2.17(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of

any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary, (i) in no event with the Administrative Agent or any Lender be required to pay any amount pursuant to this paragraph (f) the payment of which would place the administrative Agent or Lender, as applicable, in a less favorable net after-Tax position than the Administrative Agent or Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid and (ii) this Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential to any Loan Party or any other Person).

(g) Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, or the consummation of the transactions contemplated hereby, the repayment, satisfaction or discharge of all obligations under any Loan Document, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

(h) For purposes of this Section 2.17 and the indemnity set forth in Article 8, the term "Lender" shall include any Issuing Bank and the Swingline Lender and "applicable Requirements of Law" shall include FATCA.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or reimbursement of LC Disbursement of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except payments to be made directly to any Issuing Bank or the Swingline Lender shall be made as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment (other than payments on the Eurocurrency Loans) under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan or LC Disbursement (or of interest thereon) and all other payments under each Loan Document, in each case, shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest, premiums and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest, premiums and fees then

due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest, premiums and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) Except as otherwise set forth in this Agreement or any other Loan Document, if any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of a given Class or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans or participations in LC Disbursements or Swingline Loans and accrued interest thereon than the proportion received by any other Lender and such other Lender would have been entitled to be treated on a pro rata basis with such receiving Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans or participations in LC Disbursements or Swingline Loans of such other Lender at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders entitled to such payment ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans or participations in LC Disbursements or Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for any permitted assignment of or sale of a participation in any of its Loans, Commitments or participations in LC Disbursements or Swingline Loans to any assignee or participant, including any payment made or deemed made in connection with an Incremental Refinancing Facility or Sections 2.22 or 9.02 or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension, including under Section 2.24. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), Section 2.05(e) or Section 2.05(f), Section 2.06(a) or Section 2.06(b), this Section 2.18 or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as Cash Collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and

obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.23, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents (other than its existing rights to payments pursuant to Section 2.15 or Section 2.17) to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Issuing Bank and the Swingline Lender), which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements and Swingline Loans, accrued but unpaid interest thereon, accrued but unpaid fees, if any, and all other amounts, if any, payable to it hereunder from the assignee or the Borrower, (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 Incremental Loans and Commitments.

(a) The Borrower may at any time or from time to time (on one or more occasions) after the Amendment No. 1 Effective Date, with notice to the Administrative Agent, pursuant to an Incremental Facility Amendment (i) add one or more additional Classes of term loans or additional term loans of the same Class of any existing Class of term loans or increases of any existing Class of term loans (the "Incremental Term Loans"), (ii) increase the amount of the Revolving Commitments of any Class (each such increase, an "Incremental Revolving Commitment Increase") or (iii) only as described in clause (ii) of the proviso to the succeeding sentence and constituting an Incremental Refinancing Facility, add one or more additional Classes of revolving credit commitments (the "Replacement Revolving Commitments" and, together with any Incremental Term Loans and Incremental Revolving Commitment Increases, the "Incremental Facilities" and the commitments in respect thereof, the "Incremental Commitments"); provided that, subject to Section 1.08, at the time of the incurrence of any such Incremental Facility, (1) no Event of Default shall have occurred and be continuing or would result therefrom and (2) (x) the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct

in all material respects; provided that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided further that any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct in all respects or (y) in the case of any Permitted Acquisition or similar Investment, the Specified Representations shall be true and correct in all material respects (unless such representations relate to an earlier date, in which case, such representations shall have been true and correct in all materials respect as of such earlier date); provided that, if any Specified Representation is qualified by or subject to a “material adverse effect”, “material adverse change” or similar term or qualification shall be true and correct in all respects. Notwithstanding anything to contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Incremental Cap at such time; provided that (i) Incremental Term Loans may be incurred without regard to the Incremental Cap, without regard to whether an Event of Default has occurred and is continuing and, without regard to the minimums set forth in the immediately succeeding sentence, to the extent that the Net Proceeds from such Incremental Term Loans on the date of incurrence of such Incremental Term Loans (or substantially concurrently therewith) are used to either (x) prepay Term Loans and related amounts in accordance with the procedures set forth in Section 2.11(e) or Section 2.11(f) as applicable, or (y) permanently reduce the Revolving Commitments, Other Revolving Commitments or Replacement Revolving Commitments and (ii) Replacement Revolving Commitments may be provided without regard to the Incremental Limit, without regard to whether a Default or an Event of Default has occurred and is continuing and without regard to the minimums set forth in the immediately succeeding sentence, to the extent that the existing Revolving Commitments, Other Revolving Commitments or other Replacement Revolving Commitments shall be permanently reduced by an amount equal to the aggregate amount of Replacement Revolving Commitments so provided (and any such Replacement Revolving Commitments shall be deemed to have been incurred pursuant to this proviso) (any Incremental Facility incurred for the purposes set forth in this proviso, an “Incremental Refinancing Facility”; the term loans under such Incremental Refinancing Facility, “Incremental Refinancing Term Loans”). Each Incremental Facility (other than as set forth in the preceding proviso) shall be in a minimum principal amount of \$10,000,000 and integral multiples of \$1,000,000 in excess thereof (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$10,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b) (i) Any Incremental Facility shall rank equal in right of payment and security with the Initial Term Loans, the 2020 Incremental Term Loans or Revolving Loans, as applicable, shall be secured only by all or a portion of the Collateral securing the Secured Obligations and shall not be incurred or guaranteed by any other Person which is not a Loan Party, (ii) except with respect to any Incremental Facility constituting a customary bridge facility, so long as the Indebtedness into which any such customary bridge facility is to be converted or exchanged satisfies the requirements of this clause (ii) and such conversion or exchange is subject only to conditions customary for similar conversions or exchanges and Incremental Facilities subject to Customary Escrow Provisions, the Incremental Term Loans shall not mature earlier than the applicable Latest Maturity Date, (iii) except with respect to any Incremental Facility constituting a customary bridge facility, so long as the Indebtedness into which any such customary bridge facility is to be converted or exchanged satisfies the requirements of this clause (iii) and such conversion or exchange is subject only to conditions customary for similar conversions or exchanges and Incremental Facilities subject to Customary Escrow Provisions, the Incremental Term Loans shall not have a shorter Weighted Average Life to Maturity than the Initial Term Loans or the 2020 Incremental Term Loans, as applicable, (iv) the Incremental Facilities shall have a maturity date (subject to clause (ii)), an amortization schedule (subject to clause (iii)), interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, AHYDO Catch-Up Payments, funding discounts, original issue discounts, currency types and denominations and prepayment terms and premiums as determined by the Borrower and the lenders of such applicable Incremental Facilities; provided that, in the case of any Incremental Term Loans

that are not Incremental Refinancing Term Loans incurred after the Amendment No. 1 Effective Date, in the event that the Effective Yield for such Incremental Term Loans is greater than the Effective Yield for the Initial Term Loans and/or the 2020 Incremental Term Loans, as applicable, by more than 0.50% per annum, then the Applicable Rate for such Initial Term Loans and/or 2020 Incremental Term Loans, as applicable, shall be increased to the extent necessary so that the Effective Yield for such Initial Term Loans and/or 2020 Incremental Term Loans, as applicable, shall be equal to the Effective Yield with respect to such Incremental Term Loans minus 0.50% per annum (this proviso, the “MFN Adjustment”); (v) any mandatory prepayment (other than any scheduled amortization payment) of Incremental Term Loans shall be offered to be made on a pro rata basis with the Initial Term Loans and/or the 2020 Incremental Term Loans, as applicable, except that the Borrower and the lenders providing the relevant Incremental Term Loans shall be permitted, in their sole discretion, to elect to prepay or receive, as applicable, any such prepayment on a less than pro rata basis (but not on a greater than pro rata basis) and (vi) the Incremental Term Loans may otherwise have terms and conditions different from those of the Initial Term Loans or 2020 Incremental Term Loans, as applicable (including currency denomination; provided such currency is reasonably acceptable to the Administrative Agent); provided further that if such terms and conditions are not substantially consistent with the terms of the then-existing Initial Term Loans and/or 2020 Incremental Term Loans, as applicable, except with respect to matters contemplated by clauses (i) – (v) above, such terms shall be (A) not materially more restrictive on Holdings, the Borrower and its Restricted Subsidiaries than those applicable to such then-existing Term Loans when taken as a whole (it being understood that, to the extent that any covenant or other provision is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such covenant or other provision is either (i) also added for the benefit of all Credit Facilities hereunder not constituting Incremental Term Loans or (ii) only applicable to periods after the Latest Maturity Date at the time of such incurrence) or (B) reasonably satisfactory to the Administrative Agent.

(c) Any Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Credit Facility being increased (it being understood that, if required to consummate an Incremental Revolving Commitment Increase, the pricing, interest rate margins, rate floors and undrawn commitment fees on the Class of Revolving Commitments being increased may be increased for all applicable existing Revolving Lenders and additional upfront or similar fees may be payable to the lenders providing the Incremental Revolving Commitment Increase (without any requirement to pay such fees to any existing Revolving Lenders)).

(d) The Replacement Revolving Commitments may only be incurred as an Incremental Refinancing Facility and (i) shall not mature earlier than the then-existing Latest Maturity Date and shall require no amortization or mandatory commitment reduction prior to the then-existing Latest Maturity Date, (ii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts, currency types and denominations, prepayment terms and premiums and commitment reduction and termination terms as determined by the Borrower and the lenders of such commitments, (iii) shall contain borrowing, repayment and termination of Commitment procedures as determined by the Borrower and the lenders of such commitments, (iv) may include provisions relating to letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such sub-facilities, the fees payable in connection therewith and the identity of the letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders of such commitments and the applicable letter of credit issuers and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Facility Amendment) to the terms relating to the Letters of Credit with respect to the applicable Class of Revolving Commitments or otherwise reasonably acceptable to the Administrative Agent and (v) may otherwise have terms and conditions

different from those of the Revolving Credit Facility (including currency denomination); provided that except with respect to matters contemplated by clause (c) above and clauses (i)-(iv) of this clause (d), if any differences are not substantially consistent with the terms of the Revolving Credit Facility, such terms shall be not materially more restrictive on Holdings, the Borrower and its Restricted Subsidiaries than those applicable to the then-existing Revolving Credit Facility, as applicable, when taken as a whole (it being understood that, to the extent that any covenant or other provision is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such covenant or other provision is either (i) also added for the benefit of all Credit Facilities hereunder not constituting Replacement Revolving Commitments, or (ii) only applicable to periods after the Latest Maturity Date at the time of such incurrence) or reasonably satisfactory to the Administrative Agent.

(e) [Reserved].

(f) Commitments in respect of Incremental Term Loans, Incremental Revolving Commitment Increases and Replacement Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender's applicable Revolving Commitment) under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender or Additional Lender, if any, agreeing to provide such Commitment (it being agreed that any Person other than a Lender agreeing to provide such Commitment shall meet the requirements set forth in the definition of "Additional Lender"), and the Administrative Agent. Incremental Term Loans and loans under Incremental Revolving Commitment Increases and Replacement Revolving Commitments shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, without limitation, to (i) in connection with an Incremental Revolving Credit Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Credit Lenders, (ii) in connection with Classes of Incremental Term Loans, to extend the "prepayment premium" period for the benefit of any existing Class of Term Loans to the extent that such Class of Incremental Term Loans shall have the benefit of such longer or higher "prepayment premium" period, (iii) increase the Effective Yield of the applicable Class of Term Loans or amend the amortization applicable thereto or otherwise make changes to the extent necessary in order to ensure that any applicable Class of Incremental Term Loans are "fungible" with such existing Class of Term Loans; provided that any such amendment to the amortization applicable to any existing Class of Term Loans shall not result in the decrease of any amortization payment any Lender of such Class of Term Loans would have received prior to giving effect to such amendment, (iv) add or extend "soft call" or add or extend any other "call protection", in either case, for the benefit of any existing Class of Term Loans) and (v) in connection with any incurrence of any Incremental Facility denominated in a currency other than Dollars, to add interest rate definitions and other currency provisions that are customarily included in agreements contemplating Borrowings or the execution of credit documents in any such currency. The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan and the issuance, increase in the amount, or extension of a Letter of Credit thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction of such conditions as the parties thereto shall agree (subject to the foregoing provisions of this Section 2.20). The Loan Parties will use the proceeds of the Incremental Term Loans, Incremental Revolving Commitment Increases and Replacement Revolving Commitments for working capital and other general corporate purposes, including the financing of acquisitions permitted hereunder and other Investments, permitted Restricted Payments and any other purpose not prohibited by this Agreement.

(g) Incremental Facilities may be provided by (x) any existing Lender (in its sole discretion), or (y) any Additional Lender, subject to the consent of (i) the Administrative Agent (not to be unreasonably withheld or delayed) if such consent would be required under Section 9.04 for assignments or participations of Term Loans, Revolving Loans or Commitments, as applicable, to the relevant Person and (ii) in the case of any Replacement Revolving Commitments or Incremental Revolving Commitment Increases, each Issuing Bank and the Swingline Lender.

(h) Each Lender or Additional Lender providing a portion of any Incremental Facility shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Facility Amendment) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Facility. On the effective date of such Incremental Facility, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(i) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Amendment and/or any amendment to any other Loan Document as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or Commitments pursuant to this Section 2.20 and such technical amendments (including, without limitation, as set forth in clause (f) above) as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.20.

(j) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.21 [Reserved].

SECTION 2.22 Defaulting Lenders.

(a) General. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(f)(i), the last sentence of Section 2.11(f)(ii) and the last sentence of Section 2.11(g), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank and the Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, in the case of a Revolving Lender, if so determined by the Administrative Agent, Holdings and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans

under this Agreement; fifth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Issuing Bank or the Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, or LC Disbursements owed to, as applicable, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to the other provisions of this Section 2.22(a)(ii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 2.05(j) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(f).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Swingline Loans and Letters of Credit pursuant to Section 2.04 and Section 2.05, the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swingline Loans shall not at any time exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the aggregate Revolving Exposure of that Lender. If the reallocation provided for in the preceding sentence cannot, or can only partially, be effected, the Borrower shall (A) first, prepay the portion of such Defaulting Lender's Swingline Exposure that has not been reallocated and (B) second, cash collateralize for the benefit of the Issuing Banks the portion of such Defaulting Lender's LC Exposure that has not been reallocated in accordance with the procedures set forth in Section 2.05(j) for so long as such unallocated LC Exposure is outstanding.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swingline Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.22(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a

Defaulting Lender; and provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.23 Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurocurrency Loans or to convert ABR Loans to Eurocurrency Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Loans of such Lender to ABR Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall, during the period of such suspension, compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 Loan Modification Offers.

(a) The Borrower may at any time and from time to time request that all or a portion of each Term Loan of any Class (an "Existing Term Loan Class") be converted or exchanged to extend the scheduled final maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so extended, "Extended Term Loans") and to provide for other terms consistent with this Section 2.24. Prior to entering into any Loan Modification Agreement with respect to any Extended Term Loans, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class, with such request offered equally to all such Lenders of such Existing Term Loan Class) (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which terms shall be similar to the Term Loans of the Existing Term Loan Class from which they are to be extended except that (w) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of all or a portion of any principal amount of such Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.10 or in the Loan Modification Agreement or the Incremental Facility Amendment, as the case may be, with respect to the Existing Term Loan Class of Term Loans from which such Extended Term Loans were extended, in each case as more particularly set forth in Section 2.24(c) below), (x)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, AHYDO Catch-Up Payments, original issue discounts, currency types and denominations and prepayment terms and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided

in the applicable Loan Modification Agreement, (y) subject to the provisions set forth in Section 2.11, the Extended Term Loans may have optional prepayment terms (including call protection and prepayment terms and premiums) and mandatory prepayment terms as may be agreed between Holdings, the Borrower and the Lenders thereof and (z) the Loan Modification Agreement may provide for other covenants and terms that apply to any period after the Latest Maturity Date. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Term Loan Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class of Term Loans from which they were extended.

(b) The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class, the Extended Revolving Commitments of any Class and/or any Replacement Revolving Commitments (and, in each case, including any previously extended Revolving Credit Commitments and/or Replacement Revolving Commitments), existing at the time of such request (each, an “Existing Revolving Commitment” and any related revolving credit loans under any such facility, “Existing Revolving Loans”; each Existing Revolving Commitment and related Existing Revolving Loans together being referred to as an “Existing Revolving Class”) be converted or exchanged to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Existing Revolving Loans related to such Existing Revolving Commitments (any such Existing Revolving Commitments which have been so extended, “Extended Revolving Commitments” and any related revolving credit loans, “Extended Revolving Loans”) and to provide for other terms consistent with this Section 2.24. Prior to entering into any Loan Modification Agreement with respect to any Extended Revolving Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Class of Existing Revolving Commitments, with such request offered equally to all Lenders of such Class) (a “Revolving Credit Extension Request”) setting forth the proposed terms of the Extended Revolving Commitments to be established thereunder, which terms shall be similar to those applicable to the Existing Revolving Commitments from which they are to be extended (the “Specified Existing Revolving Commitment Class”) except that (w) all or any of the final maturity dates of such Extended Revolving Commitments may be delayed to later dates than the final maturity dates of the Existing Revolving Commitments of the Specified Existing Revolving Credit Commitment Class, (x)(A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, AHYDO Catch-Up Payments, original issue discounts, currency types and denominations and prepayment terms and premiums with respect to the Extended Revolving Commitments may be different than those for the Existing Revolving Commitments of the Specified Existing Revolving Commitment Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Revolving Commitments in addition to or in lieu of any of the items contemplated by the preceding clause (A) and (y)(1) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be different than those for the Specified Existing Revolving Commitment Class and (2) the Loan Modification Agreement may provide for other covenants and terms that apply to any period after the Latest Maturity Date; provided that, notwithstanding anything to the contrary in this Section 2.24 or otherwise, (I) the borrowing and repayment (other than in connection with a permanent repayment and termination of commitments) of the Extended Revolving Loans under any Extended Revolving Commitments shall be made on a pro rata basis with any borrowings and repayments of the Existing Revolving Loans of the Specified Existing Revolving Commitment Class (the mechanics for which may be implemented through the applicable Loan Modification Agreement and may include technical changes related to the borrowing and repayment procedures of the Specified Existing Revolving Commitment Class), (II) assignments and participations of Extended Revolving Commitments and Extended Revolving Loans shall be governed by the assignment and participation provisions set forth in Section 9.04 and (III) subject to the applicable limitations set forth in Section 2.08, permanent repayments of Extended Revolving Loans (and corresponding permanent reduction in the related Extended Revolving

Commitments) shall be permitted as may be agreed between Holdings and the Borrower and the Lenders thereof. No Lender shall have any obligation to agree to have any of its Revolving Loans or Revolving Commitments of any Existing Revolving Class converted or exchanged into Extended Revolving Loans or Extended Revolving Commitments pursuant to any Loan Modification Offer. Any Extended Revolving Credit Commitments of any Extension Series shall constitute a separate Class of revolving credit commitments from Existing Revolving Commitments of the Specified Existing Revolving Credit Class and from any other Existing Revolving Commitments (together with any other Extended Revolving Commitments so established on such date)

(c) The Borrower shall provide the applicable Loan Modification Offer to the Administrative Agent at least five Business Days (or such shorter period as the Administrative Agent may determine in its reasonable discretion) prior to the date on which Lenders under the Existing Class are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purpose of this Section 2.24. Holdings and the Borrower may, at its election, specify as a condition to consummating any Loan Modification Agreement that a minimum amount (to be determined and specified in the relevant Loan Modification Offer in Holdings' and the Borrower's sole discretion and as may be waived by the Borrower) of Term Loans and/or Revolving Commitments (as applicable) of any or all applicable Classes be tendered. Any Lender (an "Extending Lender") wishing to have all or a portion of its Term Loans, Revolving Commitments or Replacement Revolving Credit Commitments (or any earlier Extended Revolving Commitments) of an Existing Class subject to such Loan Modification Offer converted or exchanged into Extended Loans/Commitments shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Loan Modification Offer of the amount of its Term Loans, Revolving Commitments and/or Replacement Revolving Commitments (and/or any earlier Extended Revolving Commitments) which it has elected to convert or exchange into Extended Loans/Commitments (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate amount of Term Loans, Revolving Commitments and Replacement Revolving Commitments (and any earlier-extended Extended Revolving Commitments) subject to Extension Elections exceeds the amount of Extended Loans/Commitments requested pursuant to the Extension Request, Term Loans, Revolving Commitments, Replacement Revolving Commitments or earlier-extended Extended Revolving Commitments, as applicable, subject to Extension Elections shall be converted to or exchanged to Extended Loans/Commitments on a pro rata basis (subject to such rounding requirements as may be established by the Administrative Agent) based on the amount of Term Loans, Revolving Commitments, Replacement Revolving Commitments and earlier-extended Extended Revolving Commitments included in each such Extension Election or as may be otherwise agreed to in the applicable Loan Modification Agreement. Notwithstanding the conversion of any Existing Revolving Credit Commitment into an Extended Revolving Credit Commitment, unless expressly agreed by the holders of each affected Existing Revolving Credit Commitment of the Specified Existing Revolving Credit Commitment Class, such Extended Revolving Credit Commitment shall not be treated more favorably than all Existing Revolving Commitments of the Specified Existing Revolving Credit Commitment Class for purposes of the obligations of a Revolving Lender in respect of Swingline Loans under Section 2.04 and Letters of Credit under Section 2.05, except that the applicable Loan Modification Agreement may provide that the last day for issuing Letters of Credit may be extended and the related obligations to issue Letters of Credit may be continued (pursuant to mechanics to be specified in the applicable Loan Modification Agreement) so long as the applicable Issuing Bank has consented to such extensions (it being understood that no consent of any other Lender shall be required in connection with any such extension).

(d) Extended Loans/Commitments shall be established pursuant to an amendment (a "Loan Modification Agreement") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.24(d) and notwithstanding anything to the contrary set forth in

Section 9.02, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Loans/Commitments established thereby) executed by the Loan Parties, the Administrative Agent and the Extending Lenders. In addition to any terms and changes required or permitted by Section 2.24(a), each Loan Modification Agreement in respect of Extended Term Loans shall amend the scheduled amortization payments pursuant to Section 2.10 or the applicable Incremental Facility Amendment or Loan Modification Agreement with respect to the Existing Class of Term Loans from which the Extended Term Loans were exchanged to reduce each scheduled installment scheduled to be repaid on any date for the Existing Class in the same proportion as the amount of Term Loans of the Existing Class is to be reduced pursuant to such Loan Modification Agreement (it being understood that the amount of any installment payable with respect to any individual Term Loan of such Existing Class that is not an Extended Term Loan shall not be reduced as a result thereof). In connection with any Loan Modification Agreement, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent and addressed to the Administrative Agent and the applicable Extending Lenders (i) as to the enforceability of such Loan Modification Agreement, this Agreement as amended thereby, and such of the other Loan Documents (if any) as may be amended thereby (in the case of such other Loan Documents as contemplated by the immediately preceding sentence) and covering customary matters and (ii) to the effect that such Loan Modification Agreement, including the Extended Loans/Commitments provided for therein, does not breach or result in a default under the provisions of Section 9.02 of this Agreement.

(e) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Term Loan Class or Class of Existing Revolving Commitments is converted or exchanged to extend the related scheduled maturity date(s) in accordance with paragraph (a) above (an "Extension Date"), (I) in the case of the existing Term Loans of each Extending Lender, the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted or exchanged by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date) and (II) in the case of the Existing Revolving Credit Commitments of each Extending Lender under any Specified Existing Revolving Credit Commitment Class, the aggregate principal amount of such Existing Revolving Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Commitments so converted or exchanged by such Lender on such date (or by any greater amount as may be agreed by the Borrower and such Lender), and such Extended Revolving Commitments shall be established as a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Class and from any other Existing Revolving Commitments (together with any other Extended Revolving Commitments so established on such date) and (B) if, on any Extension Date, any Existing Revolving Loans of any Extending Lender are outstanding under the Specified Existing Revolving Credit Class, such Existing Revolving Loans (and any related participations) shall be deemed to be converted or exchanged to Extended Revolving Loans (and related participations) of the applicable Class in the same proportion as such Extending Lender's Specified Existing Revolving Commitments to Extended Revolving Commitments of such Class.

(f) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans of a given Extension Series or the Extended Revolving Commitments of a given Extension Series, in each case to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Loan Modification Agreement, then the Administrative Agent, Holdings, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Loan Documents (each, a "Corrective Loan Modification Agreement") within 15 days following the effective date of such Loan Modification Agreement, as the case may be, which Corrective Loan Modification Agreement shall (i) provide for the conversion or exchange and extension of

Term Loans under the Existing Term Loan Class or Existing Revolving Commitments (and related Revolving Exposure), as the case may be, in such amount as is required to cause such Lender to hold Extended Term Loans or Extended Revolving Commitments (and related revolving credit exposure) of the applicable Extension Series into which such other Term Loans or Commitments were initially converted or exchanged, as the case may be, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Loan Modification Agreement, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, Holdings, the Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of a Loan Modification Agreement described in Section 2.24(d)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the penultimate sentence of Section 2.24(c).

(g) No conversion or exchange of Loans or Commitments pursuant to any Loan Modification Agreement in accordance with this Section 2.24 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(h) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a “Non-Accepting Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, replace such Non-Accepting Lender by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the applicable Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment); provided that (A) any assignment pursuant to the terms of this Section 2.24(h) may be effected pursuant to an Assignment and Assumption executed by Holdings, the Borrower, the Administrative and the assignee, and the Non-Accepting Lender need not be party thereto, and (B) neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided further that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Loan Modification Agreement, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the applicable Existing Class assigned by it pursuant to this Section 2.24(h), accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees), (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b) and (d) such Non-Accepting Lender shall be entitled to any prepayment premiums or penalties from the Borrower to the extent a premium or penalty would be due in respect of a prepayment of Term Loans pursuant to Section 2.11.

(i) Notwithstanding anything to the contrary, this Section 2.24 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

Borrower and the Restricted Subsidiaries, that no assurance can be given that any particular projections will be realized and that actual results during the period or periods covered by any such projections may differ from the projected results and such differences may be material.

No claim or litigation regarding any of the Intellectual Property owned by Holdings, the Borrower or any Restricted Subsidiary is pending or, to the knowledge of the Borrower, threatened in writing against the Borrower or any Restricted Subsidiary, which, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

SECTION 5.12 Further Assurances.

(a) Each of Holdings and the Borrower will, and will cause each Loan Party to, execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust, account control agreements and other documents), that may be required under any applicable law and that the Administrative Agent or the Required Lenders may reasonably request, to cause the Collateral and Guarantee Requirement to be and remain satisfied at all times, all at the expense of the Loan Parties.

(b) If, after the Effective Date, any assets (including any Material Real Property) are acquired by the Borrower or any other Loan Party (including any acquisition of any material assets upon the formation of any Subsidiary that is a Divided Delaware LLC and is not otherwise an Excluded Subsidiary) or are owned by any Restricted Subsidiary on or after the time it becomes a Loan Party pursuant to Section 5.11 that are intended to be subject to the Liens created by any Security Document but are not so subject to a Lien thereunder (other than assets (i) constituting Collateral under a Security Document that have already become subject to the Lien created by such Security Document upon acquisition thereof or (ii) constituting Excluded Assets), the Borrower will promptly notify the Administrative Agent thereof, and, within 90 days after such acquisition (or such longer period as the Administrative Agent shall reasonably agree), the Borrower will cause such assets to be subjected to a Lien securing the Secured Obligations and will take and cause the other Loan Parties to take, such actions as shall be necessary and reasonably requested by the Administrative Agent and to satisfy the Collateral and Guarantee Requirement.

(c) If, after the Effective Date, any deposit account, securities account or commodities account is opened or is held by the Borrower or any other Loan Party (including through any Permitted Acquisition or following the formation of any Subsidiary) and is not otherwise an Excluded Account, each of Holdings and the Borrower will, and will cause each Loan Party to, use commercially reasonable efforts to execute an Account Control Agreement to cause the Collateral and Guarantee Requirement to be and remain satisfied at all times. Notwithstanding the foregoing, the Loan Parties may close accounts (including Controlled Accounts) and/or open accounts (including Controlled Accounts) without the Administrative Agent's consent, subject to the prompt execution and delivery to the Administrative Agent of an Account Control Agreement with respect to any account (other than any Excluded Account) established or acquired after the Effective Date. The Administrative Agent shall execute any requested and customary notice of termination to the account bank at which such Controlled Account has been maintained; provided that the Loan Parties provide to the Administrative Agent an Account Control Agreement for a replacement Controlled Account consistent with clause (e) of the definition of "Collateral and Guarantee Requirements". For the avoidance of doubt, the Loan Parties may open or close Excluded Accounts at any time, without requirement of delivery of an Account Control Agreement. No notice of control may be issued by the Collateral Agent to the account bank under any Account Control Agreement unless an Event of Default is continuing.

SECTION 5.13 [Reserved].

SECTION 5.14 Certain Post-Closing Obligations.

(a) As promptly as practicable, and in any event within the time periods after the Effective Date specified in Schedule 5.14 or such later date as the Administrative Agent reasonably agrees to in writing, including to reasonably accommodate circumstances unforeseen on the Effective Date, Holdings, the Borrower and each other Loan Party, as applicable, shall deliver the documents or take the actions specified on Schedule 5.14 that would have been required to be delivered or taken on the Effective Date but for the proviso to Section 4.01(f), in each case except to the extent otherwise agreed by the Administrative Agent pursuant to its authority as set forth in the definition of "Collateral and Guarantee Requirement".

(b) Within 90 days after the Effective Date (or such longer period as the Administrative Agent may agree in its sole discretion), the Borrower shall perform or cause to be performed the actions referred to in paragraphs (e) and (f) of the definition of "Collateral and Guarantee Requirement."

SECTION 5.15 Designation of Subsidiaries. The Borrower may at any time after the Effective Date designate (or subsequently re-designate) any Restricted Subsidiary as an Unrestricted Subsidiary (other than any Subsidiary that owns, directly or indirectly, any Equity Interests of, or holds a Lien on, any

Loan Party or any Restricted Subsidiary that is not being designated as an Unrestricted Subsidiary) or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that immediately before and after giving effect to such designation on a pro forma basis, (i) no Event of Default shall have occurred and be continuing or would result therefrom and (ii) the Total Net Cash Leverage Ratio would not exceed 7.00:1.00; provided further that to the extent that any Restricted Subsidiary owns, or holds exclusive licenses or rights to, any intellectual property that is material to the business and operations of the Borrower and the Restricted Subsidiaries (taken as a whole), no such Restricted Subsidiary may be designated as an Unrestricted Subsidiary. No Loan Party or any of its Restricted Subsidiaries shall transfer any ownership right, or exclusive license or right to, any intellectual property that is material to the business and operations of the Borrower and the Restricted Subsidiaries (taken as a whole) to any Unrestricted Subsidiary. The designation of any Restricted Subsidiary as an Unrestricted Subsidiary after the Effective Date shall constitute an Investment by the Borrower (or its applicable Restricted Subsidiary) therein at the date of designation in an amount equal to the Fair Market Value of the Borrower's or the applicable Restricted Subsidiary's investment therein. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (x) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time, (y) a Return on any Investment by the Borrower or its applicable Restricted Subsidiary in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the Fair Market Value at the date of such designation of the Borrower's or its Subsidiary's Investment in such Subsidiary, and (z) the formation or acquisition of a Restricted Subsidiary for purposes of Section 5.11.

No Revolving Lender, Swingline Lender or Issuing Bank shall make any Revolving Loan or Swingline Loan or to issue any Letter of Credit from and after the date that Liquidity is less than \$15,000,000 unless and until the Liquidity Cure Amount is actually received by the Borrower.

(b) if, after giving effect to the foregoing recalculation, the Borrower and its Restricted Subsidiaries shall then be in compliance with the applicable Financial Maintenance Covenant(s), the Borrower and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of the applicable Financial Maintenance Covenant(s) as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the applicable Financial Maintenance Covenant(s) that had occurred shall be deemed cured for the purposes of this Agreement;

(c) upon the Administrative Agent’s receipt of a written notice from the Borrower that the Borrower intends to exercise the Cure Right (a “Notice of Intent to Cure”), until the fifteenth Business Day following the date on which financial statements for the fiscal quarter to which such Notice of Intent to Cure relates are required to be delivered pursuant to Section 5.01(a) or (b)(i), as applicable, neither the Administrative Agent (nor any sub-agent therefor) nor any Lender shall exercise any right to accelerate the Loans or terminate the Revolving Commitments, and none of the Administrative Agent (nor any sub-agent therefor) nor any Lender or Secured Party shall exercise any right to foreclose on or take possession of the Collateral or any other right or remedy under the Loan Documents solely on the basis of the relevant failure to comply with Section 6.13;

(d) there shall be no pro forma or other reduction of the amount of Consolidated Total Net Debt (by netting or otherwise) by the amount of the applicable Cure Amount for purposes of determining compliance with Section 6.13(a) in the fiscal quarter in respect of which the Cure Right was exercised; provided that, any portion of such Cure Amount that is actually applied to repay Indebtedness or “netted” against such Indebtedness shall reduce Consolidated Total Net Debt in future Test Periods which include such fiscal quarter;

(e) notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of the Borrower there shall be no more than two fiscal quarters in which the Cure Right is exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times and (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the applicable Financial Maintenance Covenant(s). Notwithstanding any other provision in this Agreement to the contrary, during any Test Period in which any Cure Amount is included in the calculation of Consolidated EBITDA and/or Consolidated Cash EBITDA as a result of any exercise of the Cure Right, the Cure Amount received pursuant to any exercise of the Cure Right shall be (A) counted solely as an increase to Consolidated EBITDA and/or Consolidated Cash EBITDA for the purpose of

determining compliance with the applicable Financial Maintenance Covenant(s) and (B) disregarded for purposes of determining the Available Equity Amount, any financial ratio-based conditions or provisions, Applicable Rate or any available basket under Article VI of this Agreement; and

(f) no Revolving Lender, Swingline Lender or Issuing Bank shall make any Revolving Loan or Swingline Loan or to issue any Letter of Credit from and after such time as the Administrative Agent has received the Notice of Intent to Cure unless and until the Cure Amount is actually received by the Borrower.

SECTION 7.03 Application of Proceeds. After the exercise of remedies provided for in Section 7.01, any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in accordance with Section 4.02 of the Collateral Agreement and/or the similar provisions in the other Security Documents. Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth in Section 4.02 of the Collateral Agreement and/or the similar provisions in the other Security Documents.

ARTICLE VIII

THE ADMINISTRATIVE AGENT

Each of the Lenders and the Issuing Banks hereby irrevocably appoints Owl Rock Capital Corporation to serve as Administrative Agent and Collateral Agent under the Loan Documents, and authorizes the Administrative Agent and Collateral Agent to execute, deliver and administer the Loan Documents and to take such actions and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Banks, and none of Holdings, the Borrower or any other Loan Party shall have any rights as a third party beneficiary of any such provisions.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any other Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrower, any other Subsidiary or any other Affiliate of any of

the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by Holdings, the Borrower, a Lender or an Issuing Bank and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the existence, value, sufficiency or collectability of any Collateral or creation, perfection or priority of any Lien purported to be created by the Security Documents or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. The Administrative Agent shall not be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not have any liability arising from any confirmation or determination of (x) the Revolving Exposure or the component amounts thereof, (y) the Effective Yield or (z) the terms and conditions of any Intercreditor Agreement.

The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (including, if applicable, a Responsible Officer or Financial Officer of such Person). The Administrative Agent also may rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (including, if applicable, a Financial Officer or a Responsible Officer of such Person), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their duties and exercise their rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any subagents except to

the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

The Administrative Agent may resign upon 30 days' notice to the Lenders, the Issuing Banks and the Borrower. If the Administrative Agent becomes a Defaulting Lender or is an affiliate of a Defaulting Lender, the Administrative Agent may be removed as the Administrative Agent hereunder at the request of the Borrower or the Required Lenders, in each case, upon 30 days' notice. Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall have the right, with the Borrower's consent (unless an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing), to appoint a successor, which shall be a commercial bank or trust company with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent meeting the qualifications above (the date upon which the retiring Administrative Agent is replaced, the "Resignation Effective Date").

If the Person serving as Administrative Agent is a Defaulting Lender or is an Affiliate of a Defaulting Lender, the Required Lenders and the Borrower may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders or the retiring Administrative Agent appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Administrative Agent was acting as Administrative Agent or (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (a) acting as Collateral Agent or otherwise holding any collateral security on behalf of any of the Lenders, (b) in

respect of any actions taken in connection with transferring the agency to any successor Administrative Agent and (c) in respect of the matters referred to under clause (1) above. Notwithstanding anything to the contrary herein, no Disqualified Lender may be appointed as a successor Administrative Agent without the consent of the Borrower.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, any Joint Bookrunner, any Joint Lead Arranger or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Joint Bookrunner, any Joint Lead Arranger or any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption or Incremental Facility Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

Except with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or with respect to a Lender's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Loan Document Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Secured Parties at such sale or other disposition. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the provisions of this Article, Section 9.15 and Section 9.17.

In furtherance of the foregoing and not in limitation thereof, no Swap Agreement or Cash Management Services the obligations under or in respect of which constitute Secured Obligations will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such Swap Agreement or a provider of such Cash Management Services shall be deemed to have appointed the Administrative Agent and the Collateral Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

Each of the Lenders, Issuing Banks and other Secured Parties irrevocably authorizes and directs the Administrative Agent and the Collateral Agent to, and the Administrative Agent and Collateral Agent, as applicable, shall (a) release and terminate, or to confirm or evidence any automatic release and termination of, any Guarantees and Liens created under the Loan Documents as provided in Section 9.15 or in any other Security Document and (b) subordinate, at the request of the Borrower, any Lien on any property granted to or held by the Collateral Agent under any Security Document to the holder of any Lien on such property that is permitted by Section 6.02(iv) or Section 6.02(xxii).

In case of the pendency of any proceeding with respect to any Loan Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 2.17 and Section 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03).

Notwithstanding anything herein to the contrary, neither any Joint Bookrunner nor any Person named on the cover page of this Agreement as a Joint Lead Arranger, Joint Bookrunner, Documentation Agent or a Syndication Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder, including under Section 9.03, fully as if named as an indemnitee or indemnified person therein and irrespective of whether the indemnified losses, claims, damages, liabilities and/or related expenses arise out of, in connection with or as a result of matters arising prior to, on or after the effective date of any Loan Document.

To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective, or because such Lender's

failure to comply with the provisions of Section 9.04 relating to the maintenance of a Participant Register), but in each case only to the extent that any Loan Party has not already indemnified the Administrative Agent for such amounts and without limiting the obligation of the Loan Parties to do so. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

Each Lender and other Secured Party hereby appoints the Administrative Agent and Collateral Agent to act as its agent under and in connection with the relevant Security Documents and the Intercreditor Agreements.

All provisions of this Article VIII applicable to the Administrative Agent shall apply to the Collateral Agent and the Collateral Agent shall be entitled to all the benefits and indemnities applicable to the Administrative Agent under this Agreement.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as otherwise set forth in this Agreement, including as provided in Section 2.20 with respect to any Incremental Facilities and Section 2.24 with respect to any Loan Modification Agreement, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders (with a copy to the Administrative Agent) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are party thereto, in each case with the consent of the Required Lenders, provided that no such agreement shall:

(i) without the written consent of each Lender directly and adversely affected thereby:

(A) increase the Commitment of any Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender),

(B) reduce or forgive any portion of the principal amount of any Loan or LC Disbursement (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction in principal) or reduce the rate of interest thereon or forgive any interest thereon, or reduce or forgive any fees payable hereunder (it being understood that any change to the definition of any ratio used in the calculation of the interest rate or fees therein or in the component definitions thereof shall not constitute a reduction or forgiveness of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(d),

(C) postpone the final maturity date of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Loan under Section 2.10 or the applicable Incremental Facility Amendment, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or postpone the scheduled date of expiration of any Commitment;

(D) waive, amend or modify (i) Section 7.03 or (ii) Section 4.02 of the Collateral Agreement in a manner that would by its terms alter the order of application of proceeds; or

(E) waive, amend or modify any provision of Section 2.11(e), Section 2.11(f), Section 2.11(g) or Section 2.18 in any manner that would alter the pro rata sharing of payments or other amounts required thereby,

provided that, any amendment, modification or waiver contemplated in clause (i) above shall only require the consent of the Lenders directly and adversely affected thereby and not the Required Lenders or any other Majority in Interest of Lenders of any Class of Loans or Commitments,

(ii) reduce the percentages set forth in the definition of "Required Lenders" or consent to the assignment or transfer by the Borrower of its rights and obligations under any Loan Document to which it is a party (except as permitted by Section 6.03), in each case, without the written consent of each Lender,

(iii) reduce the percentages specified in the definition of "Required Revolving Lenders" or in the definition of "Majority in Interest" without the written consent of each Revolving Lender or each Lender of the applicable Class,

(iv) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents), without the written consent of each Lender,

(v) release all or substantially all the Collateral securing the Secured Obligations pursuant to the Security Documents, (except as expressly provided in the Loan Documents) without the written consent of each Lender, and

(vi) amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank or the Swingline Lender without the prior written consent of the Administrative Agent or such Issuing Bank or the Swingline Lender, as the case may be;

provided, further, that (A) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time, (B) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents (and to the extent such credit facilities are secured by Liens on the Collateral on an equal priority basis (but without regard to control of remedies) with the Liens on the Collateral securing the Secured Obligations, to share ratably in prepayments with such Loans) and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, (C) this Agreement and other Loan Documents may be amended or supplemented by an agreement or agreements in writing entered into by the Administrative Agent and the Borrower or any other Loan Party to which such agreement or agreements is to apply, without the need to obtain the consent of any Lender, to include “parallel debt” or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case required to create in favor of the Administrative Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose (with the Borrower hereby agreeing to, and to cause its subsidiaries to, enter into any such agreement or agreements upon reasonable request of the Administrative Agent promptly upon such request), (D) upon notice thereof by the Borrower to the Administrative Agent with respect to the inclusion of any previously absent covenant or other provision, this Agreement shall be amended by an agreement in writing entered into by the Borrower and the Administrative Agent without the need to obtain the consent of any Lender to include such covenant or other provision on the date of the incurrence of the applicable Indebtedness to the extent required by the terms of such definition or section and (E) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, effect changes to this Agreement that are necessary and appropriate to provide the amendments contemplated by each of Section 1.04(c) (so long as the Lenders shall have received prior written notice of such amendment).

Notwithstanding anything to the contrary contained in this Section 9.02, this Agreement, the Loan Documents and any guarantees, collateral security documents and related documents executed by Restricted Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Requirements of Law or advice of local counsel, (ii) to cure ambiguities inconsistencies, omissions,

errors, mistakes or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders (or all Lenders of a Class) or all directly and adversely affected Lenders (or all directly and adversely affected Lenders of a Class), if the consent of the Required Lenders (or a Majority in Interest of the applicable Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender”), then, so long as the Administrative Agent is not a Non-Consenting Lender, the Borrower may, at their sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (x) terminate the applicable Commitments of such Lender, and repay all obligations of the Borrower owing to such Lender relating to the applicable Loans and participations held by such Lender as of such termination date or (y) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) in the case of clause (y) above, the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11(a)), payable to it hereunder from the Borrower or Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) in the case of clause (y) above, unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii). Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 9.02(c) may be effected pursuant to an Assignment and Assumption executed by Holdings, the Borrower, the Administrative Agent and the assignee and that the Non-Consenting Lender making such assignment need not be a party thereto.

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, the Revolving Commitments, Term Loans and Revolving Exposure of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class) or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders (or all Lenders of a Class) or all affected Lenders (or all affected Lenders of a Class) that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) [Reserved].

(f) Notwithstanding anything in this Section 9.02 to the contrary, (i) technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent (and no other Person) to the extent necessary (A) to integrate any Incremental Facilities, Other Revolving Loans or Other Term Loans, (B) to integrate or make administrative modifications with respect to borrowing and issuances of Letters of Credit, (C) to integrate any terms or conditions from any Incremental Facility Amendment that are more restrictive than this Agreement in accordance with

Section 2.20(f) and (D) to make any amendments permitted by Section 2.14(b) (iii) without the consent of any Lender or Issuing Bank, the Loan Parties and the Administrative Agent, the Collateral Agent or any collateral agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into (x) any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties or as required by local law to give effect to, or protect any security interest for benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document or (y) any applicable Intercreditor Agreement, in each case with the holders of Indebtedness permitted by this Agreement to be secured by Liens on the Collateral. Without limitation of the foregoing, the Administrative Agent and the Borrower may, without the consent of any Lenders, (I) increase the interest rates (including any interest rate margins or interest rate floors), fees and other amounts payable to any Class or Classes of Lenders hereunder, (II) increase, expand and/or extend the call protection provisions and any “most favored nation” provisions benefiting any Class or Classes of Lenders hereunder (including, for the avoidance of doubt, the provisions of Sections 2.11(a) and 2.20(b)(iv) hereof) and/or (III) modify any other provision hereunder or under any other Loan Document in a manner more favorable to the then-existing Lenders or Class or Classes of Lenders, in each case in connection with the incurrence of any Incremental Facilities or other Indebtedness permitted hereunder, where the terms of any such Incremental Facilities or other Indebtedness are more favorable to the lenders thereof than the corresponding terms applicable to other Loans or Commitments then existing hereunder, and it is intended that one or more then-existing Classes of Loans or Commitments under this Agreement share in the benefit of such more favorable terms in order to comply with the provisions hereof relating to the incurrence of such Incremental Facilities or other Indebtedness. In addition, the Administrative Agent and the Borrower may, in connection with any increase to or refinancing of any Term Facility, enter into such modifications or amendments to this Agreement as shall be necessary to ensure the Initial Term Loans and/or 2020 Incremental Term Loans, as applicable, are held by Lenders in the same relative portions as immediately prior to such increase or refinancing.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay, if the Effective Date occurs, (i) all reasonable and documented or invoiced out of pocket expenses incurred by the Agents, the Joint Lead Arrangers, the Joint Bookrunners, and their respective Affiliates (without duplication), including the reasonable fees, charges and disbursements of Latham & Watkins LLP and to the extent reasonably determined by the Administrative Agent to be necessary one local counsel in each applicable jurisdiction and of such other counsel retained with the Borrower’s consent (such consent not to be unreasonably withheld or delayed), in each case for the Agents, the Joint Lead Arrangers and the Joint Bookrunners in connection with the structuring, arrangement or syndication of the credit facilities provided for herein, the preparation, execution, delivery or administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and (ii) all reasonable and documented or invoiced out-of-pocket expenses incurred by the Agents, the Joint Lead Arrangers and their respective Affiliates, including the reasonable and documented or invoiced fees, charges and disbursements of counsel for the Agents and of such other counsel retained with the Borrower’s consent (such consent not to be unreasonably withheld or delayed) in connection with the enforcement or protection of their rights in connection with the Loan Documents, including their rights under this Section; provided that such counsel shall be limited to one counsel for the Agents, taken as a whole, such other counsel retained with the Borrower’s consent (such consent not to be unreasonably withheld or delayed) and, if necessary, (x) one local counsel in each applicable jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) and (y) a single firm of regulatory counsel.

(b) The Borrower shall indemnify the Administrative Agent, the Swingline Lender, any Issuing Bank, the Joint Lead Arrangers, the Joint Bookrunners, each other Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnified Person”) against, and hold each Indemnified Person harmless from, any and all losses, claims, damages and liabilities (collectively, the “Losses”) of any kind or nature, and subject to the limitations set forth below, with respect to legal fees and expenses, the reasonable and documented or invoiced out-of-pocket fees and expenses, joint or several, to which any of the Indemnified Persons becomes subject, in each case to the extent of any such Losses and related expenses to the extent arising out of, resulting from, or in connection with any action, claim, litigation, investigation or other proceeding relating to (i) any Loan or Commitment, the Transactions or the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents or the use of the proceeds of the Loans or Letters of Credit or (ii) the structuring, arrangement or syndication of the credit facilities provided for herein, the preparation, execution, delivery or administration of this Agreement and the other Loan Documents or any other agreement or instrument contemplated hereby or thereby or any amendments, modifications or waivers of, or enforcement of, the provisions hereof or thereof, the performance by the parties to the Loan Documents of their respective obligations hereunder or thereunder and the consummation of the Transactions or any other transactions contemplated hereby or thereby (including any inquiry or investigation of the foregoing (any of the foregoing, a “Proceeding”) (regardless of whether such Indemnified Person is a party thereto or whether or not such Proceeding was brought by the Borrower, its equity holders, Affiliates or creditors or any other third person) and shall reimburse each such Indemnified Person promptly for any reasonable and documented or invoiced out-of-pocket fees and expenses incurred in connection with investigating, responding to or defending any of the foregoing (which in the case of legal fees shall be limited to the reasonable and documented or invoiced out-of-pocket fees, expenses, disbursements and other charges of a single firm of counsel for all Indemnified Parties, taken as a whole and, to the extent necessary, (x) a single firm of local counsel in each appropriate local jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) and (y) a single firm of regulatory counsel for all Indemnified Persons taken as a whole (and, solely in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating, responding to or defending any of the foregoing has retained its own counsel, of one other firm of primary, local or regulatory counsel (as applicable) for such affected Indemnified Person)); provided that the foregoing indemnity will not, as to any Indemnified Person, apply to Losses or related expenses to the extent that they have resulted from (i) the willful misconduct, bad faith or gross negligence of such Indemnified Person or any of such Indemnified Person’s Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable decision), (ii) a material breach of the obligations under the Loan Documents by, any Indemnified Person or its Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) any Proceeding that does not arise from any act or omission by Holdings, the Borrower or any Related Party and that is brought by any Indemnified Person against another Indemnified Person; provided that the Administrative Agent, the Joint Lead Arrangers, the Joint Lead Bookrunners and the other Agents, to the extent fulfilling their respective roles as an agent or arranger hereunder and in their capacities as such, shall remain indemnified in respect of such a Proceeding, to the extent that none of the exceptions set forth in any of clauses (i) or (ii) of the immediately preceding proviso apply to such Person at such time.

(c) To the extent that Holdings or the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or any other Agent (or any sub-agent thereof), the Swingline Lender, any Issuing Bank, the Joint Lead Arrangers or the Joint Bookrunners, or any Related Party of the Administrative Agent, the Swingline Lender, any Issuing Bank, the Joint Lead Arrangers, the Joint Bookrunners or any other Agent under paragraph (a) or (b) of this Section, and without limiting Holdings’ or the Borrower’s obligation to do so, each Lender severally agrees to pay to the Administrative Agent or any other Agent (or any sub-agent thereof), the Swingline Lender, such Issuing Bank, the Joint Lead Arrangers or the Joint

Bookrunners or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or any other Agent (or any sub-agent thereof), the Swingline Lender, such Issuing Bank, the Joint Lead Arrangers or the Joint Bookrunners, or against any Related Party of the Administrative Agent acting for the Administrative Agent, the Swingline Lender, such Issuing Bank, the Joint Lead Arrangers or the Joint Bookrunners in connection with such capacity. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate Revolving Exposures, outstanding Loans and unused Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the fullest extent permitted by applicable Requirements of Law, (i) neither Holdings nor the Borrower shall assert, or permit any of their Affiliates or Related Parties to assert any claim against any Indemnified Person for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), provided that such indemnity shall not, as to any Indemnified Person, be available to the extent that such damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a material breach of the Loan Documents by, such Indemnified Person or its Related Parties and (ii) neither Holdings, the Borrower, or any Indemnified Person shall assert, or permit any of their Affiliates or Related Parties to assert any claim, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 30 days (x) after written demand therefor, in the case of any indemnification obligations and (y) in the case of reimbursement of costs and expenses, after receipt by the Borrower of an invoice setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request; provided, however, that any Indemnified Person shall promptly refund or return an indemnification payment received hereunder to the extent that such Indemnified Person was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

(f) For the avoidance of doubt, this Section 9.03 shall not apply to Taxes, except any Taxes that represent Losses arising from any non-Tax claims.

SECTION 9.04 Successors and Assigns; Etc.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) except as provided in Section 6.03, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent, the other Agents, any Indemnified Person, the Related Parties

of each of the Agents, the Indemnified Persons, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (ii), any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of (A) the Borrower (such consent not to be unreasonably withheld); provided that no consent of the Borrower shall be required for an assignment (1) by a Term Lender to any Term Lender or an Affiliate of any Term Lender, (2) by a Term Lender to an Approved Fund of any Term Lender, (3) by a Revolving Lender (I) to any other existing Revolving Lender or (II) to any Person that is an Affiliate of any Revolving Lender provided that such Person is at least as creditworthy as the Revolving Lender assigning its rights and obligations under this Agreement (each such Affiliate, a “Permitted Revolving Lender Affiliate Transferee”) or (4) if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing with respect to the Borrower; provided further that the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, Holdings or the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment of a Term Loan to an Affiliate or Approved Fund of any Term Lender or of a Revolving Commitment to any other existing Revolving Lender or to any Permitted Revolving Lender Affiliate Transferee and (C) each Issuing Bank and the Swingline Lender (such consent not to be unreasonably withheld or delayed); provided that no consent of any Issuing Bank or the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan or Initial Term Loan Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if any Person the consent of which is required by this paragraph with respect to any assignment of Term Loans has not given the Administrative Agent written notice of its objection to such assignment within 10 Business Days (after receipt of written notice to such Person, such Person shall be deemed to have consented to such assignment; provided, that this sentence shall not apply to the Borrower with respect to any assignment of Revolving Commitments and/or Revolving Loans.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than in the case of a Revolving Loan or Revolving Commitment, \$1,000,000 (and integral multiples of \$1,000,000 in excess thereof) or, in the case of a Term Loan \$1,000,000 (and integral multiples of \$1,000,000 in excess thereof), unless the Borrower and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement, provided that this subclause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender’s rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (which shall include a representation by the assignee that it is not a Disqualified Lender or an Affiliate of a Disqualified Lender (so long as the list of Disqualified Lenders (other than any Person that is a Disqualified Lender pursuant to clause (iii)(y) and (z) of the definition thereof) has been made available to all Lenders party to such assignment following the reasonable written request therefore with such written request being concurrently delivered to the Borrower)), together (unless waived by the

Administrative Agent) with a processing and recordation fee of \$3,500, provided that assignments made pursuant to Section 2.19, Section 2.24(h) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective; provided further that such recordation fee shall not be payable in the case of assignments of Term Loans to or by any Joint Bookrunner or Affiliate thereof in connection with the primary syndication thereof or pursuant to arrangements directly related to such primary syndication contemplated as of the Effective Date, (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(e), all “know your customer” documents requested by the Administrative Agent pursuant to anti-money laundering rules and regulations, including, but not limited to, the USA PATRIOT Act, and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the other Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee’s compliance procedures and applicable laws, including Federal and state securities laws, (E) no assignment of any Loans, Commitments or any obligations in respect of LC Exposure or Swingline Exposure may be made to Holdings, the Borrower or any Subsidiary or Affiliate thereof, and (F) unless the Borrower otherwise consents, no assignment of all of the Revolving Commitment of a Lender that is also an Issuing Bank or Swingline Lender may be made unless the assignee shall be or become an Issuing Bank and/or a Swingline Lender, as applicable, and assume a ratable portion of the rights and obligations of such assignor in its capacity as an Issuing Bank and/or a Swingline Lender.

(iii) Subject to acceptance and recording thereof pursuant to clause (v) of this paragraph (b), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender’s account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c)(i).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and stated interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, each Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by Holdings, the Borrower and, solely with respect to its Loans or Commitments, any Lender, at any reasonable time and from time to time upon reasonable prior written notice. Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any

Lender is a Disqualified Lender (or affiliates of Disqualified Lenders), nor shall the Administrative Agent be (x) obligated to monitor the aggregate amount of the Loans or Incremental Facilities held by Disqualified Lenders (or affiliates of Disqualified Lenders) or (y) be liable for any assignment to Disqualified Lenders or other assignees in violation of this Credit Agreement.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this paragraph (b) and any written consent to such assignment required by this paragraph (b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b).

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of Holdings, the Borrower or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee; provided that for the purposes of this provision, Disqualified Lenders shall be deemed to be Eligible Assignees unless a list of Disqualified Lenders (other than any Person that is a Disqualified Lender pursuant to clause (iii)(y) and (z) of the definition thereof) has been made available to all Lenders party to such participation and following the reasonable written request therefor) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to clause (ii) below, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof, it being understood that any tax forms required by Section 2.17(e) shall be provided to the Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided that such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) No Participant shall be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed)

expressly acknowledging that such Participant's entitlement to benefits under Section 2.15, 2.16 or 2.17 is not limited to what the participating Lender would have been entitled to receive absent the participation.

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and stated interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive (absent manifest error), and each Person whose name is recorded in the Participant Register pursuant to the terms hereof shall be treated as a Participant for all purposes of this Agreement, notwithstanding notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of

the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(g) (i) In the event of any assignment or participation by a Lender without the Borrower's consent or deemed consent (if applicable) (A) to any Disqualified Lender or (B) to the extent the Borrower's consent is required under this Section 9.04, to any other Person, the Borrower shall be entitled at their sole expense and effort to seek specific performance to unwind any such assignment or participation in addition to injunctive relief (without posting a bond or presenting evidence of irreparable harm) or any other remedies available to the Borrower at law or in equity in respect of such assignor or assignee; it being understood and agreed that Holdings, the Borrower and their respective subsidiaries will suffer irreparable harm if any Lender breaches any obligation under this Section 9.04 as it relates to any assignment, participation or pledge of any Loan or Commitment to any Disqualified Lender or any other Person to whom the Borrower's consent is required but not obtained (or has not been deemed consented to). Upon the request of any Lender or as otherwise required herein, the Administrative Agent shall make available to such Lender the list of Disqualified Lenders at the relevant time and such Lender may provide the list to any potential assignee or participant on a confidential basis in accordance with Section 9.12 for the purpose of verifying whether such Person is a Disqualified Lender. For the avoidance of doubt, the Administrative Agent shall not have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Lenders.

(ii) If any assignment or participation under this Section 9.04 is made to any Affiliate of any Disqualified Lender (other than any Competitor Debt Fund Affiliate) without the Borrower's prior written consent or deemed consent (any such person, a "Disqualified Person"), then, such assignment shall not be null and void, but the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Person and the Administrative Agent, (A) terminate any Commitment of such Disqualified Person and repay all obligations of the Borrower owing to such Disqualified Person, (B) in the case of any outstanding Term Loans, held by such Disqualified Person, purchase such Term Loans by paying the amount that such Disqualified Person paid to acquire such Term Loans, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder and/or (C) require that such Disqualified Person assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees; provided that (I) in the case of clause (B), the applicable Disqualified Person has received payment of an amount equal to the lesser of (1) par and (2) the amount that such Disqualified Person paid for the applicable Loans, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the Borrower, (II) in the case of clauses (A) and (B), the Borrower shall be liable to the

relevant Disqualified Person under Section 2.16 if any Eurocurrency Loan owing to such Disqualified Person is repaid or purchased other than on the last day of the Interest Period relating thereto and (III) in the case of clause (C), the relevant assignment shall otherwise comply with this Section 9.04 (except that no registration and processing fee required under this Section 9.04 shall be required with any assignment pursuant to this paragraph). Nothing in this Section 9.04(h) shall be deemed to prejudice any right or remedy that the Borrower may otherwise have at law or equity. For the avoidance of doubt, the Administrative Agent shall not have any responsibility or liability for monitoring the identities of, or enforcing provisions relating to, Disqualified Persons.

(h) Upon the cancellation or retirement of any Loans pursuant to this Section 9.04, (A) the aggregate principal amount (calculated on the face amount thereof) shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired or cancelled and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

(i) Notwithstanding anything to the contrary contained herein any Issuing Bank may, upon 30 days' notice to the Borrower and the Lenders, resign as an Issuing Bank; provided that on or prior to the expiration of such 30-day period with respect to such resignation, such Issuing Bank shall have identified, in consultation with the Borrower, a successor Issuing Bank willing to accept its appointment as successor Issuing Bank. Such successor Issuing Bank shall become a party to this Agreement as an Issuing Bank and shall assume the resigning Issuing Bank's Applicable LC Fronting Sublimit and its obligation to issue additional Letters of Credit in accordance with the terms of this Agreement. In the event of any such resignation of an Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor Issuing Bank hereunder; provided that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant Issuing Bank, as the case may be. If an Issuing Bank resigns as an Issuing Bank, it shall retain all the rights and obligations of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all obligations (solely with respect to such Issuing Bank's LC Commitment) with respect thereto (including the right to require the Lenders to make ABR Loans or Swingline Loans pursuant to Section 2.05(f) or fund risk participations the amount of LC Disbursements made by such Issuing Bank and not reimbursed).

(j) Norvax shall have no rights or obligations as a Borrower hereunder until the consummation of the Merger, respectively, and any representations and warranties of Norvax hereunder shall not become effective until such time. Upon consummation of the Acquisition, the signature pages to this Agreement and the other Loan Documents submitted on behalf of Norvax, shall be deemed released, and upon consummation of the Merger, Norvax shall succeed to all the rights and obligations of Merger Sub under this Agreement, and all representations and warranties of the Norvax shall become effective as of the time of consummation of the Merger, without any further action by any Person.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and

effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or (f).

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents, the Fee Letter and any separate letter agreements with respect to fees payable to the Agents or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of an original counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time then due and owing by such Lender or such Issuing Bank, to or for the credit or the account of Holdings or the Borrower against any of and all the obligations of Holdings or the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness. The applicable Lender and applicable Issuing Bank shall notify the Borrower and the Administrative Agent of such setoff and application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section 9.08. The rights of each Lender and each Issuing Bank, under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank may have. Notwithstanding the foregoing, no amount setoff from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York; provided, that, notwithstanding the governing law provisions of the Loan Documents, it is understood and agreed that (i) the interpretation of the definition of “Material Adverse Effect” (and whether or not a Material Adverse Effect (as defined in the Merger Agreement) has occurred), (ii) the determination of the accuracy of any Specified Merger Agreement Representation and whether as a result of any inaccuracy thereof either the Borrower or its applicable affiliate has the right to terminate its obligations under the Merger Agreement or to decline to consummate the Merger and (iii) the determination of whether the Merger has been consummated in accordance with the terms of the Merger Agreement and, in any case, claims or disputes arising out of any such interpretation or determination or any aspect thereof shall, in each case, be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each of parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent, any Issuing Bank, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings, the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each of parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors (collectively, the "Representatives") on a "need to know" basis solely in connection with the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, the relevant Issuing Bank or the relevant Lender, as applicable); provided, that unless the Borrower otherwise consents, no such disclosure shall be made by the Administrative Agent, the Issuing Bank any Lender or any Affiliate or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Issuing Bank or any Lender that is a Disqualified Lender, (ii) (x) to the extent requested by any regulatory authority, required by applicable law or by any subpoena or similar legal process or (y) necessary in connection with the exercise of remedies; provided that, (A) in each case, unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall promptly notify the Borrower of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information and (B) in the case of clause (y) only, each Lender and the Administrative Agent shall use reasonable best efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by Holdings, the Borrower or any of their Subsidiaries, (iii) to any other party to this Agreement, (iv) subject to an acknowledgment and acceptance by the relevant recipient that such Information is being disseminated on a confidential basis (on substantially similar terms to those of this Section or as otherwise reasonably acceptable to the Borrower and the Administrative Agent), to (x) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement or (y) any direct or indirect contractual counterparty to any Swap Agreement relating to any Loan Party or their Subsidiaries and its obligations under the Loan Documents, (v) with the consent of the Borrower, in the case of Information provided by Holdings, the Borrower or any other Subsidiary or (vi) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than Holdings or the Borrower. In addition, the Agents and the Lenders may disclose the existence of this Agreement, the amount of the Credit Facilities, the Effective Date and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings hereunder. For the purposes of this Section, "Information" means all information received from Holdings or the Borrower relating to Holdings, the Borrower, any Subsidiary or their business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Holdings or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 USA Patriot Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of Title III of the USA Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or Administrative Agent, as applicable, to identify each Loan Party in accordance with the Title III of the USA Patriot Act and the Beneficial Ownership Regulation.

SECTION 9.14 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Borrower in respect of any sum due to any party hereto or any holder of any obligation owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the currency in which such sum is stated to be due hereunder (the "Agreement Currency"), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Borrower under this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

SECTION 9.15 Release of Liens and Guarantees. A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security

Documents in Collateral owned by such Subsidiary Loan Party shall be released, (1) automatically upon the consummation of any single transaction or related series of transactions permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a merger with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary), or (2) upon notice by the Borrower to the Administrative Agent, if a Subsidiary Loan Party becomes an Excluded Subsidiary, including, in connection with a transaction permitted under this Agreement, the result of which such Subsidiary Loan Party ceases to be a wholly-owned Subsidiary as contemplated by the definition of "Excluded Subsidiary"; provided that a Subsidiary Loan Party shall not be released from the Guarantee in connection with a de minimis transfer of Equity Interests in such Subsidiary Loan Party if there is no bona fide business purpose for each transfer of Equity Interests and such transfer of Equity Interests is intended solely to obtain a release of the Guarantee, in each case as determined in good faith by the Borrower. The security interests in any applicable Collateral created by the Security Documents or any applicable Guarantee shall be released, (i) automatically upon any sale or other transfer as part of or in connection with a Disposition by any Loan Party (other than to Holdings, the Borrower or any other Loan Party) of any Collateral in a transaction permitted under this Agreement, (ii) upon notice by the Borrower to the Administrative Agent, if any property granted to or held by the Administrative Agent under any Loan Documents does not constitute (or ceases to constitute) Collateral, including by becoming an Excluded Asset or (iii) upon the effectiveness of any written consent to the release of the Lien or security interest created under any Security Document in any Collateral or the release of any Loan Party from its Guarantee under the Guarantee Agreement pursuant to Section 9.02. Upon the occurrence of the Termination Date, all obligations under the Loan Documents (other than obligations that by their terms survive the termination of the Loan Documents) and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section or in connection with any subordination of its interest as required by Article VIII, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. The Lenders irrevocably authorize the Administrative Agent to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(ii), 6.02(iv), 6.02(v), 6.02(vi), 6.02(vii), 6.02(viii), 6.02(xi), 6.02(xii), 6.02(xiii), 6.02(xiv), 6.02(xv), 6.02(xvi), 6.02(xvii), 6.02(xviii), 6.02(xxi), 6.02(xxii), 6.02(xxiii), 6.02(xxv), 6.02(xxvi), 6.02(xxvii), 6.02(xxviii), 6.02(xxix), 6.02(xxxi), 6.02(xxxiv), or 6.02(xxxv) in each case, to the extent required by the terms of the obligations secured by such Liens pursuant to documents reasonably acceptable to the Administrative Agent.

SECTION 9.16 No Fiduciary Relationship. Each of Holdings and the Borrower, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, the other Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Agents, the Lenders and their respective Affiliates, and Agents and their Affiliates on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

SECTION 9.17 Permitted Intercreditor Agreements.

(a) Each of the Lenders, the Issuing Banks and the other Secured Parties acknowledges that obligations of the Borrower and the Guarantors under any Incremental Equivalent Debt, any Ratio Indebtedness, any Acquisition Debt, any Permitted Equal Priority Refinancing Debt and any Permitted Junior Priority Refinancing Debt may be secured by Liens on assets of the Borrower and the Guarantors

that constitute Collateral. Each of the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably authorizes and directs each of the Administrative Agent and the Collateral Agent to execute and deliver, in each case on behalf of such Secured Party and without any further consent, authorization or other action by such Secured Party and the Administrative Agent and the Collateral Agent agree (to the extent consistent with the standards set forth in the definition of "Intercreditor Agreements", as applicable) to so execute, (i) from time to time upon the request of the Borrower, in connection with the establishment, incurrence, amendment, refinancing or replacement of any such Indebtedness, any applicable Intercreditor Agreement (it being understood that each of the Administrative Agent and the Collateral Agent is hereby authorized and directed to determine the terms and conditions of any such Intercreditor Agreement as contemplated by, and subject to the provisions of, the definition of the terms "Intercreditor Agreement"), and (ii) any documents relating thereto.

(b) Each of the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably (i) consents to the treatment of Liens to be provided for under the Intercreditor Agreements, (ii) agrees that, upon the execution and delivery thereof, such Secured Party will be bound by the provisions of any Intercreditor Agreement as if it were a signatory thereto and will take no actions contrary to the provisions of any Intercreditor Agreement, (iii) agrees that no Secured Party shall have any right of action whatsoever against the Administrative Agent or the Collateral Agent as a result of any action taken by the Administrative Agent or the Collateral Agent pursuant to this Section or in accordance with the terms of any Intercreditor Agreement and (iv) authorizes and directs each of the Administrative Agent and the Collateral Agent to carry out the provisions and intent of each such document.

(c) Each of the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably further authorizes and directs each of the Administrative Agent and the Collateral Agent to execute and deliver, in each case on behalf of such Secured Party and without any further consent, authorization or other action by such Secured Party, any amendments, supplements or other modifications of any Intercreditor Agreement that the Borrower may from time to time request (i) to give effect to any establishment, incurrence, amendment, extension, renewal, Refinancing or replacement of any Incremental Equivalent Debt, any Ratio Indebtedness, any Acquisition Debt, any Permitted Equal Priority Refinancing Debt and any Permitted Junior Priority Refinancing Debt, (ii) to confirm for any party that such Intercreditor Agreement is effective and binding upon the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Secured Parties or (iii) to effect any other amendment, supplement or modification so long as the resulting agreement would constitute an Intercreditor Agreement if executed at such time as a new agreement.

(d) Each of the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably further authorizes and directs each of the Administrative Agent and the Collateral Agent to execute and deliver, in each case on behalf of such Secured Party and without any further consent, authorization or other action by such Secured Party, any amendments, supplements or other modifications of any Security Document to add or remove any legend that may be required pursuant to any Intercreditor Agreement.

SECTION 9.18 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an EEA Financial Institution arising under any Loan Document, to the extent such

liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

For the avoidance of doubt, delivery of an executed counterpart of a signature page by facsimile or other electronic imaging means (e.g. “.pdf” or “.tif”) shall be effective as delivery of a manually executed counterpart, and shall not be considered an electronic signature.

None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a “syndication agent,” “documentation agent,” “joint lead arranger,” or “joint bookrunner” shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. (a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
